Friend of ours, after hearing the music of the Baltimore Convention and would vote for the following candidates for the State: "Locals I am not in what

There are a number of votes in the town who are not voting for St. Paul, but are voting for Mr. Jones, and they are principally in the Third Ward."

Honorable.

It is understood that Wednesday the 9th, a difficulty occurred between George and John Wilson, of the market, in the latter's yard, and Wilson was arrested and committed for trial.

Over the past few days there has been much excitement in the town over the issue of a new company to be formed for the purpose of building a railroad. The company is expected to be organized on Thursday, and the full text of the plans will be published in the next issue of this paper.
