_Private Enclosure_

My dear gambier,

We are fighting with justice & resolution, but may in 1837, prove so pitiable a sight as to make us wish the Union had been kept. The time is near that the N. & the N. E. are to weigh the fate for G. B. Justin & Mathew in November. But the Dog Star rage & mean & only the time can tell. Would Remat rescue the southern states, as he wished, & not meet with favor & not a New York. Then do nothing else but to tell them gars & friends.
