Dear Sir,

It becomes my duty to enclose to you the proceedings of a meeting held in this City on Saturday evening last. The "Guns were fired as per Resolution" and produced a fine effect.

Very truly yours,

ONE HUNDRED GUNS!

At a special meeting of the DEMOCRATIC INVINCIBLE LEGION, held at the Democratic Head Quarters, on Saturday Evening, March 1st, 1815. The President, Hon. CALVIN BLYTHE, in the Chair. The object of the meeting having been stated by the President, William P. Whitecar, Esq. offered the following preamble and resolutions, which were read and unanimously adopted.

Whereas, We have the glorious certainty that Texas has been annexed to the United States by a joint resolution of both houses of Congress, and whereas it is the brightest day of the successful administration of President Tyler, therefore

Resolved, That we join in the general rejoicing on account of the Annexation of Texas to the American Union.

Resolved, That we tender our thanks to President Tyler for his noble and unwavering efforts to reannex Texas, and to make her a part of this glorious Union.

Resolved, That we tender the thanks of this Legion to the Democratic Senators and Representatives in Congress for their noble efforts in securing Texas to the Union.

Resolved, That our Buchanan and Sturgeon have given additional evidence of their devotion to the best interests of the country; by the course they have taken upon the Annexation question, and for which we return them our sincere thanks.

Resolved, That we congratulate the venerable Jackson for the success that has attended his efforts to add the lone Star of Texas to this Union, and thereby in his own strong language, bind the Union together with hoop of iron.

Resolved, That we congratulate James K Polk, President elect, and George M. Dallas, Vice President elect, for the success that has attended their efforts in behalf of Texas, and more especially for making their election turn upon this great question.

Resolved, That President Tyler's administration has been characterized by the great amount of good it has achieved for the country, namely, for proscribing the Bank by the constitutional veto, by its settlement of the Boundary question, and by its making a number of important treaties. By restoring the currency and exchanges of the whole country, without the aid of a Bank, and last of all, re-annexing Texas to this mighty Republic.

SANDS’ SARASAPARILLA.--

FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HA-

BIT OF THE SYSTEM.

SCROFULA, OR KING’S EVIL; RHEUMATISM; OBSTINATE CUTANEOUS ERUPTIONS; PIMPLES, OR PUSTULES ON THE FACE; BITCHES; BILES; CHRONIC SORE EYES, RING WORM OR TETTER; SCALD HEAD; ENLARGEMENT AND PAIN OF THE BONES AND JOINTS; STUBBORN ULCERS; SYPHILITIC SYMPTOMS; SCIATICA, OR LUMBAGO, AND DISEASES ARISING FROM AN INJUDICIOUS USE OF MERCURY; ASCITES, OR DROPSY; EXPOSURE OR IMPRUDENCE IN LIFE; ALSO, CHRONIC CONSTITUTIONAL DISORDERS, &c.

In this preparation are strongly concentrated all the medicinal properties of Sarasaparilla, compounded with other valuable Vegetable extracts, the whole strength of which is extracted on an entirely new principle. The great object desired is now accomplished, in the production of a remedy possessing a controlling power over supposed hitherto incurable diseases.

The afflicted, or those who may have been given up in despair, and all who are interested, are invited to make a trial of this invaluable medicine, or to call upon those who have come forward and borne public testimony of its pricelessness value to them, and satisfy themselves individually of its power in arresting and curing disease, and of what it has done for others.

The following certificate, recently received, was addressed to our agent in Madi-on, Ga. The patient was greatly afflicted with Scrofula and Mercurial affections—had tried various remedies without any benefit, and the afflicted are now invited to read what he says in reference to Sands’ Sarasaparilla;

MADISON, Ga., Aug. 5, 1844.

C. F. Hoffman, Esq.—Dear Sir: As I have derived so much benefit from the use of Sands’ Sarasaparilla, I feel it a duty I owe to the community to make the facts in my case public. I was afflicted for years with running sores and festid ulcers on my lower extremities, and also suffered severely from mercurial sores on other parts of my body, from the effects of blue pill and other mercurials. I tried remedy after remedy, but they all availed nothing, until I obtained a bottle of Sands’ Sarasaparilla, which I found benefited me very much. I continued its use until I had taken eight bottles, when I was perfectly cured. Judging from my own case, I have reason to believe that Sands’ Sarasaparilla is the very best remedy for scrofula and mercurial sores there is; it entirely eradicates the poison from the system. After four years of almost continual suffering, I now find myself a well man—entirely recovered.

Yours respectfully,

WILLIAM BARKS.

The following interesting case is presented, and the reader invited to its careful perusal. Comment on such evidence is unnecessary:
