President John E. Pomfret,
Twenty-first president of the College of William and Mary in Virginia
TO THE CLASS OF 1951

Your class is the first in many years that has not been influenced by the War. All the other classes in the College are predominantly GI in composition. I sincerely hope that the orderly progress of your formal education will not be interrupted.

The College of William and Mary, with divisions in Norfolk and Richmond and a GI extension at St. Helena in the Norfolk Navy Yard, is a large, complex institution with a total enrollment last session of more than 4500. At Williamsburg, also, there was a record enrollment of 1900, in comparison of a pre-war registration of 1300-1400. Thanks to the existence of temporary facilities, however, there is little real crowding.

Your first challenge will be one of adjustment to a new community and a new environment. The rapidity with which you settle down to earnest work will have something to do with your ultimate success in College. Here, as elsewhere, there are many distractions, and you will be tempted to fritter away your time. The wise student will budget his time in order to fulfill his academic obligations.

Despite this admonition your college years should be the happiest in your lives. You will widen your horizons of knowledge, engage in many new activities, make a host of new friends, and mature, almost without being aware of it. Here, too, you will, in all probability, determine what your career will be and how you will invest your life.

In behalf of the College, it is my privilege to welcome the members of the Class of 1951, and the students transferring from the Norfolk Division, St. Helena, and other institutions.

John E. Pomfret, President.
TRADITIONS AT WILLIAM AND MARY

There are many traditions here. They will undoubtedly be pointed out to you many times in the course of your college life. We ask, however, that you consider only five traditions, five customs which are not limited to past glories but which are applicable to your present day life as a college student and to your future life as an alumnus of this College.

The first tradition is the tradition of belonging. You will have the feeling of ownership the minute you enter the College yard, seeing for the first time the quiet dignity of the Wren Building, the tall, majestic trees, the cool sweep of the College Green. Who comes here belongs here. This is the first tradition.

The second tradition is the tradition of fellowship. There is a custom here of the universal greeting, to professors, to fellow students, to visitors on our campus—all of whom may be strangers. Here we speak because we want to, because we feel a common ownership, a common bond closely related to the tradition of belonging.

The tradition of scholarship is the third tradition. Great scholars have gone before you here and great scholars will undoubtedly follow. The choice of study is yours, and you can gain much or you can gain little, depending upon you. College serves only as a means of stimulation, but the desire to learn must come from the individual.

The fourth tradition is the tradition of honor. This tradition is perhaps William and Mary's most revered for it is a tradition of thought and conduct. In another part of this book, you will find a clear statement of the principles, purposes, and ideals of the honor system. It is enough to say here that fundamentally your life is governed by your own sense of honor and by it you will be judged.

The fifth and most important tradition, to which all the others contribute is the tradition of service. Only through a deep appreciation of the traditions of belonging, fellowship, scholarship, and honor fostered during the period of College residence can the real understanding of service be attained—service not only to the College and community, but to the broad principles of democracy, for which the College of William and Mary has long been known.
HISTORICAL FACTS ABOUT
THE COLLEGE OF WILLIAM AND MARY

1693—On February 8th, a charter was granted by King William and Queen Mary of England, for the establishment of the College of William and Mary in Virginia. In this Charter the Rev. James Blair was named president.

1705—The Wren Building was destroyed by fire. It was rebuilt with the original walls and was completed about 1716.

1723—The Brafferton Building was erected.

1750—The F. H. C., the first college club at William and Mary of which there is a record, was established.

1776—Phi Beta Kappa, the first Greek letter fraternity, was founded by students of the College.

1779—The College became a university, introducing into the United States, the elective system and establishing schools of Modern Languages, Law, and Medicine.

1781—The British campaign in Virginia caused a suspension of classes.

1801—The statue of Lord Botetourt, which originally stood at the Capitol, was purchased by the faculty and placed in the center of the College Yard.

1824–1825—An attempt to remove the College to Richmond, as a means of increasing enrollment, failed.

1859—On the 166th anniversary of the founding of the College, the interior of the Wren Building was burned a second time when some early documents, including the original charter, all of the library, and the chemical laboratory were destroyed.

1861—The College was suspended in May on account of the Civil War. In 1862 the Wren Building, while occupied by Federal soldiers, suffered a third fire.
1865—The College reopened; but it was not until 1869 that the Wren Building was entirely rebuilt, the fourth building on the original foundation and with the original walls.

1881—The College was forced to suspend on account of financial difficulties.

1893—The United States Congress indemnified the College partially for its losses in the Civil War.

1906—The property belonging to the College was transferred to the State of Virginia. Since 1906 the College has been under the direction of a Board of Visitors appointed by the Governor of Virginia.

