College To Clean Academic Robes

As a result of an investigation by the Student Activities Board, it was announced in the February General Council meeting that a further revision of Article I, section I, of the constitution would be made effective beginning with the second week of March. John Dayton, for two meals a day. Records will be made for 25-minute periods with cleaning being done between 1 and 2 P.M. and 3 and 4 P.M., respectively. The department of the college, Dayton further See ACADEMIC ROBES, Page 2

A. Ray Simmons, W&M Alumnus, Addresses Business Forum Group

A. Ray Simmons, Baltimore branch manager of International Business Machines Corporation, and William and Mary alumni, made the address last week was named to head a committee of employees of IBM. Simmons is assistant director of the sales force, which has spent 20 per cent of its time on the subject of smoking and in keeping it.

Simmons estimated that the three divisions of production, exclusive by IBM. He said that of profit, the electric accounting machine division is the largest. The other two are the time-reporting division and the typewriter divison.

In response to a question about the employment of women by IBM, Simmons said, "The girls have been included in the IBM family division as auxiliaries to the organization."

Athey Vows 'Student Government Sold Down River'

Faculty Coercion Charged By Hyle

Continued from Page 1

Tuesday, February 17, 1948

As was first thought, the prime of events was in a lengthy statement to the faculty, Armstrong said. "A month ago the Co-operative committee suggested ash trays as a solution to the problem. I suggested that they go slow on this action. I believe that hundreds of ash trays on the narrow arms of the desks would be unacceptable.

At last Tuesday a faculty meeting I told the members that the Co-operative had planned to use ash trays. I did not believe the faculty would find it acceptable. I asked the faculty what they thought. I got the motion to take to the Co-operative Committee."

Armstrong said reporters that Dr. W. Warner Mosey, government department head, was the author of the "no smoking" motion, a measure which Armstrong termed "an emblazoned bill, not worthwhile because campus smoking has not been defined."

He contended: "The attempt has been made to ban smoking in the halls, because no student has to stay in the halls for an hour and the halls do not have access to the halls at all times."

Armstrong, in the presence of a Flat Hat reporter, personally interviewed three instructors in the college classrooms.

Hendrich, Dayton Condemn Ruling

Having been passed, the motion was accepted by the faculty representing the Co-operative Committee. The flat hat was accepted by the faculty representing the Co-operative Committee.

"Coercive Measure"

"Student cooperation and spirit since the end of the war has been growing with great strides. I am sure that if growing spirit is halted, assistance will be assumed."

John Dayton, the energetic senior class president, praised the "unselfish spirit of faith... of the Student Government" and called the problem as managed by the faculty "reinforced." He said: "The Student Government has worked hard and consistently all year for a measure 'even amid the storms."

"The ruling will definitely break down the moral good will which we have built up. It is a bitter pill for us to swallow."

The College was accepted by the faculty representing the Co-operative Committee. On the other side of the fence, there was alternate outspoken condemnation of the "no smoking" ordinance. Probably the most strongly worded statement was voiced by Thomas Bailey, chairman of the General Co-operative Committee.

Armstrong declared, "The student body and the Student Government have been sold down the river. The Flat Hat Assembly, which had been accomplishing a great deal, has assumed responsibility, with the approval of the General Co-operative Committee, for doing something about the mess caused by classroom smoking. Just as this project was getting under way, the faculty, considering the majority thereof, took the attitude that total prohibition of smoking was the only possible solution.

"Coercive Measure"

"The Student Government has never had a chance. This is remem-

bered as Social Control

Dr. Harold Fowler, professor of biology, Warne F. Gilbo, professor of economics, and Dr. Charles C. Marsh, professor of economics, were sharp in their condemnation of the "no smoking" ordinance. They averred that the Faculty was dissatisfied with the College classrooms because no student has to stay in the classrooms for one hour and the classrooms themselves have not been defined.

"Indiscriminate action. I believed that hundreds of smokers who have tried and compared, Camels say: "Great!"

