WARRINGTON DAWSON MEMORANDUM #187.

PORTRAITS OF THE DE GALLATINS AND OF GENERAL DE MIOLLIS.

I am forwarding for the collection of portraits at William and Mary and for exhibition at the Yorktown Sesquicentennial if judged advisable, photographs of the de Gallatin family and of General de Miollis.

The de Gallatin portraits, representing Baron and Baroness de Gallatin and the mother of the Baron, are the property of Judge Scherdlin and have never been photographed before, they have been handed down to him direct from the Baron. The painters are unknown.

The portrait of General de Miollis, by Vicart, is the property of his collateral descendant, Viscount d'Estienne d'Orves.

Warrington Dawson.
