Re: Taxes; rental

dear Sir, I had a very rough trip to
Woodford —

I had your tapes for 1834 in Man-
more County — 125 acres — 3.44.6
80 do — 109

House & Apple lot in Woodford 4.96.6
9.98.6

For Slon. Woods' hire — 3.33.9
813.32.6

I'd better have offered to give you
the same that your own Southern
for the house in Woodford, to pay \$100
down, & \$100 per an. with interest from
date — he says that the house is
not taken care of, & that it will not
be worth as much by the time as when
you got it — I should advise you to
take his offer, if you have no better.
My son wants it but he would not
open to pay interest — I will bring o-

my reports to your family
Very respectfully your friend
