Annual Chemistry Contests Slated For High Schools

From Booms announced this week the PTA Annual Chemistry Contest scheduled by the Department of Chemistry and the Theta Chi Delta Chapter of the University of the South, Sewanee, Tenn. The nation-wide contest will consist of a written problem solution and oral presentation. The winners will be honored at the Sewanee Convention to be held at the College, May 12-13. The first two place winners will be awarded $50 and $25, respectively.

The first place winner in each state will receive $5.00, and $25.00 will be awarded to the state in which the winner resides. The state will be determined by the address of the individual who entered. The amount of prize scholarship will be paid to the student as soon as possible. The winning students will be invited to the Sewanee Convention to receive their awards.

The contest is open to all students who have taken chemistry in high school. The contest will be held during the month of April, and the winning students will be announced at the Sewanee Convention. The contest is open to all students who have taken chemistry in high school.

Essay Contest Aroused National-Wide Attention

Sponsored By W. & M. Govt. Dept.

National Institute has been on the watch for outstanding young people for many years. The United States government has been encouraging young people to develop their talents and abilities through its various programs. The government has provided opportunities for young people to learn new skills and gain valuable experience. The government has also provided scholarships and other forms of financial assistance to help young people pursue their educational and career goals.

The government's efforts to encourage young people to develop their talents and abilities have been successful. Many young people have taken advantage of these opportunities and have gone on to become successful leaders in their fields. Waldo Matthews, W & M.
Three Sport Athlete, To Coach Here In Fall

Will Graduate In June, Then Return To Assist In Three Major Sports

Waldo Matthews has been appointed assistant coach of football, basketball and V.M.I. track this year by W. & M. Athletics. Matthews, who was born in New York City, attended V.M.I. where he was a member of the university for the past three years. Matthews was retained by W. & M. Athletic Club because of his ability to handle one of the university’s most prominent sports.

Matthews’ career started in the first basketball game of the year against V.M.I. where he was the leading scorer of the game.

Football was another novelty to Matthews, but the young man quickly showed that it does. Matthews hasn’t been the one to break down under the pressure of scoring until that point.

Matthews is the son of Louis Matthews, a former W. & M. basketball player, and his wife, who is the daughter of the late William J. Self, a former W. & M. basketball player.

The Flat Hat sports staff wish its editor, Bill Diehl, a speed recovery.

**Polls and People**

Mr. and Mrs. J. H. Stiller have just moved into the house next door. We expect that many will join the Stillers in forming a committee to take care of the neighborhood. The Stillers, being very much interested in the welfare of the community, have already begun to work on this project. We hope that many more will join them in this important task.

**Only Yesterday**

Although television is not yet a household word, it is becoming more and more popular. It provides a new form of entertainment and a means of keeping up with current events. However, there are some concerns about its effects on society. It is important to remember that television is just one form of media, and it should be used responsibly to promote positive values.

**Overheard By His Lordship**

His Lordship, who is known for his wit and wisdom, was overheard making the following remarks: "My dear fellow, you have it all wrong. Success is not a matter of chance; it is the result of hard work and determination."

WHERE SMART STYLING IS A TRADITION

The largest and best place to eat in the Colonial City.

We appreciate your patronage.

The students feel that it would be desirable to have a Student Union centrally located on the building, preferably the third floor, with small social rooms for the men and other college guests.

This dining place should be a soda bar, not only with Pharmacy's new-fangled soda fountain but with charcoal portrait studies.

If you pause for a moment to absorb the fact that our college has a Student Union, with a faculty advisor and many of these departments while operated by Dean Cox to familiarize the students with the appreciation of the faculty and the importance of presentation in making impromptu, extemporaneous, and formal speeches.

We have Breakfasts, Dinners, and Suppers. Also a carte.

We welcome Visitors and Students. We want you to make our place your home; have all your meals with us. We appreciate your patronage.
