Box I
Folder I

I. Correspondence between the College and Dr. DeVita concerning the papers. Two photographs of Dr. DeVita.

II. Computer printouts of Dr. DeVita’s holdings of newscaps and publications about cancer, Dr. DeVita not the author.

III. Articles—(xeroxes). Nov. 1964 – March 1983. These are xeroxes of articles written or co-written by Dr. DeVita.

IV. Program from winter convocation, 1983, George Washington University. Dr. DeVita received an Alumni Achievement Award.

V. Congressional Testimony. Feb. 16, 1981 – May 28, 1982. These folders contain testimony by Dr. DeVita and the NCI staff and statements by congressmen on NCI appropriations hearings.

VI. Press releases.

Box II
Folders 1-13

Masterbook for NCI director. Jan. 15, 1980 - Dec. 15, 1982, 14 folders. These folders contain the NCI director’s Masterbook, a collection of testimony, speeches, memos, NCI special correspondence by Dr. DeVita (several by Dr. DeVita’s predecessor, Dr. Arthur C. Upton).

Folder 14

The Director’s Response Book:

A book of Dr. DeVita’s exact quotes on topics in cancer and cancer research.

Intramural Program History, NIH.

Dr. DeVita was asked to write a chapter on the history of therapeutic advances at NCI. These folders contain correspondence and documents concerning this project. Printed copies of articles, speeches, testimonies before congressional hearings, lists of articles all by or relating to Dr. DeVita and his work as Director of the National Cancer
Institute. Also one package of about 50 items of remarks about the early founding of the National Cancer Institute. Reminiscences by early participants.

Box III

Folders 1-15

Memoranda and other documents relating to programs of the National Cancer Institute, 1975-1983.

Folders 16-24

Reports of the National Cancer Advisory Board meetings, 1980-1982.

Folder 25

Folders 26-27

Transcript and recording of "Face the Nation" television program, 8 December 1985. Dr. DeVita was a participant.

Box IV

Folders 1-20

Correspondence and other documents of Dr. DeVita with Dr. Henry C. Pitot, Dr. Jonathan E. Rhoads, Benno C. Schmidt, John E. Ullmann, Dr. Ludwig Gross, Dr. Edward N. Brandt, Jr., and Dr. James Wynaarden.

Box V.

Folder 1

Box VI.

Folders 1-24

Box VII.

Folders 1-25
Box VIII.

Folders 1-31

Associations (alphabetical) and committees (alphabetical).

Box IX.

Folders 1-36

Committee correspondence and surveys (alphabetical order).

Box X.

Folders 1-37

Memoranda, communications, lectures, speeches, addresses, congressional hearings, reports of the Director of NCI, letters and articles.

Box XI.

Folders 1-23

Chemotherapy program review and reports; AIDS research/AIDS Ward clinical cooperative groups.

Box XII.

Folders 1-27

NCI budget estimate 1989; Dr. DeVita's letters of resignation, biography, and bibliography; general correspondence, June 1987-June 1988; meeting notes; awards.

Box XIII.

Folders 1-38

Videotapes of conferences, news interviews, etc.

Box XIV.

Folders 1-38
PDQ address list, editorial review board, PDQ-AMA correspondence, PDQ evaluation update, references to AIDS.

Box XV.

Folders 1-31

PDQ, January 1982-September 1984: meetings, agendas and correspondence (missing months: original files empty), references to AIDS.

Box XVI.

Folders 1-38

PDQ, October 1984-December 1988: meetings, agendas, and correspondence, references to AIDS.
Box I

Folder 1. Correspondence with Dr. DeVita. Two photographs of Dr. DeVita.

Folder 2. Computer printouts of Dr. DeVita's holdings of newscutps and publications about cancer, Dr. DeVita not the author.

Folder 3. Articles- (Xeroxes), Nov. 1964 - Apr. 1966.

Folder 36. Awards.

2. Opening Statement, Senate Appropriations Hearings, February 18, 1981. 6 pp. (Dr. DeVita)

1. Hatch Hearings - Statement by John A. Ferris, Committee on Labor and Human Resources (Senate), June 2, 1981. 11 pp.

5. Suggested issues of testimony for Nov. 3rd hearings before Senate Subcommittee on Investigation and General Oversight, Prepared for Assistant Secretary for Health, Brandt, Oct. 15, 1981. 4 pp. (2 copies).

9. Statement by Edward N. Brandt, Jr., M.D., Senate Committee on Labor and Human Resources and Subcommittee on Agency Administration, Senate Committee on the Judiciary, Radiation, Mar. 12, 1982. 12 pp.

5. Questions and Answers on the National Cancer Act, prepared for Assistant Secretary Brandt, May 28, 1982. 9 pp.

Box II

4. Letter to Eppie Lederer from DeVita (draft), March 25, 1981. 5 pp.

3. Memo to The Secretary on Invitation to ribbon-cutting ceremony at Frederick Center Research Facility at Fort Detrick on Oct. 7, Sept. 3, 1981. 1 p.

3. Dedication of the Clinical Oncology Research Unit at Frederick Memorial Hospital, Oct. 7, 1981. 6 pp.

7. Section on NCI for Secretary Schweiker's letter to Congress on recent achievements of NIH, Nov. 10, 1981. 2 pp.

2. "National Trends in Community Oncology and the Evolving Role of the Community Hospital in Cancer Care and Research," (speech), Sutter Community Cancer Center, Sacramento, Cal., Nov. 12, 1981. 14 pp.

