Tyler Captures Presidencial Office, Polls 157 Votes From 477 Cast
Lyon G. Tyler of Charles City County, Va., was elected president of the student body by a 44 vote majority. He was a second-year art student, in elections on Wednesday, Feb. 18.

Of approximately 1,500 students, 447 cast votes. The other con-
dents were David B. Forster, William H. Winthwe, who received 140 votes and Roger L. Woodley, who polled 198 votes.

Tyler, who takes over the office from P. K. Clark, who graduated in February, will act as interim president until regular elections in April.

During the war Tyler was en-
rolled in the ROTC program at Richmond. He later entered Middlesex's high school in Chicago and was commissioned a lieutenant, i.e. stationed on the USS Liquid, as a new recruit in 1944.

Recalled at William and Mary,
Rushing is over, everybody has shaken hands all around and soon the men will be back in school.

Rumors of a lot of "dirty" rushing were spread wide; it was alleg-
ed that these invitations came from rooms stolen from the rooms of rushees, that one early-morning group of men tried to shift blame by identifying itself with a fraternity not its own, and that, as always, half the men in the school really desire is nothing more than a token of appreciation which brought the facts to light in the end.

The June Ball fund has now gone the way of so many "dare good ideas" and as of this writing, the Pan-Hellenic council is being returned to the three sororities that contributed the most, in order to use the interest on the fund-as distributed it. The fund seems to us a rather interesting object lesson in the value of CHANCELLOR DARDEN, there can be no need of the fund for the band.

It all started when BERNIE GOLDSTEIN sent to The FLAT his one dollar check written to us on the 130,000 Seabees Camp P. Last week there were 154,000. In the past quarter there were 175,000. Eating and spending has not been restricted by the shortage of food. Our only wonder is "Who couldn't help but remember a yes-terday when the boys in the village were "enjoying" the "luxuries of the war"? The scenes of the Battle of Agincourt with the marked contrast of orderly and rapid maneuver in movement, the English foot soldiers with their long bows and great maneuverability, and the aggressive king who conducted a show with bows and arrows and without an orderly, systematic and trained chicken.

And still another:

"Drink to Alpha Cholera, our swell fraternity. And still another:

"In the end we see the scenes of the French princess and Henry stand out as capable directors of the showing of Henry V. Shakespeare recognizes this procedure, but in-the showing of Henry V. Shakespeare, and critics throughout Shakespeare's brilliance and genius.

President's Aides, headed by BREN MACKEN, and called for the General Cooperative committee to administer the fund. Nothing happened.

A few weeks later an edict from the President's Aides came, warning that if no money could be raised to the extent desired, it would be refunded to the three sororities.

Nothing happened.

Then the Pan-Hellenic council placed itself solidly behind the fund and voted that every sorority should contribute $50 toward it.

Three sororities voted contributions immediately, while the rest expressed willingness to cooperate but indicated that no fund could be raised.

Then ANTHONY ANDREWS was appointed by the council to investigate.

He returned, and learned that the Aides had discussed the matter but reached no decision on taking it over.

The General Cooperative committee settled back in its chairs and refused to discuss the idea, but again no funds were raised.

Finally, someone— we cannot seem to put our fingers on exactly who it was, whether a representative of the Pan-Hellenic council, the President's Aides or the General Cooperative committee—took the matter to President's BREN MACKEN, and discussed the idea, but again no funds were raised.

Accrually, the fund was started because it was thought that the college was not going to underwrite the dance and this seemed a way to avoid the royal right that occurred last year when the ticket had to be sold and the money in hundreds of dollars to the sororities. Since BURSAR DUNGEY has agreed that there is no risk and that the college can afford to sign the contract, and that no other fund would place the students solidly behind something—if they would contribute.

In all, the idea seems to deserve attention. But it is interest-
ing, as in the past, to see if anything happens.

It took from November 26 to the middle of February for it to be discovered that the fund was dead.

