

STRIKE WITH AN IRON ARM FOR OUR WHOLE UNION.

John Metheny
and several

more of
our boys came up with me
John has the mumps but
me and him is both getting
agreat Deal better of them than
we was we expect to go back
to our company as soon as
we can the Rebels burnt
the north Branch bridge
not more then a half a hour
after we crosed it last night
I suppose they were satissins
that have been sneaking around
they are firing it up again today
our forces I expect will have
Paw Paw tunnel in a few days
but where they are going I
cant tell it is reported that

Our Regiment is going
up to Ackland but I dont
believe it I am in hopes
it will I am coming home
as soon as I can but
when that will be I cant
say there is a great many
sick in Cumberland and
a great many that had the
mumps for there was several
out of our company came
here last evening I guess
I must close for this time
no more at present but remain
yours truly
