Students Will Elect Officials Tomorrow

A special election is scheduled for tomorrow, February 15, to fill vacancies in the Student Assembly, in the Men's Honor Council, and in the Student Government Association of the Senior Class. A list of eligible candidates was released yesterday by the office of Dean of Men. Harold Booth, Richard Lee, and David Taliaferro, each of whom has held a position in the Student Council, will run for Speaker of the Senior Class. The list also includes John Edward Foster, John H. Farley, Edgar W. Squires, and William C. Tidwell, who will contest the position of Speaker of the Student Assembly.

Rush Week Activity Will Commence Soon

Final casting for Ernest Toller's No More Peace, to be presented by the William and Mary Theatre March 8 and 9, was announced today by Bill Althea Hunt, director of the theatre.

Among the players featured in leading roles will be Chris Moe as Napoleon, Blair MacKenzie, St. Francis, Peggy Gordon, Rachel Church, and George Belk, Calm.

Women desiring to participate in rush should register on Wednesday from 12 noon to 6 p.m. tomorrow. These students whose scholastic averages are high enough to conform to fraternity and sorority regulations as of the first semester will be eligible for rushing.

For the men, a 2.5 quality point is necessary and men with a .64 average are eligible.

Eligible Women

Eligible women desiring to participate in rush should register on Wednesday from 12 noon to 6 p.m. tomorrow. There can be no change in gifts, food or favors of any kind during the rush period. Rushing will be of an informal nature.

Backdrop Club Plans Try-Outs Thursday

Try-outs for the forthcoming Variety Show, presented annually at the college, will be held in the Apollo Room on Thursday, February 14, at 8:30 p.m. in Phi Beta Kappa Hall. All students interested in participating in this annual event will be eligible and are invited to attend.

Library Receives Taliaferro Collection

By Julia Wilks

"It is with deep pride that I present this portrait and collection of the well-known author and poet, William Taliaferro. The portrait, presented in a book of his work, is a splendid addition to the college's library. This collection, given to the college by the late William Taliaferro, is a testament to his love and support of education in the United States. It is with great appreciation that we accept and showcase this valuable gift at the college library."
Students are still burning over the treatment many of them received last Saturday night at the basketball game. The gymnasium was packed upstairs and downstairs in an effort to sell the gym out twice for one game. Such an over-selling of general admission tickets by you of the AA. We won­der if there is any logical explanation for the fact that tickets were not for the tea — and we can’t fathom it seems a little unrealistic to us, since the tuition paid by these students included a fee covering such events. The part that really hurts is that the students have no choice in the matter; they buy athletic books whether they like it or not, and then are excluded from seeing events which they have paid for. Nevertheless, some of them stayed in the family, for the bread-win­ners, lighting, fresh air, and QUIET—

Open Letter To The AA

By Dick Beatty

On behalf of the entire student body, we the undersigned, as representatives of this group, wish to protect the extreme to which the policy of favoritism-for-outside-cash-customers has been carried. We recognize that this policy is inconsistent with our right to choose events and sports which ultimately has affected the students included in this letter. Nevertheless, some of them stayed in the family, for the bread-win­ners, lighting, fresh air, and QUIET—

Respectfully,

Hugh DeSarver

Report from Exeter

By Dick Beatty

(continued from last week)

An American exchange student is something of an anachronism here, for the students don’t know what to make of him. They are laughing at his naive­ness, even joking for fun, his penchant for staying up after 11 p.m., and his indifference to strenuous physical training. But he does not think that they don’t know what to do with him. He is told to spend his first month drifting around from class to class, and when, after two weeks, he has failed to notify the Academic Secretary of his selection, he will be sent home. Probably it is the dream of most college students to indulge in liberally courses of their own choice and to be able to read leisurely without the compulsion of fre­quent tests. The Exeter Scholarship provides just such an opportunity. Of course, William and Mary students are not the only ones to be interested in this scholarship. There are under greater responsibility, for they have to continue in line with their majors. But graduate students are given freedom, too, because they like and to attempt to fill in some of the gaps that inevitably occur in college education, if any at all. They are also responsible for their own education, for they are responsible for their own advancement, they are not expected to take an advance degree here in the course of a year’s study.

