Glad to hear from them and to see them. Give my love to your Aunt Helie when you see her. I certainly would be glad to see her. You must write soon. Don't wait long like you have been doing for if I can't come to see you I want to hear from you as it is getting late. I must close now. Good night. I remain as ever your loving friend. Write Anthelia Hall.

Dear Lottie,

I am real sorry to disappoint you and I am real disappointed myself for I was in hopes that the mill would stop so I could go up to see you, but there is no chance of my going now for we are working long hours again instead of stopping we have to work untill after seven...