3. Remarks at Sutter Community Cancer Center, Sacramento, Cal., Nov. 12, 1981, Dr. DeVita's notes for number 1. 12 pp.

4. DCCP Newtwork Programs, prepared for Dr. Jane Henney by Harriet Page, November, 1981. 3 pp.

5. Section on NCI for Secretary Schweiker's letter to Congress on recent achievements of the NIH, prepared by Harriet Page, November 1981. 2 pp.

10. Special communication on Decade of Discovery, n.d. 1 p.

5. Questions and Answers on the National Cancer Act, prepared for Assistant Secretary Brandt, May 28, 1982. 9 pp.

2. Outline - Director's report at President's Cancer Panel, Los Angeles, Cal., June 22, 1982. 7 pp.

-The book consists of DeVita's exact quotes on topics about cancer and cancer research.

7. Letter to the Executive officer, National Cancer Institute, from C. Gorden Zubrod, M.D. (Scientific Director for Chemotherapy, NCI), on the 5 year projection for chemotherapy, June 28, 1966. 1 p.

1. Letter to Dr. DeVita from Mary A. Fink, Ph.D. (Acting Assoc. Dir. for Research Programs, Division of Cancer Research, Resources and Centers, Bethesda, Md., NCI) on writing a manuscript on therapy at NCI during its history, Feb. 25, 1976. 1 p.

2. Letter to Dr. Mary A. Fink, from Dr. DeVita accepting the invitation, Mar. 9, 1976. 1 p.

3. Letter to Dr. DeVita from Dr. Fink, Acknowledging DeVita’s acceptance, Mar. 12, 1976. 1 p.

4. Letter to Dr. C. Gordon Zubrad (Director of Comprehensive Cancer Center of Greater Miami), Miami, Fla., from Dr. DeVita asking Zubrad to co-author article, Mar. 19, 1976. 1 p.

5. Letter to Dr. DeVita from Dr. Zubrad, accepting DeVita’s invitation, Apr. 5, 1976. 1 p.

6. Letter to Dr. Zubrod from Dr. DeVita, Apr. 15, 1976. 1 p. (2 copies)

7. Letter to Dr. DeVita from Dr. Fink, reminding him of deadline and length of article, Sept. 14, 1976. 3 pp.

10. Letter to Carl G. Baker, M.D. (Medical Director, Ludwig Institute for Cancer Research), Zurich, Switzerland, from Dr. DeVita on NCI grants to Europe, Jan 17, 1980. 2 pp.

1. Letter to Dr. DeVita from Dr. Zubrod on History of intramural program with enclosed articles, Jan. 18, 1980. 4 pp. (enclosures 51 pp.).
2. Letter to Dr. Nathaniel I. Berlin (Director, Cancer Center, Northwestern Univ. Medical School, Chicago, Illinois, from Dr. DeVita on his opinions on advances in cancer therapy, Jan. 18, 1980. 1 p.

4. Letter to Dr. Robert Heller (Special Consultant for International Affairs, NCI), Bethesda, Maryland, from Dr. DeVita on asking for information on NCI from 1955 and 1963 and Dr. Heller's reply, Jan. 21, 1980. 1 p.

5. Letter to Dr. DeVita from Alfred S. Ketcham, M.D. (Professor of Surgery, Chief, Division of Surgical Oncology - University of Miami), Miami, Fla. on recollections of NCI, Jan. 22, 1980. 2 pp.

6. Letter to Dr. DeVita from Michael B. Shimkin, M.D. (Professor of Community Medicine and Oncology, University of California at San Diego), La Jolla, Cal., on recollections and article, Jan. 22, 1980. 2 pp. (article 23 pp.).

7. Letter to Dr. DeVita from Griff T. Ross, M.D., Ph.D., (Deputy Director, The Clinical Center), Bethesda, Md., on advances, Jan. 23, 1980. 2 pp.

1. Memo to Dr. DeVita from John S. Macdonald, M.D. (Associate Director, Cancer Therapy Evaluation Program, DCT, NCI on advances, Jan. 24, 1980. 1p.

2. Letter to Dr. DeVita from Louis Lasagna, M.D. (Dept. of Pharmacology and Toxicology, University of Rochester School of Medicine and Dentistry), Rochester, N.Y., on advances, Jan. 24, 1980. 1 p.

3. Memo to Dr. DeVita from Raymond B. Weiss, M.D. (Chief, C1B, CTEP, DCT at NCI?), on advances, Jan. 24, 1980. 2 pp.
4. Letter to Dr. DeVita from Peter D. Olch, M.D. (Deputy Chief, History of Medicine Division, NIH), Bethesda, Md., on advances, Jan. 25, 1980. 1 p.

5. Letter to Dr. DeVita from Stuart M. Sessions, M.D. (Senior Vice President, Blue Cross - Blue Shield of North Carolina), Durham, N.C., Jan. 28, 1980. 1 p.

6. Letter to Dr. DeVita from J. Palmer Saunders, Ph. D. (Professor of Pharmacology, Dean of Graduate School of Biomedical Sciences at Galveston, University of Texas, medical branch), Galveston, Texas, Jan. 28, 1980. 1 p. With letter to Saunders from Dr. DeVita, Feb. 4, 1980. 1 p.

2. Letter to Dr. DeVita, from Carl G. Baker, M.D. (Medical Director, Ludwig Institute), Zurich, Switzerland, on advances, Jan. 31, 1980. 51 pp. (46 pp. enclosures - articles).

5. Letter to Dr. DeVita, from Emil Frei, III, M.D. (Director and Physician-in-Chief, Sidney Farber Cancer Institute, Professor of medicine, Harvard Medical School, Boston, Mass., on advances, Feb. 4, 1980. 7 pp.

6. Letter to Dr. DeVita from Thomas C. Chalmers, M.D. (President and Dean, The Mount Sinai Medical Center, Mount Sinai School of Medicine), New York, N.Y., on advances, Feb. 4, 1980. 1 p.