1918—Women were admitted to the College by act of the General Assembly.

1919-1934—Fifteen new buildings were erected on the campus. Many new courses were added. The enrollment increased from 150 to 1,300 students.

1928-1932—The three earliest buildings of the College were restored to their original appearance through the generosity of John D. Rockefeller, Jr.

1943—With simple ceremonies, appropriate to war-time, the College, on February 8, celebrated its two hundred and fiftieth anniversary, inaugurated John Edwin Pomfret as its twenty-first president, and invested John Stewart Bryan as its fourth American chancellor.

Alma Mater

Hark, the students' voices swelling,
   Strong and true and clear,
Alma Mater's love are telling
   Ringing far and near.

Chorus

William and Mary, loved of old,
   Hark, upon the gale
Hear the thunder of our chorus,
   Alma Mater—hail!

All thy sons are faithful to thee
   Through their college days,
Singing loud from hearts that love thee
   Alma Mater's praise.

Iron shod or golden sandaled
   Shall the years go by;
Still our hearts shall weave about thee
   Love that cannot die.

God, our Father, hear our voices,
   Listen to our cry,
Bless the college of our fathers,
   Let her never die!

J. S. Wilson, '02.
William and Mary Hymn

Beneath thy trees, within thy halls,
Dear College, we give praise to thee,
To pledge ourselves, whate'er befalls—
To pledge unfailing loyalty,
Our hearts are with thee, dear William and Mary,
However far we stray.
Our noble College, hear us now—
Thy children sing to thee today!

Dear College, old in years and fame,
And richly old in honors, too.
Time shall not dull the shining name
Whose gleam our songs will e'er renew.
And as years go by, dear William and Mary,
Thy fame will never cease.
But each new year rejoice to see
Thy children's praise to thee increase.

We honor thee, not for our gain
But to make known thy majesty,
Thy truth and courage that remain
However harsh the fates may be.
As through troublous years, dear William and Mary,
Our country fought, so thou hast fought and won,
And lived to hear thy children singing to thee now.

O thou, our guardian and our guide,
Renew our courage every hour,
And keep thy spirit by our side
To aid us with its watchful power.
Throughout all our lives, dear William and Mary,
We pledge our loyalty.
Dear college, now and evermore thy children cry
"All Hail to Thee!"

The Library of the College contains approximately 200,000 catalogued volumes, and receives regularly 1,200 periodicals. The Law Library, on the third floor of the Library Building, numbers about 1,500 volumes. The Reserved Book Collection of about 600 volumes is on the second floor; adjacent to it, the Department of Library Science has a collection of educational films and over 5,000 volumes shelved in a laboratory. Additional holdings include 60,000 government documents and 30,000 books and pamphlets in special collections.

With the exception of 13,500 rare books and over 400,000 items in the manuscript, print, map, and music collection, library resources are on open shelves easily accessible to all users. Students are privileged to go freely to the stack rooms, to select the books they need or to browse at leisure. A student may borrow from the general collection as many books at one time as he wishes.

The Library is open on week days from 8 a. m. to 6 p. m. and from 7 to 10 p. m.; on Saturdays from 8 a. m. to 6 p. m.; and on Sundays from 2 to 6 p. m. and from 7 to 10 p. m.

There are three departmental collections in special rooms outside the Library Building and open at special hours: the Fine Arts Library in the Fine Arts Building; the Education Library in Washington Hall; and the Chemistry Library in Rogers Hall.

Freshmen should become acquainted with two gifts established for student use by the Friends of the College of William and Mary: the War Memorial Book Shelf and the Records Collection. The War Memorial Book Shelf is a selection of currently published books of significance given to commemorate alumni and faculty who lost their lives in World War II. It is placed in the Saunders Reading Room; while the Records Collection containing a worth while group of classical and semi-classical records is in the same room as the reserved book collection. Only two albums of recordings may be borrowed by a student at one time.

The principles of the Honor System are to be observed in the Library. The stealing of books from the
Library is considered an offense similar to the theft of other property on the campus. Lying or any form of deceit in regard to the use of the reserved books or to the borrowing of books is considered an infraction of the Honor System and will be reported to the Honor Councils.

To each freshman the Library offers guidance by a professionally trained librarian in the preparation of his first term paper in order to acquaint him with the resources of the Library and to facilitate his use of them. An appointment for this service may be scheduled at the circulation desk.

1. The Student Government of the College requires that a student refrain from unnecessary and loud talking in the Library rooms.

2. All books borrowed from the Library except reserved books should be charged at the circulation desk. If necessary, a book may be recalled by the Librarian at any time.

