Dear Sir: 

Enclosed you the form of an order—one or two—now (here) you will find either of the parties. Mr. Franklin I have not seen for some time. 

Col. J. R. Dickson is not here at this time; but has been here today. I am to be here with you a week or two. 

Wm. Medlin has me a file of the completed in the library. 

I should like to have some papers in his desk in the proper workings. I hope that may be in the Happening. They must receive this. 

I hope you may receive your health, same yours truly,

P. Wetten, Esq.
