Dear Friend

I have collected your note and cobs from Stover, principal and interest of both £440.92 which is subject to your order, I don't expect to get the rest until Stover gets home from the west. Cobb writes me that he needs the money I owe him, but that you told him at Milledgeville that there was some twenty dollars due me from your practice. If you will will apply all that is available of it to pay Cobb, you will accord greatly to the obligations I am now under. Truly yours,

Sirs,

Syndey Buntis

presents an affidavit to me against the estate of Richard Buntis, deceased, for one hundred and forty eight dollars, for bush lent in 1834 and 1835, with only his own affidavit to it. I told him that I could not pay it unless it was decided by law that I should pay it. I have always understood that an amount for bush lent could not be collected above a certain amount. Whether it is law or not I do not know. You doubtless know and you will please inform me if it is right for me to pay it without an investigation in your opinion let me know it. I know he will have to get some one to make an affidavit as to the correctness of the affidavit if he were being sued against me for the amount. I wish you to defend the case for the estate from what I have stated. Please write me in regard to it. I oblige

In addition to what I have written on the day of the appointment I asked him in the
Presence of the affairs and other what
the estate owed him. He mentioned some
small amount of seed cotton and land 8 or 9
years ago and or that he had paid that
was given to Border's Brown for 12 or 13.
Dollars. I asked him in the presence of
these men if that was so he owed him
and he said that I don't wish to keep
Syndey Bates's out of his rights but
regard it my duty to investigate any
matter that is brought against the estate
that I am not fully satisfied is correct
your complaint will much assist.

Dear Sir,

Some several years since I sent a claim for suit on a citizen of your County by the name of Solomon Bobo to the Clerk of your Court of Ordinary to wit Wm. Nelson Esq. who placed it in the hands of a lawyer by the name of Thomas who was afterwards made Judge as I was advised by Wm. Nelson.

But was brought upon the same & it is thought judgment obtained perhaps the money made.

Will you do me the kindness to see Wm. Nelson at the attorney of record & find out how the matter stands & advise me by return mail.

I have written repeatedly to Wm. Nelson but he fails or refuses to answer me. So my friend see them for me & let me hear from you by so doing [sends] a lasting favour which I will appreciate with gratitude if even it is in my power will reciprocate.

Yours very respectfully

Dear Sir:

I intended seeing you again before you left.

Dr. Glenn was called off suddenly & unexpectedly.

I left a message for you to the effect that he would settle your fee in the Roberton Case at any time & that he intended doing it at this time, and that he will expect you to represent him in the Supreme Court.

I suppose hardly necessary to write you this, but the Doctor is a mild man & was afraid that he might be considered wanting in proper attention—

I am not over that.

Whipping you for me yesterday.

Yours Respectfully

May 11, 1868.

Judge Thomas,

Dear Sir,

I have just had served on me a bill of discovery at the instance of Mr. Hammond and your name marked as counsel which surprised me from the fact that I looked upon you as my counsel in the management of my brother's affairs as well as in my brother's estate. I intend to go to thought that I had been assured your services at such.

I hope this is a mistake. The clerk in putting your name there as counsel that I shall be able to obtain your services with all if not I shall be very much disappointed as thought it was understood between us.

Ever—

Dear Sir,

I am indicted in two cases in this Court, one for carrying concealed weapons, and for assault with intent to murder. In the latter case, I expect to show that I was justified in doing what I did. My object in addressing you is to ask you what change you will make to defend me. I wish to engage your services if I can pay the fee. I am not able financially to pay heavy fees or I should not ask your charges. — Please let me hear from you at once.

Very respectfully,
