A GIRL SCOUT MEETING – c. mid-1930’s

MYSTERY PHOTO -- Except for a date (1938) and a few guesses about the names of these students crossing the intersection of Henry and Scotland Streets, the occasion and the names of the participants is unknown so far. Obviously a Matthew Whaley group, however.
Another as yet unidentified group of Matthew Whaley folks. In the same location as the one on the other side, but made up of older students. Look familiar?
