Confidential

My dear [Name],

I have just returned to the city after spending the winter at Scotland with Mr. Buchanan. He was very kind to me, and with me very truly.

Just a moment to say that you are his favorite of all public men. This is beyond question.

He tells me that you are free to come to the place. Dr. [Name] has just issued your invitations for the reception.

Sincerely, he is greatly interested about a future solution for the Sec. of State. Best of the day to [Name].