3. Most books may be kept out for two weeks, subject to a fine of two cents a day after that time. Library fines unpaid after a month's duration are reported to the Dean of Students.

4. Books which are on reserve may be borrowed from the Library at 9 p.m., to be returned by 9:15 a.m. the next morning; or 5:30 p.m. Saturday to be returned by 2:30 p.m. Sunday. A fine of twenty-five cents for each book will be charged if it is not returned on time and an additional charge of five cents an hour until it is returned.

5. Current numbers of periodicals may be borrowed from the Library on the same schedule as books on reserve; however, the fines for the late return of periodicals is double that of books on reserve (fifty cents for each periodical not returned on time and ten cents an hour for each additional hour until it is returned to the Periodical Desk). Not more than three periodicals or three issues of a single periodical may be borrowed by one person overnight.

6. Books in the reference department may not be taken from the Library at any time.

GENERAL INFORMATION

The College Infirmary

The David J. King Infirmary is located on South Boundary Street. Dr. B. I. Bell of Williamsburg is the College Physician, and a staff of four nurses is on full time duty. The nurses are: Sue M. Hartsfield, Virginia Northington, Mrs. Edward F. Lodge, Mrs. Charles E. Chandler.

Office hours for both men and women for infirmary treatment are: 7:30-10:00 a.m.; 12:30-2:30 p.m.; 6:30-8:00 p.m. For Dr. Bell, office hours are from 9:00-10:00 a.m. and from 6:30-7:30 p.m.

You are asked to observe these hours except in cases of emergency.

Laundry

The College Laundry handles all of the students' laundry. Laundry will be collected at the dormitories on Monday and Wednesday mornings. The Laundry office will be open for students to get their bundles from 8:00 a.m. to 5:00 p.m. Monday through Friday, and from 8:00 a.m. to 1:30 p.m. on Saturday.

Mail

Mail is delivered to all sorority houses. Students not residing in these buildings may either rent post office boxes at $1.00 a quarter, or receive their mail at the General Delivery window. In order to be assured of getting a box, students should request them as soon as possible after entering school.

Lost and Found Office

The Lost and Found Office is located in the Office of the Registrar, 116 Marshall-Wythe Hall. Students are requested to turn in all articles found to this office where they may be identified and recovered by their owners.

Cafeteria books should be turned over to the cashiers in the cafeteria.
The Wigwam

Text books, both new and used, and other student supplies, may be obtained at The Wigwam. This store was established five years ago by the Board of Visitors for the use and convenience of the student. Net profits from The Wigwam and the soft-drink concession are used for scholarships to students.

Student Emergency Loan Fund

Small sums of money, up to $10.00, may be borrowed at any time from the Office of the Chairman of the Committee on Student Aid or from the Office of the Assistant Dean of Women. No interest is charged, but students should repay these loans as soon as possible in order that others may have the use of the money. Students having need of larger sums should consult the Auditor. The Student Emergency Loan Fund was established by The Friends of the College of William and Mary.
The College assumes that men and women of college age are able and willing to maintain standards of self-discipline appropriate to membership in a college community. Therefore, the College purposely refrains from promulgating a rigid code of discipline. However, it reserves the right to take disciplinary measures compatible with its own best interests.

The discipline of the College is vested in the President by the action of the Board of Visitors. Cases involving minor infractions of discipline are handled through the offices of the Dean of Men and the Assistant Dean of Women respectively. Serious infractions are considered by the Discipline Committee, which represents administration, faculty, and students.

Aside from cheating, lying, and stealing, which fall under the Honor System, and infractions of the rules set down by the Women Students' Government Association and enforced by the Judicial Committee, the fundamental test for disciplinary action by the College authorities is whether the behavior complained of tends to throw discredit on the name of the College of William and Mary, or to manifest ungentlemanly conduct on the part of the students.

Hazing or the subjection of a student to any form of humiliating treatment is forbidden. The hazing of students in a state supported institution is a violation of the laws of the Commonwealth of Virginia. The College regards any evidence of the misuse of alcohol as a serious breach of accepted standards of deportment, and such abuse is punishable by probation or dismissal. By regulation of the Board of Visitors students are not allowed to have automobiles except by special permission of the President. Violation of this regulation will result in summary dismissal. Firearms may not be kept in the dormitories. They should be deposited in the office of the Dean of Men.