No one ever approached us on the subject of giving any money at all, no matter how much we might have wanted to.

The students themselves just sat back and watched—or didn't watch—the parade.

It was an interesting interlude, carrying some meaning.

To Present Play
On Three Nights
By RONALD KING

Miss Althea Hunt, director of the Phila Kappa Kappa Theatre, announced that the next production, "The Happy Man," the first American Comedy of Errors, will be presented on three nights, Mar. 16, 17 and 18. Students and all other patrons may attend on any of the nights, but attendance is limited to 200 persons. The performance is limited particularly for high school students. Miss Hunt has invited several hundred boys and girls from 16 high schools in Virginia, and these students will occupy the greater part of the reserved seats section on Friday night. The William and Mary Players have, in the past, on a number of occasions, assumed new roles in the Theatrical Arts department of William and Mary. Only Kenys and Ralph Alvey have been among the two officers, who had not been assigned when the director posted the initial invitation.

Landrum Assists
Dr. Gerald Landrum, dean of women, has been of invaluable assistance to the players in the past, giving assistance in the department of physical education and sponsor of Orchesis. Professor of English and Shakespearean scholar, Dr. Landrum is familiar with Comedy of Errors.

The radio club is considering a program of interviews for the broadcast in Mar. 14, the night of the last performance. Tentatively planned are backstage talks with the cast and interviews with members of the audience just before curtain time.

Rehearsals Run Smoothly
While the players have progressed smoothly, despite illness, injuries and a number of assorted disturbances. The ill players have been able to view the performances of legitimate stage actors, for the entire cast is composed of members of the Vic. Company of London.

Orcishes To Hold Recital In March
Members of Orchesis are now rehearsing for their recital to be held in Phi Beta Kappa hall on March 29, before the college dance.

Dr. Grace Landrum, dean of women, has assembled the cast in painting last night.

Thomas Thorne, head of the department of fine arts, announced that the exhibit to accompany the girls. She is planning to go to the Women’s College of the University of North Carolina at Greensboro. Before curtain time.

REHEARSALS OF THE HAPPY MAN, produced at Phi Beta Kappa hall. The cast will undergo a complete transformation of assorted disturbances. The ill players will have four dress rehearsals before the first rehearsal, and during the interval, will concentrate on interpretation and characterization. Publishing of the play as a whole, will have four dress rehearsals before the first rehearsal, and during the interval, will concentrate on interpretation and characterization. **Indians To Engage Comets Saturday**

**Tribe Quintet To Oppose Boston Terriers Tonight**

William and Mary's Indians wind up their current season this week when they take on the Boston Abbey Terriers in their final home game against Washington and Lee on Saturday.

The game with North Carolina State, scheduled for Saturday, was postponed last Sunday because of a W&W conflict, promoted from last Friday, might be played instead.

The Tribe left yesterday on their second northern trip of the year, arriving in Boston tonight. They are slated to return to Williamsburg late tonight.

**Seven and Six**

Chas Helumin has an excellent record of 31 wins against just two loses this year. Last week, Bohan captured a game by a 12-10, 4-3, 5-0, over Kappa Alpha, and Kappa Alpha by 12 points, with 15 seconds remaining in the game. Eisen stole the ball, which was a 24-22 decision in favor of the Tribe.

There are already eight straight years of the tribe has been leading the season by personally accounting for 16 points. On the season, Eisen stole the ball, which was a 24-22 decision in favor of the Tribe.

**Comets Invade**

Wakefield and Langston's Comets invade Blow gym on Saturday, meeting the Braves for the second time this season. They currently own a 3-1 record, and the Indians have won the first two meetings by 8 points, with 15 seconds remaining in the game.

Tribe Grid Slate Features

Carolina And Wake Forest

North Carolina and Wake Forest are the two colleges in the Tarheel conference. Carolina will play its first game of the year at Wake Forest on November 8th. Both teams have complete slate lists ten engagements.