8. Memo to Dr. DeVita, from Robert C. Gallo (Chief, Laboratory of Tumor Cell Biology, DCT, NCI), on advances, Feb. 6, 1980. 2 pp.

9. Letter to Dr. DeVita, from James F. Holland, M.D. (Professor and Chairman, American Cancer Society Professor of Clinical Oncology, Mount Sinai School of Medicine), New York, N.Y., on advances, Feb. 8, 1980. 4 pp.

1. Memo to Dr. DeVita, from Peter H. Wiernik, M.D. (Acting Associate Director, BCRP, DCT, NCI), on advances, Feb. 13, 1980. 2 pp.

2. Letter to Dr. DeVita, from Emil J. Freireich, M.D. (Head of Department of Developmental Therapeutics, M.D., Anderson Hospital and Tumor Institute, Texas Medical Center), Houston, Texas, on advances, Feb. 20, 1980. 5 pp.

3. Letter to Dr. DeVita, from Nathaniel I. Berlin, M.D. (Director, Cancer Center, Northwestern University, Chicago, Ill.), on advances, Feb. 22, 1980. 3 pp.

6. Memo to Dr. DeVita, from John L. Ziegler, M.D. (Associate Director for Clinical Oncology Program, DCT), on advances, March 26, 1980. 4 pp.

7. Letter to Dr. DeVita from T. Phillip Waalkes, Ph.D., M.D. (Professor of Oncology, The Johns Hopkins Oncology Center), Baltimore, Md., on advances. 2 pp.

Box III

Folder 1. Memoranda and directives relating to National Cancer Institute organization and procedures, 1980-1983, including commentary on pending legislation. 39 items. (See also files of correspondence.)

Folder 2. Memoranda relating to budgets, finance, and physical plant of National Cancer Institute, 1975-1983. 38 items. (See also files of individual correspondents.)

Folder 3. Memoranda and other documents relating to personnel of National Cancer Institute, 1979-1982: Memoranda and curriculum vitae pertaining to appointment of members of senior service (SES). 16 items.

Folder 8. Memoranda, correspondence and other documents relating to programs and cases of National Cancer Institute, 1975-1980: items relating to chemotherapy of advanced ovarian carcinoma; case of patient administered excess of medication; non-Hodkin's Lymphoma; and Laetrile clinical studies. Arranged by subject and date. 35 items. (See also files of individual correspondents.)

Folder 9. Memoranda and other documents relating to programs of National Cancer Institute, 1979-1981: studies and memoranda regarding radiation and cancer, including discussions on Three Mile Island incident, nuclear war, and work of (Federal) Interagency Radiation Research Committee. 31 items.
Folder 10. Memoranda and other documents relating to programs of National Cancer Institute, 1981: items relating to establishment of clinical oncology research unit at Frederick Memorial Hospital; relations of N.C.I. with Food and Drug Administration; and discussions of definitions for use in National Institute of Health Disease Prevention Research Program. 15 items.

Folder 11. Memoranda and other documents relating to programs of National Cancer Institute, 1982-1983. Items relating to: organ sites program; "orphan drug act;" studies on diet, nutrition, and cancer; chemoprevention intervention grant applications; funding for study of AIDS; invitation for applications for cooperative agreements to support risk reduction clinical trials; request to fund clinical trials of low fat diet in women with Stage II breast cancer. 37 items.

Folder 12. Reports, memoranda, correspondence relating to site visits of institutions associated with National Cancer Institute, 1977-1982. Includes one page 1982 memo on guidelines for site reports; report, memos and follow-up report on visit to Medicine Branch, Division of Cancer Treatment, January 1977; extensive background information relating to visit to M.D. Anderson Hospital, University of Texas, and charges against a doctor there for unauthorized administration of experimental drug to human subjects; and site report (leading to suspension of funding for a specific grant) of visit to New York Medical College (1981). 36 items.

Folder 13. Reports, memoranda and correspondence relating to guidelines for contract and intramural cancer research, 1982-1983. Includes guidelines for the Cancer Center Support Group of the N.C.I. (January 1982), report of the Committee on pay and personnel systems in intramural research, February 1983 (with accompanying correspondence and evaluations), material related to February 1983 report of the Cancer Control Subcommittee of the National Cancer Advisory Board, and an undated final report on a confidential survey of contractors. 21 items.

Folder 15. Memoranda and correspondence relating to preparation and transmittal of reports of the Director of the National Cancer Institute on the National Cancer Program (1979, 1982) and reports of the National Cancer Advisory Board (1979, 1980, 1981, and fiscal year 1982-1983 (2 copies). 51 items.

Folder 17. Minutes of the National Cancer Advisory Board meeting. 6-8 October 1980. 141 pp., missing pp. 54-105. 1 item.
Folder 18. Minutes of the National Cancer Advisory Board meeting, 2 February 1981, 93 pp., missing pp. 1-1-3. 1 item.

Folder 19. Minutes of the National Cancer Advisory Board meeting, 18-20 May 1981. 99 pp., missing pp. 1-3 and incomplete. 1 item.

Folder 20. Transcript of proceedings of National Cancer Advisory Board [meeting], Volume 1: 5 October 1981. 52 pp., missing pp. 1-6 and incomplete. 1 item.

Folder 21. Minutes of meeting of the National Cancer Advisory Board, 30 November 1981. 74 pp., missing pp. 1-11 and incomplete. 1 item.

Folder 22. Minutes of the 41st Regular Meeting of the National Cancer Advisory Board, 1 February 1982. 44 pp., missing pp. 1-17 and incomplete. 1 item.