In general, the College strongly disapproves of all forms of vandalism and disturbance. Students who deface property or destroy fixtures will be dealt with summarily. The defacement or destruction of state property is a violation of the laws of the Commonwealth of Virginia. Students who through noisiness or other disturbance continually annoy their neighbors will be asked to withdraw.
Manners and behavior that would not be tolerated in the student's home cannot be tolerated in the classrooms, the dining halls, or the dormitories. The College highly approves of regular habits of living, and these include hours of rising and retiring that are compatible with regular classroom appointments and regular study habits. Long experience has shown a striking correlation between irregular and slovenly habits of living and lack of adequate performance in the classroom. Students are expected to keep their rooms reasonably clean and tidy at all times. It is important that the students' rooms be as presentable as the College grounds, the classrooms, and the dining halls.

II.

Any undergraduate who marries without the full knowledge and consent of his or her parents will be required to withdraw. Such consent must be submitted to the College in writing by the parents prior to the marriage.

III.

Students are expected to be present at all their regularly scheduled classroom appointments. This rule applies especially to the periods just preceding and following the Thanksgiving, Christmas, and Spring Holidays. Absence at such times interferes with the orderly progress of academic work and is contrary to collective interests of the College. Students who do not conform to the catalogue regulations respecting attendance at such times will be placed on Absence Probation. Students also who fail to meet a registration date will be placed under such probation. For a second offense a student will be required to withdraw from the College.

Attendance rules do not apply to students on the Dean’s List.

At the Christmas recess all residences for men and women students close at 12 noon on the day following the end of classes, and re-open at noon on the day before the resumption of classes. At the end of the session the residences will close at 12 noon on the day following graduation exercises. Students may not remain in the residences beyond 12 noon on the days specified. Exception will be made for those men who are employed through the College, in which case arrangements must be made with the Dean of Men.
IV.

Students desiring to have overnight guests in any one of the dormitories or sorority houses are required to make arrangements in advance with the Assistant Dean of Women or the Dean of Men, as the case may be.

All guests must be registered with the Hostesses in the residences for women students, and with the Hostesses or Student Dormitory Managers in the dormitories for men students. Visits of such guests should be limited to three days and confined to week-ends. Guests will not be entertained during the periods of examinations.

V.

In order to maintain a proper balance between hours of employment and academic loads, the College requires that all student employment on the campus or in the city be assigned by the Chairman of the Committee on Scholarships and Student Employment.

VI.

The social standing of every student is identical with the academic.

VII.

The College reserves the right at any time to suspend or dismiss a student whose conduct or academic standing is in its judgment unsatisfactory.

Registration as a student of the College of William and Mary implies that the student will familiarize himself with those general regulations governing the conduct of students, and that he will abide by such regulations as long as he remains a student of the College.

Activities

Colonial Williamsburg

The educational facilities of Colonial Williamsburg are available to all students enrolled in the College of William and Mary.

Students at the College of William and Mary are issued complimentary tickets which give them the privilege of visiting the exhibition buildings at their convenience and as often as they desire. These tickets may be obtained at the Goodwin Building where the administrative offices of Colonial Williamsburg are located.

This cooperative agreement with Colonial Williamsburg will make it possible for students to have a unique opportunity to study colonial history and culture. Freshmen are urged to visit the restored buildings as early as possible during their freshman year in order that they may know what is available for them.

The William and Mary Theatre

Four plays are produced each college year by students under faculty direction. Presented during the 1946-47 season were: *Arsenic and Old Lace* by Joseph Kesselring; *Arms and the Man* by George Bernard Shaw; *Comedy of Errors* by William Shakespeare; *Joan of Lorraine* by Maxwell Anderson. Any interested student may try out for a part in the plays, or assist in the making of sets and costumes. Season tickets for the events may be purchased early in the school year.

Students are urged to participate wisely in extracurricular activities. (See the point system on page 51). But for participation students must meet the requirement on page 40 of the Catalogue for 1947-48.

Music

*The William and Mary Choir*, open to men and women students and membership obtained through tryout, is an organization of sixty members which aims to cultivate a taste for the best in a cappella musical literature, both sacred and secular. The Choir sings at the
weekly chapel services, at convocations, at special exercises, and presents concerts on the campus. Besides the campus activities the Choir makes trips out-of-town in order to give concerts. During the 1946-47 College year the Choir presented concerts in Richmond, Roanoke, Salem, Hampton, Hopewell, St. Helena, Norfolk, and Bluefield, West Virginia. Special radio broadcasts are given also during the year. The Choir has been contracted to sing for the symphonic drama "The Common Glory" written by Paul Green and presented at Matoaka Theatre near Williamsburg.

The William and Mary Singers, open to men and women students and membership obtained through try-out, is an organization of sixty members which aims to give training in ensemble singing to qualified students. The Singers furnish music for chapel services, take part in graduation exercises, and present concerts on the campus.