Washington and Lee, V. M. I., Boston University, and Wake Forest will form the complete slate. The schedule includes ten engagements.

Washington and Lee will be played at either Williamsburg or at Wake Forest on November 8th. The game scheduled for Richmond will be played either at Richmond or at Washington on November 15th.

Four Newcomers

Four newcomers appear on the Tarheel schedule, including the Miami University, Ohio, Davidson, Boston University, and V. M. I. Other Southern Conference foes include Virginia Tech, Washington and Lee, and Richmond.

The Boston clash is the first of a two-game series, with another meeting set for 1948. Either V. M. I. or Washington will face a challenge.

Washington and Lee was slated to play William and Mary last Friday, but thanks to a convenient snowstorm, was unable to make the trip. Therefore, some schedule rearranging had to be done. It was finally decided to cancel the N. C. Slate game, which was supposed to be played on Tompkins Field.

This will still leave the Indians with 12 Southern Conference contests, the minimum number which must be played in order for a team to be eligible for tournament consideration. The Indians will also have a better chance to wind up the season with a .500 record, since the conference schools to participate in the tourney, instead of just the top two.

It seems to us that it would be a fairer arrangement for all 16 conference schools to participate in the tournament, instead of just the top two. This is the way in which tennis competitions are handled. Why shouldn't the same pattern be followed in basketball?

**Braves Defeat Apprentices**

After holding the Indians on even terms throughout most of the game, the Apprentices team dropped a 13-20 thriller when Charlie Sokol sparked a talented Tribe rally, last Wednesday night at the Apprentices' home court.

For the first 15 minutes of the game the two teams were struggling to a draw.

In the last couple of minutes of the half the Apprentices clipped against the Indian reserves to build up a 13-20 lead at halftime.

As the second half started the Apprentices continued to roll, and after nine minutes they had piled up an 11-point advantage, 40-29. The Apprentice scoring was due largely to the accurate shooting of Ray Shetland and Emil Meier.

**Tribe Rally**

With ten minutes left, the Tribe began to pull itself back. Charlie Sokol, the center for the Tribe, opened a score of five against the backcourt. He is most versatile and is the best leader the Tribe has ever had.

Charlie has this to say, "Chicago really showed us what we have to do. The game was very close, and Charlie decided to go to William and Mary because he is well known. No present William and Mary player can post nearly as impressive a record as this."

In high school Charlie played first-string center for three years. He will make N. C. State his last two years and the 1945-46 season he captained the Typhooners to the State Championship. Seldom in three years of high school ball play has Charlie come near his maximum of points and Riddle garnered the last of her four goals for the day.

The Reserve game was also a seau battle with Westminster College, in which the Tribe emerged victorious 79-22. Gustafson led the Tribe with 10 points, while Riddle was the Westminster star with nine points. As a result of these two engagements, the Tribe is in the lead in the conference.

In the second half, a short-lived rally by the Tribe, was quashed after a 11-point rally, giving the Tribe a chance to tie up the score at 44-44. Johnny Giermak collaborated to score five against the Indian reserves.

As the second half started the Apprentices continued to roll, and after nine minutes they had piled up an 11-point advantage, 40-29. The Apprentice scoring was due largely to the accurate shooting of Ray Shetland and Emil Meier.

The Tribe starts playing very well at the forward slot. This seems to have overcome his early season maladies. With two more years of eligibility remaining, he should find himself and furnish the added punch needed so much by the Tribe this year.

**Placement Bureau Reveals Summer Job Opportunities**

Summer job opportunities have been announced by Bessie D. Corely, director of the placement bureau. Additional information on jobs and how to apply may be obtained by contacting Mr. Corely in the placement bureau, Marshall-Wytu 215.

The YMCA camp in Berwick, N. Y., has vacancies for both men and women counselors who would have some knowledge of first aid and be able to assist in a horticulture and environmental project. This position involves week-end camping and training. Applicants interested in obtaining this information should contact Mr. Corely.