Folder 23. Minutes of the 42nd Regular Meeting of the National Cancer Advisory Board, 17 May 1982. 66 pp., missing pp. 1-13 and incomplete. 1 item.

Folder 24. Minutes of Meeting of the National Cancer Advisory Board, October 1982, pp. 1-46: report of the Director of the National Cancer Institute, (Dr. DeVita); original copy of Dr. DeVita's handwritten outline for report of N.C.A.B., 30 January 1984. 3 items.

Folder 25. "Director's Response Book" loose-leaf binder containing excerpts from Dr. DeVita's public statements (organized by subject) and list of public statements made from June 1979 through October 1983. 158 pp. 1 item.

Folder 26. Typed transcript of television program, "Face the Nation," 8 December 1985, on which Dr. DeVita appeared along with Dr. Steven Rosenberg, Jeremy Rifkin, and Alexander Capron. (See also cassette tape [AV3a], folder 27.) 1 item.

Folder 27. Cassette recording of television program, "Face the Nation," 8 December 1985 on which Dr. DeVita appeared. AV3a. (See also transcript in folder 26.) 1 item.
Box IV

Folder 1. 1981-1982. Correspondence between Dr. DeVita and Dr. Armand Hammer (Chairman of the Board of Occidental Petroleum Corp. and Chairman of President's Cancer Panel) in which Dr. DeVita updates Dr. Hammer on N.C.I. activities, administration, and personnel, especially research to which Dr. Hammer contributed. 55 items.

Folder 2. 1983-1985. Correspondence between Dr. DeVita and Dr. Armand Hammer regarding budget and legislation relating to the N.C.I., administration, and recent cancer research. 50 items.

Folder 3. 1981-1982. Correspondence of Dr. Samuel Hellman (Director of Joint Center for Radiation Therapy, Harvard Medical School) with Dr. DeVita and others regarding research, programs at N.C.I. and Harvard, and Dr. Hellman's service on National Cancer Advisory Board. 18 items.

Folder 4. 1974-1976. Correspondence and other documents of Mary (Mrs. Albert D.) Lasker, President of the Lasker Foundation. Mostly inquiries by Mrs. Lasker to Dr. Frank J. Rauscher, Director of the N.C.I., and voluminous material on budget, personnel, and research which Dr. Rauscher sent in return. 64 items.

Folder 5. 1977-1981. Correspondence and other documents of Mary (Mrs. Albert D.) Lasker, President of the Lasker Foundation, with Dr. DeVita and others. Includes memoranda, articles, and other items sent to and by Mrs. Lasker relating to cancer programs. 55 items.

Folder 6. 1981-1984. Correspondence of and items relating to Mary (Mrs. Albert D.) Lasker, President of the Lasker Foundation. Includes program, texts from addresses, etc. from 1982 "Tribute" to Mrs. Lasker which describes her work in cancer programs and include brief chronology and biographies of major figures in cancer programs. 27 items.

Folder 7. 1973-1984. Correspondence of Dr. Joshua Lederberg (Professor and Chairman of Stanford University School of Medicine Department of Genetics and later President of Rockefeller University) with Dr. DeVita and his predecessors at the N.C.I. regarding research and regarding Dr. Lederberg's service on President's Cancer Panel and National Cancer Advisory Board. 28 items.

Folder 8. 1973-1981. Correspondence and other documents of Dr. Henry C. Pitot (Director of McArdle Laboratory for Cancer Research, University of Wisconsin and Chairman of the National Cancer Advisory Board) with Dr. DeVita and his predecessors regarding activities of N.C.A.B. and N.C.I., legislation and budget of cancer program, and controversies on N.C.A.B. 50 items.

Folder 9. 1981-1984. Correspondence and other documents of Dr. Henry C. Pitot (University of Wisconsin and Chairman of the National Cancer Advisory Board) with Dr. DeVita and others relating to budget
and administration of cancer program, activities of and controversies on N.C.A.B., grants and research. 60 items.

Folder 10. 1972. Correspondence and other documents involving Dr. Jonathan E. Rhoads (Department of Surgery of University of Pennsylvania School of Medicine): summary and copies of comments from members of the National Cancer Advisory Board on content and conduct of Board meetings, sent to Rhoads by N.C.I. Director Fred Rauscher. 32 items.

Folder 11. 1974-1978. Correspondence and other documents of Dr. Jonathan E. Rhoads (University of Pennsylvania, Editor of Cancer, and Chairman of National Cancer Advisory Board) with Dr. DeVita’s predecessors at N.C.I. and others in matters relating to Cancer. The N.C.A.B., N.C.I. contract review process and on cancer research and researchers. 50 items.

Folder 12. 1979-1984. Correspondence and other documents of Dr. Jonathan E. Rhoads (Editor of Cancer, Director of National Cancer Advisory Board) with Dr. DeVita and others regarding Cancer, N.C.A.B., and North Central Cancer Treatment Group Research Plan. 44 items.

Folder 13. 1972. Correspondence and memoranda of Mr. Benno C. Schmidt (managing partner of J.H. Whitney & Co., and Chairman of President’s Cancer Panel). Memoranda on budget, legislation and personnel forwarded to Mr. Schmidt by N.C.I. Director Carl Baker. 15 items.

Folder 14. 1972-1974. Correspondence and other documents of Benno C. Schmidt. Memoranda on budget, legislation, personnel, and research forwarded to Mr. Schmidt by Directors of N.C.I. Includes confidential comments by members of Institute of Medicine Committee on National Cancer Program Operational Plan. 49 items.

Folder 15. Correspondence and other documents of Benno C. Schmidt (Director of President’s Cancer Panel). Letters, memoranda and background papers sent to Mr. Schmidt by N.C.I. Director on research, grants, controversies within cancer program and bureaucracy. 54 items.