The William and Mary Chorus, composed of women students, and the Men's Glee Club offer additional opportunity for training in ensemble singing. Membership in each of these organizations is obtained through try-out. These groups sing occasionally for chapel services, present concerts on the campus, and take part in other special events.

Concerts and Lectures

Through its Faculty Committee on Lectures, Art, and Music the College presents each year a series of concerts by famous artists and of lectures by noted speakers. The concert series for the 1946-47 session brought to the campus the Kroll String Quartet; John Carter, tenor of the Metropolitan Opera; The Trapp Family Singers; and Vronsky and Babin, duo-pianists. The series for the 1947-48 session will open on November 4 with Eugene Istomin, distinguished among the younger group of pianists. Miss Frances Ycend, a soprano singer who has been receiving wide acclaim, will appear on the evening of February 4; and the distinguished dance group known as Rhythms of Spain, on March 17. The final performance will be given on April 13 by the Farbman Sinfonietta, an ensemble of twenty musicians from the St. Louis Symphony Orchestra. Because of the financial
backing of the College as a part of its educational program, admission to the entire series is open to students and faculty for the nominal fee of $3.00 plus federal tax of 60 cents. Season tickets may be reserved by students in connection with the payment of college fees or may be purchased early in the college year. The lectures are open to the entire college community without charge.

Faculty Concerts

A series of concerts is given each year by members of the Faculty in the Division of Music. For these concerts no admission fee is charged.

Exhibitions

The Department of Fine Arts brings to the College each year a series of exhibits of architecture, painting, sculpture, theatre, and industrial arts. These are open to the public and are shown in the foyer of Phi Beta Kappa Hall. The final exhibition each year is devoted to the work of the students in the drawing, painting, sculpture, architecture, and theatre classes.

Varsity Show

Each spring the Backdrop Club presents an all-student Varsity Show, a musical review written, produced, and directed by members of the Club. Talented students are urged to join in either production or technical work.
Positions on the staffs of the several student publications are open to all students with the requisite training and ability. Selections to the staffs are made after tryouts which are held in the fall of each year. Freshmen are eligible to compete in these tryouts.

President .......................... Warren Sprouse
The Students of the College of William and Mary offer to you, the Class of 1951, a hearty welcome. Each of you upon entering the College brings a different background of experiences. It is one of your jobs while here to make full use of these experiences in every phase of college life.

We all have a common aim; in fact one of the primary aims of education is to develop our character and attitude. This ultimate goal of our college life can be attained, as anything else of value, by offering as much as we expect in return.

A great deal has been achieved in the past year. Among other things, a more liberal attitude has been taken toward the Women's Social Rules, and an extensive plan has been undertaken toward the improvement of the College in regard to physical repairs. We are quite proud of our campus.

However, we might add that no improvements, nor progressive systems may be undertaken successfully without cooperation between the students and the administrative officers of the College. In effect, it puts on the shoulders of all, the responsibility for the improvement and maintenance of our standards, both academic and social.

Paragraphs are not necessary to say that our world is in need of good leaders. This College is prepared to offer the education to the men and women who will answer this need. The final decision, in regard to the use made of it, is up to us.

President of the Student Body.

TO THE CLASS OF 1951
FROM THE JOINT HONOR COUNCILS:

One of the priorities of the College of William and Mary, and one which we cherish above all others, is the Honor System. This system emphasizes individual responsibility in the upholding of honorable ideals and principles as we live in our college community. The purpose of our honor code is not only one of regulation, but also education. Its aim is to create an environment most favorable to the development of honorable traits and behavior. The Honor System operating at William and Mary today is the same one that has been in effect since its establishment in 1779. It has been only slightly modified.

The Men's and Women's Honor Councils are elected by the students; they are chosen by you to deal solely with infractions of the code. Breaches of the system are lying, cheating, stealing, and failure to report an offense. These breaches are punishable by suspension, dropping of credits, and dismissal from college, depending upon the seriousness of the case.

During the orientation period, the student is instructed in the mechanics of the Honor System. It is assumed that the student is willing to adhere to these principles during his stay at William and Mary. He is asked to sign a pledge card stating that he will abide by the system and uphold its principles.

For the most part, the students themselves must be responsible for and take the initiative in reporting those whose conduct is dishonorable. The Men's or Women's Honor Councils will investigate and administer punishment.

We wish to stress that the Honor System, as it upholds decent human behavior, is part of our student gov-
ernment and was chosen by the students. It embodies ideals that are not only essential to our college life now, but in our future community lives as well.

We feel certain that you new students will strive to maintain our Honor Code and live by its standards.