Camp Carolina, Brevard, N. C., and Camp Stowe in southern Maine need men to assist in arts and crafts and other departments. Skipping cattle to war-stricken countries will provide opportunities for men during the summer of 1947. Room and board will be provided but probably no remuneration.

Camp Atarah, New Mexico, needs a male in the department of football, baseball, and basketball. Remuneration is offered according to experience and training.

Pleasant Hill Camp at Cawliss Mill, Md., needs both men and women counselors as well as a secretary for the summer. Counselors receive, besides maintenance, a minimum salary of $100 for the season.

Scout Camps Need Women

Girl Scout camps located in Tunkhannock, Pa., West Alliot, N. H., and Watervile, Conn., all have openings for counselors for various activities. One of these camps also needs a dietician and two auxiliaries. Quadrant Camps for Girls, Eliz. Vt., will also have vacancies in archaeology, campcraft, water sports, and other departments.

Harry Stinson To Attend ODK National Convention

Harry Stinson, president of ODK, men’s honorary fraternity, and a member of the college faculty, will be a delegate to the fraternity’s national convention which will be held in Washington, D. C., on March 20 to 23.

B. Ranso, president of the senior class, will be first alternate. Several other William and Mary students are members of ODK plans to attend the convention unofficially.

**Artist To Begin Work On Landrum’s Portrait**

Miss Greta Melson of New York will arrive in Williamsburg on Mon. to begin a work on a portrait of Dr. Grace Warner Landrum which will be framed by the senior class, announced that presentation will be made at the class’ formal luncheon in June.

Kemp Root served as chairman of a special senior class committee to complete arrangements with Miss Melson, who formerly resided in Norfolk. Approximately two weeks will be required to complete the portrait.

Dr. Landrum has been at Williamsburg since 1921. He is a graduate of Washington and Jefferson College, and Dean Landrum received the master of arts degree at the University of Chicago and the Ph. D. from Harvard.

**Caldwell Authors Book On History of Penal System**

Dr. Robert Graham Caldwell, associate professor of sociology at the college, has recently authored a book, "The Punitive Movement in Delaware, 1766 to 1823," under the auspices of the Historical Society of Delaware.

Dr. Caldwell has completed the work which serves as a basis for his dissertation at the University of Pennsylvania. It is now working on another book which will be published in the late spring. In 1940 he authored "Delaware Annals."

**Study of Penal System**

Dr. Caldwell’s work shows intense study of the penal system and he points out that Delaware was the first state in the union to adopt a county jail system.

A graduate of the University of Pennsylvania and a member of Phi Beta Kappa, Dr. Caldwell has since been in the sociology department of Radcliffe College, Cambridge, since 1933. He is a member of the executive board of the American Sociological Association.

**Essay Contest Deads With Industrial Peace**

Theodore S. Cox, dean of the college, has announced that the essay contest on the subject "Industrial Peace" will be taken over by John L. Woodbridge, according to Dr. Dudley W. Woodbridge has been appointed acting dean of the college.

Dr. Woodbridge has been appointed acting dean of the college because of illness. Dr. Dudley W. Woodbridge has been appointed acting dean of the college because of illness.
Land Announces Change In Hours

B. H. Land, head librarian, has announced that the library, which formerly closed at 12 noon on Saturday, will remain open until the regular closing time of 6 p.m.

Mr. Land also stated that the library has recently placed on exhibit a large collection of old manuscripts relating to the history of the town of Virginia. "Very few, the library lists, has enjoyed such success in the short time the opening has been considered," he stated.

The library has acquired over 2,000 manuscript volumes by each donation.

Among the many works are: The Randolphs; 'The Piper of Polmood' by Babin; 'Danzon Cubano' by Bach-Babin; 'Duettino Concert' by Mozart; 'Second Sinfonia, Opus 17' by Bach; and La Salut Martiniquais, a collection through gifts of family history.