Folder 16. 1976-1977. Correspondence and other documents of Benno C. Schmidt (Chairman of the President’s Cancer Panel), consisting mostly of memoranda, reports, statistics, and background papers on cancer program sent to Dr. Schmidt by N.C.I. Directors. 47 items.

Folder 17. 1978-1983. Correspondence and other documents of Benno C. Schmidt with Dr. DeVita and others. Includes addresses by and interview with Mr. Schmidt sent to Dr. DeVita, correspondence and documentation relating to grant application of Dr. Linus Pauling, and memoranda relating to policies of N.C.I. 40 items.

Folder 18. 1984-1985. Correspondence and other documents of Benno C. Schmidt with Dr. DeVita. Includes text of address by Mr. Schmidt
and copy of article by Dr. Steven A. Rosenberg, "Lymphorine Activated Killer Cells: A New Approach to the Immunotherapy of Cancer." 12 items.

Folder 19. 1975-1984. Correspondence (and enclosed documents) of John E. Ultmann (Director of Cancer Research Center, University of Chicago) with Dr. DeVita and his predecessors at N.C.I. regarding N.C.I. budget and programs, long-range planning of American Society of Clinical Oncology, and University of Chicago Cancer Research. 43 items.

Folder 20. 1980-1983. Miscellaneous correspondence includes letters to Dr. DeVita from Dr. Ludwig Gross, from Dr. DeVita to Dr. Edward N. Brandt, Jr. and to Dr. James Wyngaarden (regarding Dr. DeVita's selection as recipient of Distinguished Service Medal), and other correspondence. 5 items.
Box V.

Folder 1. Xerox copy of correspondence and papers relating chiefly to the treatment of breast cancer, 1983-1987. (Acc. no. 87-37)
Box VI.

Folder 19. 7 September 1979-14 December 1979. The Cancer Letter. Missing numbers 43 and 44. Two copies of numbers 36, 37, 38, 39, 41, 42, and 50. 20 items.

Box VII.

Folder 20. 29 December 1966-30 November 1971. Correspondence on guidelines, regulations, animal research; government regulations and acts. 35 items.
Folder 21. 11 February 1972-15 January 1975. Correspondence on guidelines, regulation, animal research. 64 items.

Folder 22. 21 June 1961-18 October 1975. Correspondence on meetings, procedures, reports. 24 items.

Folder 24. 5 July 1963-3 December 1970. Correspondence on construction, space allocation, space needs. 44 items.

Folder 25. 20 April 1971-2 March 1977. Correspondence on construction, space allocation and utilization, conference requirements. 53 items.
Box VIII.

Folder 1. 6 April 1970. Correspondence on meeting of Alumni College of Physicians and Surgeons. 3 items.
   Includes paper, 27 December 1972, for symposium of the American Association for Advancement of Science by Stephen Carter. 1 item.
   Includes correspondence, 4 August 1972-15 August 1972, on funding and resolutions of the American Association of Colleges of Pharmacology. 10 items.

Folder 2. 21 September 1972-20 August 1976. Correspondence on meeting, projects, workshops and reports of the American Association of Cancer Institutes. 25 items.

Folder 3. 22 December 1966-28 June 1973. Correspondence on meetings, membership, research and national reports of the American Association for Cancer Research. 60 items.

Folder 4. 21 January 1964-27 May 1969. Correspondence between Warren G. Bell and C. O. Zubrod on conference in Mississippi; correspondence on invitation to sessions; paper by J. L. Atwell for session. 43 items.

Folder 5. 27 January 1970-27 November 1972. Correspondence on seminars, conferences, committees, and review of papers for publication for the American Cancer Society. 53 items.

Folder 6. 2 January 1973-24 April 1974. Correspondence on papers for publication, conferences and newsletters for the American Cancer Society. 60 items.

Folder 7. 13 August 1971-12 October 1971. Correspondence on meetings and membership for the American Chemical Society. 10 items.
   Includes correspondence, 27 April 1967-10 May 1974, on meetings, reports and programs of the American College of Physicians. 51 items.
   Includes correspondence, 18 February 1969, of C. O. Zubrod and J. A. del Regato on paper presentation for the American College of Radiology. 2 items.

Folder 8. 13 June 1975. Correspondence on the American Federation of Clinical Oncologic Societies agenda. 2 items.
   Includes correspondence, 1 March 1974, between C. G. Zubrod and Jean K. Boek on participation in session of the American Osteopathic Association. 2 items.
   Includes correspondence, 10 October 1973, on C. L. Fortner's appointment to committee of the American Pharmaceutical Association. 3 items.
   Includes letters, 13 March 1969, of C. G. Zubrod and O. W. Smith on presentation at the American Radium Society. 2 items.

Folder 9. 10 January 1968-6 September 1974. Correspondence on session papers, membership, and meetings of the American Society for Clinical Investigation; draft of presentation; 2 xeroxes of newspaper articles. 75 items.

Folder 10. 5 November 1964-22 January 1971. Correspondence on meetings and meeting minutes of the American Society of Clinical Oncology. 14 items.
Folder 11. 22 January 1971-1972. Correspondence on membership in the American Society of Hematology; research abstracts. 5 items.
Includes correspondence, 26 August 1970-21 May 1974, on meetings and membership in the American Society for Pharmacology and Experimental Therapeutics; information on awards available; information on association office candidates; Task Force survey. 24 items.

Folder 12. 26 February 1968-1 November 1972. Correspondence on nominations for membership, recommendations, meetings and questionnaire of the Association of American Physicians. 43 items.

Includes correspondence, 11 June 1970, on award nomination for the Association of Military Surgeons; xerox of Association News on awards. 3 items.