"More people are smoking Camel's than ever before!"
The William and Mary basketball team, moving along at a fast clip, took care of business in the season, left yesterday afternoon to fly for Boston to their Lone Star. The Braves took William and Mary University and American Indians, defeating the latter two teams. The final game of the season will be on Saturday against VMI in Lexington and with Washington University.

Coach Barney Wilson's team has a strong and well-balanced squad and is expected to polish up its game in practice and get into top form for the season. The game will be played but a single game during the past week, and at home. The game will be played at the University of Virginia, scheduled for last Tuesday night. In the absence of the snowfall which blanketed a large part of the state, the game was set for Wednesday night.

The Brave's move to Boston will mark the end of the season for the team. The Braves will return to Williamsburg this week for the annual Conference game with Washington University on Saturday at 8:30 P.M. at Blow Gym.

Chet had collected 240 points in individual scoring honors in the season. The Braves played the best teams in the state and are a credit to the college. The game was won by the University of Richmond as a center, his play was improved the most during recent weeks, may find himself as the short Indians, McCracken, of Johnson City, Tenn., was named at the annual football banquet in preparation for three tough assignments.

The following are the leading players in the university football team for the season.

**Gridder's Pick**

**Lo Hoitsma, Red Caughron**

Co-captains of the 1948 William and Mary football team will be Lo Hoitsma, of Patterson, Va., and Jack Robinson. B. C. G. Caughron, of Johnson City, Tenn., is the returning tackle, and Charles Teach in the starting lineup. The team was chosen for the 1948 season, and such standouts as Ted Uhler and Charlie Teach tied the game; the Tarheels eked out a 63-61 decision.

The following are the leading players in the basketball team of the season.

**Junior Chamber of Commerce**

The team moved out onto the floor, as it was the last game of the season for the football team. The team was chosen for the 1948 season, and such standouts as Ted Uhler and Charlie Teach tied the game; the Tarheels eked out a 63-61 decision.

The box score:

**Reds**

Ozenberger, f 0 0-0 0
Stevens, f 0 0-0 0
Hollis, f 2 1-2 4
Scholbe, f 0 0-0 0

**Blacks**

Chi Omega Wins Over Theta
In Sorority Court Competition

The Flat Hat

In Sorority Court Competition, Theta and Chi Omega initiated the women's intramural basketball season. On February 17, a scrappy Theta six was virtually swamped by Chi O's 43-18. Jane Betty and Jane Obrender ran away with scoring honors having 14 and 16, respectively.

For League B, Kappa setup itself as a contender for the cup, by putting down a fighting Phi Alpha squad, 25-14. The game was nip and tuck for the first half, with Kappa's ability to make baskets from the free throw line added to their 16 and 11 points in both halves.

  9:30—Alpha Omega vs. Delta Delta

Westhampton Five Defeats Squares

The women's varsity basketball team played Westhampton on Saturday, February 14 in Jefferson Gym. The visitors proved to be a better team by winning the game 42-39.

Westhampton had the advantage all through the game because of their greater speed and ability to make baskets from any place on the floor. Their offensive and defensive plays showed that they had spent much time in working out signals and having all the players in the right position. All the forwards showed their ability to make the quality shots with good lines Sanford tallying 15 points.

Frank Hawley proved to be the outstanding player for WMH by tallying 12 points. The game being a zone defense could not withstand the attacks of the visitors.

Academic Robes

(Continued from Page 1) It was stated that last year's awards had been placed in the small cafeteria, and the苗木 above the housefather's table in the large cafeteria has been removed. Some house mothers claimed that having loud music near their table annoyed them.

Chi Omega Cagers Cling To Lead
In Fraternity Basketball Loop

Phi Tau Cagers Cling to Lead
In Fraternity Basketball Loop

Phi Tau, which earlier in the season had scored an upset victory over SAE, defeated Theta Kappa, 33-26, and then came on to nip the Flying Vets, 38-35. Gene Rambarsh poured in his mates with 18 points in the Theta Kappa game, while freshman Jim Kelly reached the double numbers in both games. Den Beckett was outstanding for Theta Delta with 16 points and Ed Anderson collected 13 for Sigma Pi.