THE HONOR SYSTEM

Personnel of the Honor Councils

The Men's Honor Council is composed of three senior representatives, three junior representatives, and one sophomore representative elected by the men's student body. A President and a Vice-President are chosen by the council from among the senior representatives and a Secretary is chosen from among the junior representatives.

The Women's Honor Council is composed of a Chairman and two additional senior representatives, three junior representatives, and one sophomore representative elected by the women's student body. A Secretary is chosen by the council from among the junior representatives.

Practices

Upon matriculation, each student shall sign a statement to the effect that he understands what is expected of him under the Honor System and that infraction of the Honor Code at any time during his student days is punishable by dishonorable dismissal from College. Infractions include cheating, stealing, lying, and failure to report an offense. A professor may require the signing of a formal pledge on any work, even though the initial pledge stands as long as the student is enrolled in the College.

All scholastic work, whether it be in the lecture room, the library, the student's room, or elsewhere is under the Honor Code. All cheating, whether in tests, assignments, or examinations is a violation of the Honor Code. Giving aid to any student or receiving aid from any student, without the consent of the professor, in tests, assignments or examinations, is cheating.

The faculty will cooperate in explaining whether or not aid may be given or obtained on a particular assignment.

Physical comfort, as well as usual practice, suggests that students shall occupy alternate seats during an examination. In consideration for others, students should not disturb a class by leaving the examination room except
when necessary, or by remaining absent except for a brief period.

Since the student body assumes the responsibility for the administration of the Honor System, the College does not practice supervision of examinations by proctors.

Reporting a Breach of Honor

Any student believing that a breach of the Honor Code has been committed is obligated to exercise one of two alternatives: first, he may challenge the student accused of the act and offer him the opportunity to resign from the College immediately, or to report himself to the Honor Council (if the accused does not report himself to the Honor Council, the accuser must report the case); second, he may report the suspect directly to any member of the Men's or Women's Honor Councils. The failure of a student to fulfill this obligation constitutes an infraction of the Honor Code. A student accused of a breach of the Honor Code shall be entitled to know the charges against him, the evidence given, and to be confronted by the witnesses.

Trial of the Accused

At the trial of the case, the President shall conduct the meeting. Minutes of the trial shall be kept by the Secretary. These minutes shall be the property of the Honor Council, whose duty it shall be to see that they are stored in the College vaults.

At the trial the accused shall be at liberty to say what he chooses in his own defense. Witnesses are upon their honor to disclose all pertinent facts. Lying before the Honor Council is in itself a violation of the Honor Code.

The minutes of any trial may be inspected in the presence of two or more members of the Council by persons satisfying the Council of their legitimate interest in the case. In the event that the accused is declared innocent, the minutes of the trial shall be immediately destroyed.

Failure to Stand Trial

Should the accused leave the College without appearing before the Honor Council for trial, the accuser shall
report the name of the accused and the breach of honor to the President of the Honor Council. The Honor Council shall then record the facts of the case and advise the President of the College that the student withdrew under suspicion of a breach of honor.

**Penalty for a Breach of Honor**

A violation of the Honor Code is punishable by dismissal from College. The essential basis of the Honor System is that all honor is indivisible and as such calls for the same treatment; but the penalty may be modified when in the opinion of the Council conclusive reasons for so doing exist.

If, after trying a case, six of the seven members of the Council are convinced of the guilt of the accused and shall so cast their votes in a secret ballot, the Honor Council shall immediately report its findings and recommendations to the President of the College.

Penalties shall be imposed promptly and in case of dismissal, the President shall inform the parents and the Alumni Secretary, and have the facts recorded on all official records.

**Retrial of Honor Cases**

A case may be reopened upon the presentation of new evidence bearing directly on the question of guilt. Persons desiring to reopen a case shall appear before the Honor Council to present such new evidence, and the Council shall determine whether this new evidence is sufficiently conclusive to warrant a retrial. Should the case be reopened, it must be entirely retried.
A WELCOME
TO THE NEW WOMEN STUDENTS
FROM THE EXECUTIVE COUNCIL

The Women Students' Cooperative Government Association wishes to extend a very sincere welcome to the Class of 1951 and to all new students.

Each of you automatically becomes a member of this organization when you enter the College of William and Mary. We are proud of our self-governing system and hope you will share with us our feeling of pride and respect.

The Association was organized because the women students, believing in self-government, wanted a greater voice and responsibility in the conduct of their affairs. The work of the organization is carried on by three councils with the aid and advice of the faculty and administration. Our aim is to represent and further the best interests of the women students.

This aim can be accomplished only with the help and cooperation of each individual member, which means that each of you must assume a definite responsibility. You should help the officers of the W.S.C.G.A. represent you the way you want to be represented.