Includes letter, 19 December 1972, to A. Goldin and F. M. Schabel, Jr. from E. Frei IV concerning the Children's Cancer Research Foundation, Inc.; proposal to the AKRS Leukemia Committee. 1 item.
Includes copies of announcement, 31 March 1970, for annual joint meeting of the Commissioned Officers' Association with the Clinical Society of the United States Public Health Service. 4 items.

Folder 15. 11 July 1970-December 1972. Correspondence on conferences, reprints, messages to European governments and research of the European Organization for Research on Treatment of Cancer; handbook on methods and screening; newsletter. 18 items.

Includes House Committee Report, 16 March 1968-12 April 1971, and summation of address given by David H. Huffman and Nicholas R. Bachur at the annual meeting of the Federation of American Societies for Experimental Biology. 2 items.

Folder 19. 16 May 1969. Correspondence on the annual meeting of the Infectious Diseases Society of America. 3 items.
Includes correspondence, 4 June 1974, on proceedings of the Inta-Science
Research Foundation. 2 items.
Includes correspondence, 15 August 1972, on meeting of the International Association of Cancer Victims and Friends. 2 items.
Includes correspondence, 27 August 1973, on establishing the International Association for the Study of Lung Cancer. 4 items.
Includes correspondence, 24 July 1974, on proposal and brochure of the International Institute for Applied Systems Analysis. 11 items.
Includes correspondence, 9 August 1967, of C. G. Zubrod and A. Gellhorn and J. H. Burchenal on the annual meeting of the International Society of Hematology. 2 items.
Includes correspondence, 12 March 1973, of C. G. Zubrod and L. Caudarola on the formation of the Italian Society for Locoregional Treatment of Tumours. 2 items.

Folder 20. 21 May 1974. Correspondence on annual meeting and guest lecture of the Japan Lung Cancer Society. 2 items.
Includes correspondence, 23 September 1973-15 July 1974, on meeting notes of the Japan Society for the Promotion of Science; agreement with UCI; research groups. 21 items.

Includes correspondence, 27 April 1971-28 February 1972, to set up the David A. Karnofsky Memorial Fund. design a medallion, membership and lectures; reprint of A. Haddock lecture (C.G. Zubroad). 16 items.

Folder 22. 6 April 1970-19 December 1973. Correspondence on awards, meetings, seminars and legislative bills of the Lasker Foundation. 28 items.

Folder 23. 22 May 1970-11 November 1971. Correspondence on annual reports, meetings, nominations, conferences, research and guidelines of the Leukemia Society of America; meeting minutes. 28 items.

Folder 24. 14 January 1972-17 December 1973. Correspondence on meetings, meeting minutes, funding and annual reports of the Leukemia Society of America. 47 items.

Folder 25. 29 January 1970. Correspondence on projection slide materials for the Michigan Cancer Foundation. 3 items.
Includes letter, 26 October 1971, to C. G. Zubrod on proposed seminars of Microbiological Associates, Inc. 1 item.
Includes correspondence, 14 July 1969, on the Drug Efficacy Study of the National Academy of Sciences. 10 items.
Includes invitation, 4 November 1971, and program to symposium of the National Pharmaceutical Council. 1 item.
Includes letters, 6 February 1973, from C. G. Zubrod refusing nomination to the National Register of Prominent Americans. 4 items.
Includes correspondence, 30 September 1966, on research proposal and the research proposal for the National Science Foundation. 3 items.
Includes bulletin, April 1974, volume 25, number 4 of the National Society for Medical Research. 1 item.
Includes xeroxes of abstracts (first page of each), January-February 1974, for annual meeting of the Nuclear Medicine Society. 3 items.

on research funding and awards for the Pharmaceutical Manufacturers Association Foundation, Inc. 35 items.

Folder 27. 9 October 1969. Correspondence of C. G. Zubrod and B. Seeman on Zubrod’s Roentgen Ray Society. 2 items.
Includes correspondence, 4 June 1976, of V. T. DeVita and E. F. Scanlon on having a Society for Surgical Oncology representative at NCI. 2 items.
Includes correspondence, 30 June 1971, on NCI review of SNSF work; report (in German) on Swiss Chemotherapy Group. 9 items.
Includes correspondence, 15 January-5 June 1974, on consultants and conference of the World Health Organization. 8 items.

Folder 28. 18 July 1962-20 April 1965. Correspondence on meetings and research and reports of the Acute Leukemia Task Force. 50 items.

Folder 29. 9 June 1965-2 March 1966. Correspondence on meetings and research and reports of the Acute Leukemia Task Force; photos of leukemia cells in brains of lab animals. 33 items.

Box IX.

Folder 1. 13 May 1969-16 August 1974. Correspondence on meetings and research of the Ad-Hoc Advisory Committee; meeting notes. 33 items.

Folder 2. 20 November 1972. Surveys and correspondence on surveys of the Ad-Hoc Animal Care Group. 5 items.
   Includes meeting report, 11 July 1972-19 September 1972, and correspondence on meeting of the Ad-Hoc Bone Marrow Replication. 5 items.
   Includes letter, 17 September 1973, on meeting of the Ad-Hoc Breast Cancer Treatment Subcommittee. 1 item.

Folder 3. 4 May 1966. Conference attendance list of the Ad-Hoc Cancer Chemotherapy. 1 item.
   Includes correspondence, 19 April 1971, on meeting of the Ad-Hoc Chemotherapy Committee. 2 items.
   Includes correspondence, 13 September 1973, on membership in the Ad-Hoc Group of Toxicity. 3 items.
   Includes correspondence, 14 May 1973-13 September 1973, on meetings of the Ad-Hoc NCI-VA Collaborative Program Review; meeting notes; article reprint. 28 items.

