

Fredricksburg July 13th. 1841

Dear Sir

This day Maria Lewis a free Colored girl has been adjudged to be a Lunatic, according to law, and has been sent to the jail of this Corporation until she can be received into a Lunatic hospital. By the warrants I have been directed to carry her to Wellenburgh. You will therefore please say as early as possible if there is a vacancy for her in the hospital under your superintendance.

Very Respectfully