We hope that each of you will realize the important role you have to play in Student Government, and that you will have a genuine interest in the work of the Association. The greatest asset we can have is a student body with an appreciation of the ideals and principles of student government and with a sincere belief in its value; also, a student body that has a sense of individual and group responsibility, and of personal dignity and integrity.

We hope to find these qualities in you, who are now members and prospective leaders of the Women Students' Cooperative Government Association.

A MESSAGE TO THE
CLASS OF 1951 FROM
THE JUDICIAL COMMITTEE

The Judicial Committee wishes to extend a sincere welcome to you who are now new students at the College of William and Mary. In order for Student Government to function efficiently, it is essential that you, its members, accept the responsibility of making, understanding, and abiding by its regulations.

In your orientation program you will become familiar with the regulations as they now stand. You will each be given the Women Students’ Government handbook that may be used for study and reference throughout the year. Should questions arise in your minds, the representatives on the committee, your housemother, house president, and house committee are always there to clarify the regulations. After instruction in the meaning and operation of the social, house, and park regulations given by your upperclassman sponsor, you will be given an examination. Upon passing it you will be expected to conform not only to the letter but to the spirit of these rules.

It is the function of the Judicial Committee to interpret these rules and to deal with any violations of them. Each year the committee makes a thorough investigation of the existing rules in order to clarify them, revise them if necessary, and thus eliminate any undue restraint. If revisions are accepted by both the students and the administration, they are then embodied in the rule book for the next year. In this way the Judicial Committee attempts to see that each rule has a reason for its existence and that the regulations are as clear and fair as possible.

We hope that you will make conforming to these rules an integral part of your college life. Student government can be successful only so far as each one of you feels a responsibility towards upholding its principles and the high standards of the college at all times.

HELEN THOMSON, Chairman
Judicial Committee.

Regulations Governing Fraternity and Sorority Social Affairs

1. A proposed calendar of events planned by a fraternity during each semester must be submitted to the Assistant Dean of Women at the beginning of the semester. This proposed calendar should include dates of regular meetings, pledgings, and initiations, as well as dates of parties, dances, serenades, receptions, teas, and other social events contemplated by the group. The proposed calendar will be reviewed by a Sub-Committee of the Committee on Students' Recreation which will return an approved calendar to the fraternity.

2. (a) No more than three dances or parties can be held by a fraternity during the session and not more than two such parties can be held during any semester. For the purpose of these regulations a party is defined as a dance, dinner, (attended by both men and women students), or dinner dance. (b) No more than one picnic and one hay ride can be held by a fraternity during a semester.

3. Parties or dances are not permitted to be held off the campus except at the Williamsburg Lodge or Williamsburg Inn.

4. No dance, party or student event may be scheduled unless a request is made at least three days prior to the day of the party.

5. Before a dance, party or social event is held, a complete list of chaperons and guests must be submitted to the office of the Assistant Dean of Women before noon on the day of the party. Names may not be added after this hour. Chaperons must be persons associated with the College.

6. Parties may be held on Friday or Saturday nights only, except on special occasions specifically approved. No parties will be allowed on Saturday nights when College dances are scheduled.

7. Fraternity activities will not be scheduled in conflict with College convocations, lectures, plays, musical events and similar College functions.
8. Parties held on Friday and Saturday nights must be brought to a close in time for the women to be in their respective houses at 12 o'clock midnight. Picnics, hay rides and such other affairs must be brought to a close in time for the women to return to the campus by 8 p. m. Parties held on special occasions must be brought to a close in time for the women to be in their respective houses by 11 p. m.

9. Any fraternity which has been placed on probation by the College will be denied the privilege of scheduling social affairs.

10. Each fraternity is held responsible for the conduct of its members and guests in conforming with these regulations and with standards appropriate to a college community.

11. The privilege of holding parties on special occasions, subject to such rules as may appear desirable in each case, may be granted at the discretion of the Committee on Students' Recreation.
Facilities

The George Preston Blow Gymnasium was built in 1924. In this gymnasium are two basketball courts, swimming pool, five handball courts, volley ball courts, showers, lockers, trophy room, athletic administrative offices, and social room.

The Women's Gymnasium and swimming pool are located in Jefferson Hall.

Gary Field Park, named in honor of T. Archibald Cary, provides the following facilities: tennis courts for men and women, hockey field for women, archery range for women, baseball field for men, stadium for football and track and field athletics, with a seating capacity of 9,000, practice fields for varsity and freshman football, and space for softball and intramural games.