Folder 4. 9 March 1970-28 May 1974. Correspondence on meetings, committees, procedures, and policies of the Advisory Committee; papers. 30 items.
   Includes letters, November 1972-January 1974, on meetings past and present of the Advisory Committee to Cancer Control. Also letter, 21 March 1973, includes copy of presentation by Dr. Peters. 21 items.

Folder 5. 5 October 1962-7 February 1973. Correspondence on meetings of the American Joint Committee on Cancer Staging and End Results; papers prepared for the Committee. 10 items.

Folder 6. 26 April 1973-21 June 1973. Correspondence on meetings and papers prepared for meetings of the American Joint Committee on Cancer Staging and End Results. 17 items.

Folder 7. 25 January 1971-15 April 1973. Correspondence on establishment of panel and meetings of the Animal Care Panel. 5 items.
   Includes general communication, 3 October 1972, of the Appropriation Committee. 2 items.

Folder 8. 19 October 1973. Correspondence on study changes of the BCTF Committees. 2 items.
   Includes correspondence, 21 August 1972, on meetings and reports of the Biohazard Committee. 9 items.

Folder 9. 21 November 1966-15 September 1972. Correspondence on protocol, meetings and research of the Brain Tumor Task Force; research reports. 15 items.

Folder 10. 23 February 1966-13 June 1973. Correspondence on accounting,
treatment and conferences of the Breast Cancer Task Force. 26 items.

Folder 11. March 1969-8 August 1974. Correspondence on meetings and
agendas of the Cancer Clinical Investigation Review Committee. 18 items.
Includes correspondence, 25 June 1973-27 August 1973, on members and
meetings of the Cancer Committee. 5 items.
Includes correspondence, 3 October 1972-12 October 1972, on membership in
the Cancer Research Center Review Committee. 2 items.

Folder 12. 18 January 1968-4 April 1974. Correspondence on meetings of
the Cancer Treatment Advisory Committee; program notes and suggestions. 8
items.

Folder 13. 20 October 1966-28 November 1969. Correspondence on meetings
of the Chemotherapy Advisory Committee; meeting notes and rough draft of
introduction for November 9-11, 1967. 66 items.

Folder 14. 20 January 1970-23 December 1971. Correspondence on meetings
of the Chemotherapy Advisory Committee; meeting notes; research. 54 items.

Folder 15. 11 January 1972-21 August 1974. Correspondence on meetings of
the Chemotherapy Advisory Committee; meeting notes; research. 32 items.
Includes meeting minutes, 22 June 1973-10 July 1973, of the Chemotherapy
Subcommittee. 2 items.

Folder 16. 1 July 1966-28 January 1974. Correspondence on meetings,
protocol, governmental reviews and research of the Clinical Research
Committee; meeting notes. 37 items.

Folder 17. 5 January 1962-19 September 1966. Meeting agendas and files of
the Clinical Studies Committee; cooperative group listings; letter on
membership. 7 items.

Folder 18. 21 January 1963-26 December 1963. Correspondence on meetings,
membership, procedures, regulations, funding and organization of the Clinical
Studies Panel. 58 items.

Folder 19. 10 January 1964-28 June 1965. Correspondence on meetings,
membership, procedures, regulations, funding and organization of the Clinical
Studies Panel. 109 items.

Folder 20. 13 November 1963-28 October 1965. Meeting minutes of the
Clinical Studies Panel - Executive Committee; project reports; correspondence
on meetings. 12 items.
Includes correspondence, 8 December 1964-8 January 1965, in reference to
meeting of the Clinical Studies Panel Meeting (December 21-22, 1964); meeting
agenda and notes; follow-up meeting notes; proposal. 12 items.

Folder 21. 15 November 1967. Letter on meeting of the Clinical Trials
Task Force; report on research. 2 items.
Includes letter, 22 March 1974, on meeting of Combination Chemotherapy
Subcommittee. 1 item.
Includes correspondence, 10 September 1963-23 July 1973, on membership in
the Committee Review Committee. 76 items.
Folder 22. 14 May 1971-19 October 1973. Correspondence on meetings of Committees. 6 items.
Inclludes letter, 4 May 1972-2 October 1972, on meeting of the Core Committee; reports; article xeroxes. 7 items.
Includes meeting minutes, 29 April 1974-3 June 1974, and reports of the Drug Evaluation Committee. 2 items.

Folder 23. 13 March 1974. Meeting minutes of the Education Committee; draft of letter to medical students. 3 items.
Includes research grant applications, 21 January 1964-5 May 1964, and reviews of the Epidemiology and Statistics Committee. 11 items.
Includes correspondence, 28 August 1969, on candidate nominations for the Equal Employment Opportunity. 5 items.

Includes letters, 12 June 1968-10 February 1972, on meeting of the Experimental Design Committee; committee meeting notes and papers. 5 items.

Folder 25. 28 November 1967-3 October 1969. Correspondence on establishment and agenda of Government Operations - Fountain Committee. 31 items.

Includes correspondence, 9 April 1973-15 October 1973, of committee formation and meeting of the Head and Neck Committee. 8 items.

Folder 27. 7 November 1967. Two copies of report by C. G. Zubrod concerning the Long Committee. 2 items.

Includes correspondence, 1 April 1974, on committee members of the North American Particle Therapy Committee. 1 item.
Includes xerox of notice, 6 November 1973, on committee establishment of the Oncologic Drugs Advisory Committee. 1 item.
Includes letter, 23 August 1973, on meeting agenda of the Operating Committee. 1 item.
Includes letter, 25 June 1973, on meeting of the Out Therapy Advisory Committee. 3 items.
Includes correspondence, 28 June 1972-15 December 1972, on money matters of the Patient Aid Committee. 3 items.