Sigma Phi remained the only undefeated team in the fraternity league by taking KA, 34-28, for their second win of the season. Their failure to attend the last meeting of the Interclub Council gave them the temporary suspension of five member organizations.

The Clayton Grimes Biological Club, Der Stuben Verein, the Red Cross Safety Corps, the Water Safety Corps, and the World Federalists will have their votes at the council's next session.

Uhler Stars
In Swim Loss

At Norfolk Saturday night, the William and Mary-VPI swimmers defeated the William and Mary pool team by a 69 to 31 score. Two Uhler again led the Indians by taking first places in the 40-yard free style and 100-yard free style events.

Last Saturday on the indoor track in Blow Gymnasium, Coach Al Thomas held the first trials of the 1948 track season. Events ranging from the 220-yard dash to the two-mile run were held in rapid succession, and all men hotly contested. The boys went all-out for the first time this season, with several promising runners coming to the fore.

Coach Thomas was pleased with all the results and not pleased with others. He stated that trials went as well as could be expected on the indoor track. He has several individuals who have shown promise of becoming exceptional clint-men with more hard work and practice.

Several Braves Look Good
In Initial Trials For Runners

Last night marked the beginning of eight drills for the Indian harriers. They will be held regularly until the team is able to hold afternoon drills will be suspended, due to the conflicting intramurals and classes. Evening practices will enable all men in each event to meet at the same time, which will enable them to pull an accurate team. Track-men will meet at 7:30 P.M. in the gym every week.

During the course of the evening, the boys jumped but their first opportunity to use the sand-box and cross-bar. Clint Baker and Bill Low, candidates for that event, were seen moving over the bar and throughout practice. However, they were working more on form and height, and did not push any spectacular marks.

Coach Thomas has expressed some concern over the recent poor condition of the track. However, his condition is not serious, and Baker is expected back this week.

Clyde Baker, outstanding miler, has been forced to lay off for a few days because of doctor's orders. However, his condition is not serious, and Baker is expected back this week.

Several Look Good
Francis McFall, Southern Conference 100 and 220-yard dash champion in 1946, has been working strenuously to reduce excess poundage. Coach Thomas expects this as a good sign, and is hoping for a possible comeback on the part of McFall at this spring. This attitude of endeavor is reflected in the activities of all those who have reported for practice at present. There is a general increase in the enthusiasm and interest over the past few years.

Coach Thomas has expressed some concern over the recent poor weather we have been having. It is warm and rather moist and required that the team is really to eat things done. Drills have been conducted under the conditions because of the necessity of working indoors, and the ground, Dick Barzen and Bill Burnette may be seen daily doing pull-ups and twisting exercises.

From the appearance of the top 10 men on the team, William and Mary will be one of the top collegiate teams of the country again this year.

Greek Letters

Kappa Delta held a Valentine dance Friday night in the small cabaret in honor of their pledges.

Recently elected officers of Kappa Sigma fraternity are Richard D. Reinhardt, president; George J. Lez, vice-president; Robert H. Carini, stag master of ceremonies; Victor R. Marks, secretary; Patrick C. Buhseman, treasurer.

Sigma Pi announces the election of the following officers: Bob Glendoukithas, sage; Bill Williams, vice-president; Sterling Ramone, treasurer; Howard Winters, secretary; John Williams, pledge trainer; Bill Clay, senior correspondent. Pledge officers are Bob Boyd, president; Joe Darby, vice-president; Arthur York, secretary; James Warren, treasurer; Bob Hanna, sergeant-at-arms.

 Lambda Chi Alpha announces the initiation of the following pledges on Thursday, February 12: Douglas Austin, Clyde Baker, Bob Carter, George Edwards, Fletcher Hewitt, Myers Fisher, John Gravatt, Dick Lee, John Lindsay, Carl Lowery, faculty member Bill Updike, Phil Warner.

Mrs. Donald Hodge, district president of Kappa Alpha Theta, visited the house Sunday and Monday.

Pledge of Pi Alpha Phi took over the house and had a pledge night on Thursday, February 12.

