

Dr Anthony Sayle to Kentucky June 9

1800

Yours Absolut of the 19th of April came safe to

and which secured the 20th of May and not before, in which you

have desired Jemmy to take the Deposition of Joseph Hawkins wife &

have told me you have given notice to the Justice that these Depositions

would be taken the 21st day of May therefore would do nothing in

this business as she is now taken two days too late, I have therefore one

copy of the Jemmy to you to send out whether if thought me young & give

him enough with the notice, and solicitations to it, I have considered them

Mr. Robinson wrote on the subject and neither of them remembers ask

ed by the name of Holt or Holtly of the Jemmy or James Gray or any

of those names says he father Dennis a Woman that was called Officer

Jemmy that Mr. Robinson enquired after the death of his father said his

probability that had a daughter by the name of Holtly that she recollects

the Jemmy had two daughters but neither of them was by the name

of Holtly that the Jemmy look up with a Whittaker man he is thinking of

John Fulkers and did then in the neighborhood of which they say

but there might be some information collected in his power. I have

enquired of my horse the 21st day of May and tells me he came out with

a man by the name of Nathan Williams he appears to be very anxious

to continue with his family of ~~some~~ ^{some} ~~persons~~ ^{persons} to take

him myself at the place he told you as I would not wish you should

be so knowing your mother in purchasing him, I have sent you

by Jover Middle Eggleston two Runners who thank you for the Dollars

equal to 2 Dollars which I will thank you to send me a receipt of

for I enter to my friend for space likewise pay the legation Equ

As soon as a Patent can be got. Majors has promised me to let
me know and inform me of the best Price that can be got, the Scar-
city of money in this Country has checked all Sales, that had a tention
fitted to have sold. Scarce for cash at this time I expect ~~at this time~~
it would have been difficult to have got half what he asks,
I must say something to you respecting the Suit Pottin & Dick vs
Thomas & Davis. There was a Suit brought in Queen's Court and the
Atty. Employed always told me that would be a judgement on
Febry or March last without any Difficulty, I sent into bond
agreeable to his directions for the Good and delivered it to him, and
at May Levington District Court he informed me the Atty. in
behalf of Davis has taken some undue advantage of him and of
Consequence was dismissed he has advised to bring the Suit in the
Federal Court and he says there will be no doubt of a judgement,
which I propose to do in the Course of next week and file all the
requisites in the Office that is for me to do, the money due from Baker
is not received (that part, belongs to Job. Pottin) but when safe as there is
in my opinion no Good Security and the title still in the hands of Condon,
with respect to Uncle Egglestons land, my ill health has kept me from
travelling much from home for a considerable time. I have been told there
is some ~~part~~ ^{part} ~~of~~ ^{of} ~~the~~ ^{the} ~~same~~ ^{same} ~~that~~ ^{that} has clear small places but
Mr. Matthews being furnished with no money & scarce himself could
not enter into a Suit with them, which I suppose was the reason that
from the best Information I have been able to collect Egglestons must
be the best. I therefore suppose it might be well for Uncle Eggleston to
furnish Matthews with money to pay on a Suit vs the above persons,
for my part I should be very glad to have my part laid off & a title
I think it will be as well for the Sons of Uncle Eggleston which he gave
it to, to con-
