ANOTHER LARGE LOT OF GOODS MARKED DOWN!

THE STOCK MUST BE REDUCED!
TOO MANY GOODS ON HAND ROOM MUST BE MADE FOR FALL STOCK!

All goods in the stock room are now reduced to such prices that they are not worth keeping, and must be sold.

Gentlemen, it is not in our power to be critically frank, but we are compelled to say that it will not be possible to avoid making still more reductions, as the present prices are far more than we can afford to keep.

The reductions are so extreme that we must beg of you to give us your most friendly co-operation in what we must consider a matter of great necessity.
