Dear Dr. Smith,

Regarding the request for information on the astronomical data you sent, I must say that I was unable to find any record or notes related to the specific dates or events you mentioned. I have searched through the available resources and records at my disposal, but I did not come across any pertinent information.

I would recommend conducting a more thorough search using specialized databases or archives that might hold such records. If you have any additional details or context, please let me know, as it might help narrow down the search.

Thank you for your patience and understanding. I hope we can find the information you are looking for soon.

Best regards,