Tribe Overcomes Wolfpack, VPI; Falls To Carolina
Tar Heel Jinx Stops Indians 52-46; Snaps Win Streak At Seven Straight

By Mark McCormack

William and Mary's hopes for gaining an edge in the Southern Conference were dealt a severe blow last night as the Indians dropped a thriller to the White Plainsmen of North Carolina University in a basketball game in the Southern Conference Auditorium here. The Indians, who started the day full of hope, were left wondering what might have been as they returned from North Carolina empty-handed.

The Tar Heels, who enjoyed a 19-11 lead at the intermission, pulled away fast in the second half and after a number were leading 28-21. The quick hook shots by Giermak and a basket and free throw by Lewis gave Carolina its only scoring chances in the second period, and with two minutes to go, the Indians were caught by the Wolfpack's earliest offensive move and were never again allowed to close the gap.

Bunting, who towered above him by six inches, scored his first points of the season when he brought the Tribe back into contention late in the game, sinking a short jumper from just outside the key hole, by the shortest of all the Wilsonmen, Jere Bunting.

Jere Bunting then hit with a push shot to put the Braves ahead by seven, but the Wolfpack's shortest starter was behind by only four points for the entire half.

The室内 track season will start on March 1 in Norfolk's City Auditorium in Connecticut.

Jere Bunting, regained the lead and doomed the Wolfpack.

Bunting's performance was one of the finest ball handling performances in basketball history. He scored a career-high 38 points while playing on the front line and with that of a 6' 4" Chicagoan a year before and of Howard "Tip" Dickey.

He brought the Tribe back into contention late in the game by hitting a 30-foot jumper from just outside the key hole, by the shortest of all the Wilsonmen, Jere Bunting. His arrival coupled

Williams Face Gobblers
Away; Meet Keydets Here Saturday

By Ralph Francis

William and Mary's rampaging Indians, sporting a record of seven victories in their last eight games, will try to sew-up the Big Six championship this week as they encounter Washington and Lee, VMI and VPI.

Coach "Rube" McCray's Bravehulls have defeated each of the three clubs earlier this season.

Thursday night the Tribe journeys to Lexington to tackle the Washington & Lee Generals. The two teams met at the Reservoir on January 7, and the Generals and company ran wild as they posted an 80-42 victory. Under Coach Dave Davis, new coach from Tennessee, the Generals have had an invincibility season. The Lexington quintet seems to have the height, ability, and experience, but hasn't lined up to the pre-season billing. Since Coach Davis's men averaged 6' 2", they are three inches taller per man than the Indians.

Two All-Staters, Bob Goldsmith in '48 and Jay Hamban last year, furnish the General scoring punch along with forward Dave Hodge and guard George Pierson. Crisp Compton, 6' 3" guard, rounds out the first five and is the leading influence on the team.

Sometimes Washington & Lee is hot and Coach Wilson is happy of an upset. They were hot two weeks ago as they whipped VPI 79-55. The home floor should give the Generals an added advantage and a close game may develop.

Saturday night VMI comes to Blow Gym to invade the Indian's lair. Since four of last year's five graduated, the Keydets are just can't hit the basket often enough to stay in the game. William & Mary are big enough to handle them and experience, but haven't lived up to the pre-season billing. Since Coach Davis's men averaged 6' 2", they are three inches taller per man than the Indians.

THE FLAT HAT

WOLF TRAPPER
By Hugh Haynie

The Indians invade Blacksburg Monday night for what may well be the most important clash of the season. The Tribe needs the victory to keep pace with Duke and N. C. State, who are second in the Big Six. The William & Mary team, 6-3 in Big Six play, will be playing for the championship, but it will take a victory over the Wolfpack in order to win it.

The Indians have already beat them at Lexington, 68-44. -

The Indians will be under a new coach—Bill O'Hara. Practically starting from scratch, they are three inches taller per man than the Indians. They are good under a new coach—Bill O'Hara.

Lambda Chi Mauls Kappa Alpha; SAE Takes Two Games

The 1950 fraternity basketball league got off to a flying start last week as SAE, Lambda Chi, Sigma Phi, and Phi Lambda all initiated the season with victories. SAE emerged victorious in two encounters, while the others played only once. Theta Delta and Phi Kappa open their season this week.

