IIIinois, and a Doctorate in music and music education from Columbia University.

A graduate of the University of Texas, Dr. Fehr received his master's degree in music from

the University of Michigan. He holds a degree in church music from Concordia College in

A graduate of the University of Texas, Dr. Fehr received his master's degree in music from

Chicago. Dr. Fehr is a versatile conductor and has guided the successful development of a

choral program at a number of institutions. His work has been recognized nationally and internationally.

His experience in church music and his dedication to the development of choral programs makes him an

outstanding conductor. Dr. Fehr is a member of the American Choral Directors Association and has

directed numerous choral ensembles on the college and university levels.

Dr. Fehr is a member of the American Choral Directors Association and has directed numerous choral

continuums, including the prestigious William and Mary College Choir.

GENERAL INFORMATION ABOUT THE WILLIAM AND MARY CHOR
The Choir has appeared on television and been broadcast over national radio networks and Virginia stations. It was most recently heard on the NBC-Radio series, "Great Choirs of America" February 19 and 26.

Having pressed two record albums in 1948 and 1950, the Choir pressed long-playing discs in 1954 and 1959. These twelve-inch microgroove recordings, custom-processed by the RCA Victor Division of the Radio Corporation of America, have been praised as examples of superior work in the field of choral music.

The Choir's tour this spring is being sponsored by local William and Mary alumni chapters in Virginia, in cooperation with Alumni Secretary, James S. Kelly.

George Washington received his first and last commission of public office from the College of WILLIAM AND MARY in 1789.

The College of William and Mary in Virginia is widely known as the "College of Foresters."
number of William and Mary students moving and studying abroad.

In order to bring more foreign students to the William and Mary campus, and to increase the study in England, recently the Student Association for International Exchange was established from the British Isles to William and Mary, and send two students from the Virginia campus to large "international dormitories." Two exchange students simultaneously bring a part of young people of college in Wiliamtown has a national and international student body. An example of the College.