ATHLETICS FOR MEN

Physical Education

Two years of Physical Education taken during the freshman and sophomore years with a passing grade each semester (continued during the junior and senior years in the event of an incomplete or failure) are required of every student for graduation from the College of William and Mary. (One credit each semester.)

The Physical Education program is organized and conducted to give every student skilled instruction in a number of activities. The policy of the department is to allow students the opportunity to select activities. Instruction is provided in the following activity courses: Badminton, Beginning Swimming, Boxing, Basketball Fundamentals, Golf, Group Games, Handball, Individual Athletics, Life Saving, Soccer, Softball, Track and Field, Touch Football, Tumbling, Tennis, Volley Ball, Water Polo and Wrestling.

A special course in adapted sports is offered for students with physical handicaps.
Intramural Sports

Provision is made for participation in the following intramural sports: Badminton, Horseshoes, Touch Football, Tennis, Track and Field, Boxing, Wresting, Swimming, Soccer, Volley Ball, Softball, Steeplechase, Foul Shooting, Handball, Table Tennis, Shuffleboard, and Basketball. Because of the body building, social, and character-forming values of competitive sport, every encouragement is made to have students enter into one or more forms of intramural athletics. Schedules are arranged for dormitory, fraternity, and independent competition.

Intercollegiate Athletics

The general supervision of athletics for men has been delegated by the President to the Faculty Committee on Athletics.

The College is a member of the Southern Conference, and the Chairman of the Faculty Committee is charged with administration of the Southern Conference rules on eligibility.

A competent staff of coaches provides instruction in various sports. A full program of intercollegiate athletics has been scheduled for the 1947-48 session.

Athletic activities for women are sponsored and supervised by the Department of Physical Education for Women in close cooperation with the Women’s Athletic Committee. The intra-mural program is set up to meet the recreational needs of the women students. It offers many opportunities for participation in a wide variety of activities and the chance to win recognition for participation and skill.

Membership in the Women’s Athletic Association. All women in College are eligible to participate in all intra-mural activities and to try for awards.

Officers. Student officers are elected in the spring of each year. These officers, along with three members of the faculty, appointed by the President of the College, make up a committee which forms the policies of the organization.

Intra-Mural Activities. These activities include tennis, hockey, swimming, table tennis, and bridge in the first semester; basketball, badminton, softball, archery, song contest, in the second semester.

Participation. Each dormitory or sorority enters one or more teams.

Point System and Awards. Teams receive points which are accredited toward yearly awards for the residence groups, and each individual receives
points based on her team's standing in various tournaments. An intra-mural emblem is given to an individual for 350 points, and a gold medal for 500 points when the requirements for distribution of participation have been met.

*Varsity Athletics.* Try-outs are held for places on the tennis, hockey, basketball, swimming and fencing teams. Limited intercollegiate competition is arranged. Monograms and gold stars are awarded.

*Clubs.* Clubs are sponsored by faculty members of the Physical Education Department. They include the Monogram Club, Fencing Club, Water Safety Corps, and Orchesis. Orchesis is the dance club sponsored by the Department. Membership in the Fencing Club and Orchesis is through try-outs.

*Officials.* Women students may try for ratings in tennis, hockey, soccer, swimming, basketball, and softball through the local rating board. Tournaments are conducted by rated women officials.

*Facilities.* The women's gymnasium, swimming pool, and offices are located in Jefferson Hall. Playing fields, field house, archery range, and tennis courts are located west of the campus. FOOTBALL SONGS AND CHEERS

Fight, Fight, Fight for the Indians
Oh, we will fight, fight, fight for the Indians
When the Indian Team appears;
We will pull like hell for the Indians
When they hear our mighty cheers.
    Wah-Hoo-Wah!
We will circle the ends for the Indians,
And we'll romp right down the field—
' Touchdown! ' Touchdown! Indians!
And.......... (opponent).............line will surely yield.

Indian Warrior Song
Wa-Hoo
Way down in old Virginia long before the
white man came
Wahoo-oo-oo; Wahoo-oo-oo.
There lived a famous Indian chief, and
    Wahoo was his name.
Wahoo-oo-oo; Wahoo-oo-oo.
War was his one great delight,
And when he went out to fight,
This refrain would echo through the night:

(Chorus)
Sing a song to our fighting men,
A song of victory
Sing along while they win again
For William and Mary.
The brave of the bravest, fleet and strong,
They're going to win, it won't take long, so
Sing a song and our praise renew
To our fighting men and Wa-Hoo.

Green, Gold and Grey
When the green, gold and grey
Go out on the field today,
We're going to win that game,
We're going to spread our fame.

O, when the green, gold and grey
Go crashing through each play,
We're going to win, we're bound to win,
We're going to win today. We're going to
    win today.