Phi Alpha could offer little resistance to the high-gared SAE attack Thursday and became a 58-18 victim. The game was over as early as the 15th minute of play and Alpha trailed by 28 points. Randy Denny hit for 16 points and Joe Giordano hit 13 points, while Arnold Cook bolted seven for Phi Alpha.

Lambda Chi, seeing past defending champ Kappa Alpha 48-14 in another Thursday contest, also lost most of last year's team and has little hope of repeating as champions. Bob Carter, Fred Collins, and Harry Wirth led the winners with nine, eight and eight points respectively, as Alcindor, a 6'10 left forward Fran Aron, topped off the victory by connecting on a deadly foul shot to line.

Lambada Chi's point guard, former W&M courtster, did an excellent job of assistance to center Liz controlled the backboard with her uncanny spring for rebounds. Roy Stone's 12 points and Paul Webb's seven led the Rhomen.

In Friday's other encounter Phi Lambda, paced by Sheldon Flanzig's 15 points, edged past Sigma Pi 25-20. Lambda led 11-10 at half time.

Saturday it looked for a while as if Phi Tau was going to upset SAE, but SAE pulled away from a tie at the half to win 56-40. Both teams started cold on their shooting and it wasn't until Giordano found two free throws to start Sigma Pi on the comeback that SAE was counted for exactly half of Phi Tau's points, while Bill Watson's nine points counted for exactly half of Sigma Pi's points.

No upsets appeared in the first week's games and all teams, except KA, were either strong or stronger than they did last year. This year the league got off to a flying start last week as SAE, Lambda Chi, Sigma Phi, and Phi Lambda all initiated the season with victories. SAE emerged victorious in two encounters, while the others played only once. Theta Delta and Phi Kappa open their season this week.
Division, Generals Defeat Tribe's Traveling Tankmen

By David Potts

The Washington and Mary's varsity swimmers dropped two meets during the past week. Last Wednesday the Tribe was up-ended by the Norfolk Division, 42 to 30, as each side's Traveling Tankmen starred for the Indians, as each one engaged VMI last night, and will open their schedule on a winning note by trouncing the Lambi champs, the Rubber Guts, cut 48-17. The short, but speedy short-haired Va. Hams, were led by Jack Ward and George Larkin with 20 and 16 points respectively. Phi's Marion Hough took game honors with 20, 11, and 6 tallies of Jeanne Vester and Bill Roughton respectively. Pi Phi 30-23 due to the 12 and 11 tallies of Vester and Marie Hasher connected for 15 of the 21. Phi Alpha vs Phi Tau 41-21, as Tina Bass went to town against Pi Phi 3 penciled a 2-0 win, but the third team managed another close loss in the Ludwell 400 forfeit, 2:15. Sally Stich swished 12 markers for the losers. Kappa 2 then overpowered Chi O 24-14 with the help of Edith Moser's 13 points. Due to a Ludwell 400 forfeit, Chi O 1 penciled a 2-0 win, but the third team managed another close loss in the Ludwell 400 forfeit, 2:15. Sally Stich swished 12 markers through the net for Kappa 2, while Edith Moser made nine for the losers.

Video, CBS Sponsor Nationwide Contest For College Students Writing TV Scripts

A nationwide collegiate writing contest, designed to encourage the emergence of new television writers, was launched last week by joint announcement of the Columbia Broadcasting System and World Video Inc., independent television producing organizations.

The competition, to be known as the CBS Awards, is open to students in American colleges and universities. It will offer first prize, the first to be awarded, on February 3, 1950, and the others at monthly intervals during the spring academic semester.

$500 Award

The amount of the award will be $500 if the prize-winning script is of one-hour performance length, or $250 if it is a half-hour script.

Any student qualified as a 16mm projector must be obtained by writing to:

Director, CBS Awards

Continuous Showing With Extra Matinee Offered at Theatre

Continuous showings of motion picture programs began at the Williamsburg Theatre yesterday for a two-week trial period, it was announced this week by Thomas Halligan, manager.

Showings at the Theatre will begin at 3 p.m. all afternoons and continue until 11 p.m. daily with complete programs beginning at 3:30, 5, 7:30 and 9:30 p.m. The Theatre has been operating for more than three years on five straight-through schedules.

The continuous showings will be tried over a period of two weeks beginning Monday to ascertain if there is sufficient demand for the additional program and straight-through schedule," Halligan stated. "We have had numerous requests for continuous showings and believe that there are a number of persons interested in late afternoon showings or the opportunity of seeing as far as three films," he added. After the two-week period, the schedule will be returned to the former routine unless a satisfactory change.

FOR SALE: Cushman motor scooter. Excellent condition. $75.00. See Bruce Robinson, 438 Scotland St., Phone 674.

Indispensable for spring! Above: the sheer rayon craps that's always good in taste, good on you... softly Shirred at the hips and sleeves, with momentous bat-wing sleeves. $17.96. Debate Council Plans Discussion Saturday

Two topics of national interest will be debated by the Inter-Collegiate Debate Council of Bucknell University and the College of William and Mary on Saturday, February 18 at 2 p.m. in the Apollo and Dodge Rooms.

Bill Hart and Bruce Robinson will represent the affirmative with Jack Beckwith and Bob Myers on the negative team.

On Wednesday Joe Callaway and Al Bowman will leave for a three day stay in Washington, D. C., where they meet the debate teams of American University, Catholic University, Georgetown, the Naval Academy and George Washington University.

William and Mary wasrepresented in the Invitational Debate Tournament at the University of Virginia last week by Bob Roeder and Bruce Robinson. The topic of the debate was—Resolved: That the United States Recognizes the Communist Government in China.
My date took this Jr. Class "Come As You Are" Dance too seriously.

Chili Delta Phi Plans
Manuscript Try-Outs

Manuscripts submitted as try-outs for Chili Delta Phi, national women’s honorary literary fraternity, will be due Wednesday, March 1, according to Paulet Lamburt, newly elected president, last week.

All women students trying out for the literary fraternity must submit three manuscripts of any form of writing to Pattie at 125 Barrett by that date. Applications are invited from students who expect to complete the required courses by June 30, 1950.

Nina Saunders Gives Talaferro Collection To College Library

Continued from Page 1

The memorable events of Virginia’s history, and he welcomes this conception of the genial, lovable and stalwart qualities of General Taliaferro.

In a brief outline of the venerable General’s hard earned significance in the history of the college, he emphasized that as a loyal citizen, whose attendance here began an attachment that proved a dominant feature of his life, he was not content until his alma mater reopened in 1888 with generous appropriations from the Commonwealth and was reimbursed for the destruction of the Wren building.

James Island Martin, a Virginia legislator and lawyer, appeared for his uncle, Congressman C. A. Martin, who practiced law with the General in Gloucester County.

Martin gave an address on the career of General Talaferro in which he mentioned him as a lawyer, legislator, judge, military leader and an outstanding contributor to education. Among other educational achievements, he established the first free school for Negroes in Gloucester County and reorganized the Alpha Chapter of Phi Beta Kappa here at William and Mary.

Following the ceremony, Dr. and Mrs. Penfield gave an informal reception for the guests at their home while the college’s newly acquired historical documents and relics were on exhibition. The works are now open to review by the public.

NACA Invites Applications For Positions

In Aeronautical Laboratory Research Work

Applications are being accepted for engineer, chemist, physicist, and metallurgist positions paying $3,100 a year, in National Advisory Committee for Aeronautics laboratories in Virginia, California, and Ohio. The work of the NACA is in research, and applications are wanted only from persons interested in this kind of work.

To qualify, applicants must have had appropriate college education in the field for which they apply and must be able to pass a written test. Applications are invited from students who expect to com-

Old-Fashioned Valentine Nears Extinction
Commercial Love Verses Go Sentimental

By Jane Walters

What with the commercialization of old-fashioned, robust "Will you be my Valentine?" Do the kids still cut and paste weeks in advance in order to place an offering on the high shelf of their dresser? Yes, but I did become quite interested in the specimens available. I was able to amass a large collection of those old-fashioned valentines that I always wanted to own as a little girl, but who could afford to buy them? I've always wondered how the composers of those sappy little verses looked at their works. Realizing that Mary Wortly's jingle-writes still exist only in the concept strip, I decided to友好地 describe the largest of these I've ever seen.
