Archibald Woods, Wheeling, Va

Folder 1429.

Woodsfield March 15th 1824

Honored Sir I rec^d yours dated
9th Feb. but being from home I
did not receive it untill now
which is the cause of my not answer-
ing your letter sooner

you have written that you expected me
to work for you last fall and
I had made my arrangements accord-
ingly but not receiving any letter
from you and expecting that you
would write me a letter on the
subject as was agreed did not come

My health now being impaired
makes it impossible for me to go
to Philadelphia for to do your work
and I shall have to make other
arrangements with you when you
come here