Kappa Kappa Gamma announces the initiation of Suzanne Kellum, February 17, 1948.

Chi Omega announces the initiation of Phyllis Hearndon on Monday, February 9.

W. H. Miller To Open Camera Shop February 21

Miller's Camera Shop, located in the arcade of the Post Office Building, will open February 21. Walter H. Miller, the owner, of Butler, Pa., plans that he will carry a full line of camera equipment including Eastman, Asco, Bell & Howell, and Graflex.

On the opening day there will be a raffle and that night the tickets will be drawn and prizes awarded.

Mortar Board Plans Party

Mortar Board will sponsor a Smokey Party, Thursday, February 16, in Wren Kitchen, 9-2 P. M., for the top 10 students in each class to promote scholarship.

IRC Prepares List For Summer Study In Foreign Schools

In connection with its program to encourage William and Mary students to study at foreign schools, the International Relations Club has prepared a list of the colleges and universities in foreign countries which are offering summer schools for American students this summer.

This list includes schools in Canada, Mexico, Latin America, and Europe. The dates of the summer school sessions, the type of courses offered, and information concerning places where more details can be obtained are included in the list.

Students who are interested in summer study abroad may obtain one of these lists from Dr. W. Warner Mott, chairman of the department of government, in Marshall-Wythe 319, or from Miss Anne Huntington, instructor in French, in Washington 388. Opportunities to work with groups of foreign students in building youth hostels and schools in Europe are also listed.

On February 27 and 28 the official conference of the northern district of the Southeast Region of International Relations Clubs will be held at the University of North Carolina. The theme of the conference is Peace or War. The William and Mary club has been invited to take charge of one of the seminar sessions of the conference, and several of the club members are planning to attend.

J. A. McGuire Speaks To Accounting Club

John A. McGuire, acting assistant professor of business administration, spoke at the meeting of the Accounting Club on last Thursday.

The topic of the speech was "Summer Study in Foreign Schools." The next meeting will be held on March 11 in the same room at 8 P.M.

Students who are interested in summer study may obtain more details from Dr. W. Warner Mott or from Miss Anne Huntington.

For The College Students Since Colonial Days

Students who are interested in summer study may obtain more details from Dr. W. Warner Mott or from Miss Anne Huntington.

CALL 1279
Oliver To Speak
At Chapel Service
Tomorrow Night

George J. Oliver, professor of education and director of the summer session, will speak in Wren Chapel at 6:30 P. M. tomorrow.

Claiming that "this is a fateful moment for modern man because crises exist today both in terms of the cosmos and the United Nations," Rabbi Sylvan Schwartzman, director of Field Activities for the Union of American Hebrew Congregations, stated that students need a faith to face the impending chaos, at the chapel service last Wednesday.

Rabbi Schwartzman also said that we stand on the threshold of individual crises and that "never before have there been so many psychopathic people as today. The torments which gnaw psychologically and physically seem to tear the human mind apart.

"Human, individual and international man is consistently looking to things that he dreads and is searching for peace of mind, religion. It is time to learn that our institutions of science and education are of no value unless there is purpose and a worthwhile ideal behind them," he concluded.

Lillian A. Cummings
Retires From Teaching

Miss Lillian A. Cummings, professor of home economics, retired as of February 1 because of ill health," announced Dr. Sharvy G. Umbeck, dean of the college.

Miss Cummings is now in Boston and may return to Williamsburg in the future to take up her residence here.

She came to William and Mary in 1926 and was appointed professor of the home economics department in 1938. Miss Cummings received her A. B. at the University of Arizona and her M. A. at Columbia University.

Miss Jean Stewart, associate professor of home economics, has succeeded Miss Cummings as acting head of the department. Miss Stewart received her B. S. and M. A. at Columbia University.

“WHY I smoke Chesterfield
(from a series of statements by prominent tobacco farmers)

“I am at the auction sales practically every day
and Liggett & Myers buy the best cigarette
tobacco grown in this section.

“I am a Chesterfield smoker. So put me down
for that. It’s a good cigarette and I like it.”