Folder 29. 12 September 1974. Correspondence on membership in the Scientific Advisory Committee. 2 items.
Includes committee agenda, 21 May 1974, of the Study Committee on Drugs Having Little Economic Significance. 1 item.
Includes correspondence, 5 October 1972, on review of committee program of the Synthetic Chemistry Contract Program. 3 items.
Includes meeting minutes, 19 June 1973-29 October 1973, of the Therapeutics Research Conference. 3 items.
Includes correspondence, 2 December 1968, on review of training programs of
the Training Grants Study Group. 6 items.

Includes correspondence, 20 October 1972-29 November 1973, on Organization of Working Cadres. 10 items.

Folder 30. 1 July 1966-1 April 1968. Information on consent policies of the Human Beings as Research Subjects Committee. 23 items.

Folder 32. 16 March 1970-6 May 1970. Correspondence on protocol and protocol reports of the Human Beings as Research Subjects Committee. 10 items.

Folder 33. 20 May 1970-24 December 1970. Correspondence on meetings and protocol of the Human Beings as Research Subjects Committee; meeting minutes; protocol reports. 16 items.

Folder 34. 4 March 1971-5 October 1971. Cumulative lists of accepted institutions from the Human Beings as Research Subjects Committee; reports on contracts. 9 items.

Folder 35. 1 February 1972-20 March 1973. Correspondence on research, guidelines, protocol and research for the Human Beings as Research Subjects Committee; cumulative lists of complying institutions. 21 items.

Folder 36. 9 April 1973-21 December 1973. Correspondence on protocol and policy of the Human Beings as Research Subjects Committee; cumulative lists of complying institutions; regulations and policies. 29 items.
Box X. 1980-1988. Memos, Communications; lectures, speeches, addresses, Congressional hearings; Paper manuscripts, xeroxes of published articles and interviews.

Folder 4. 22 May 1981-4 December 1981. Memos and communications. 11 items.

Folder 7. 24 September 1981-12 November 1981. Lectures, speeches, addresses, and Congressional hearings. 9 items.

Folder 8. 15 January 1982-30 November 1982. Memos and communications: meetings, awards, errors in a news article, smokeless tobacco, and director's report. 6 items.

Folder 9. 15 January 1982-13 December 1982. Two manuscripts (typed) for publication, one manuscript (typed) of a chapter for a book, and three xeroxes of articles written by Dr. DeVita. 6 items.

Folder 10. January-19 April 1982. Lectures, speeches, addresses, and Congressional hearings. 8 items, one item undated.

Folder 15. 6 June 1983-28 November 1983. Lectures, speeches, addresses, and Congressional hearings. 6 items.

Folder 17. 15 January 1984-July/August 1984. Papers and articles: xerox
articles on AIDS. 4 items.

Folder 18. 7 March 1984-6 December 1984. Lectures, speeches, addresses, and Congressional hearings. 9 items.

Also included papers and articles, January 1985-23 April 1985. 4 items.

Folder 20. 11 March 1985-5 December 1985. Lectures, speeches, addresses and Congressional hearings. 12 items, 1 item undated and missing two pages.

Also includes papers and articles, 18 February 1986-15 September 1986. 9 items.

Folder 22. 5 March 1986-14 November 1986. Lectures, speeches, addresses, and Congressional hearings. 18 items, last item partial, no date.

Folder 31. 23 December 1971-October 1974. Reference book on the National Cancer Act, laws, policies, regulations; case study summary of NCI. 20 items, first item has no date.

Folder 32. n.d. Statutory Authorities of the National Cancer Institute, reference book for NCI staff. 1 item.

Folder 33. August 1977. Journal of the National Cancer Institute, 40th Anniversary issue (volume 59, no. 2 suppl.). 1 item.

Folder 34. 26 May 1988-25 February 1976. Personal accounts of the history of the NCI: correspondence on article; paper by L.R. Thompson; bibliography of Emil Frei III; paper by Alfred Sketcham; and before and after photographs of child with lymphoma. 16 items.

Folder 35. 17 January 1980-22 January 1980. Personal accounts of the history of the NCI, letters and article xeroxes on personal accounts by other
doctors. 13 items.

Folder 36. 23 January 1980-31 January 1980. Personal accounts of the history of the NCI: letters and article reprints on personal accounts sent to DeVita. 20 items.

Folder 37. 1 February 1980-23 May 1980. Personal accounts of the history of the NCI: letters and articles sent to DeVita on personal accounts. 23 items.
Box XI.

Folder 7. 20 June 1955-28 March 1957. History and background for Chemotherapy Program: papers and meeting news. 7 items, three items undated.

Folder 8. September 1966-7 May 1969. History and background for Chemotherapy Program: papers and meeting minutes. 10 items.

Folder 11. March 1953-16 December 1959. Historical articles on developing of chemotherapeutic research: papers and journals. 6 items.

Folder 12. 1960-May 1962. Historical articles on developing of chemotherapeutic research: papers and articles. 9 items.

Folder 13. 29 January 1960-July 1969. Historical articles on developing of chemotherapeutic research: paper, journal, and article. 3 items.

Folder 15. post 1977-23 February 1979. Historical articles on developing of chemotherapeutic research: papers. 2 items.

Folder 16. 1980-6 September 1983. Historical articles on developing of chemotherapeutic research: papers and articles. 9 items.

Also including Report, 9 October 1967, to National Advisory Cancer Council, Chemotherapy Program. 2 items - 2 copies of report.

Folder 20. 11 December 1984-28 August 1987. AIDS research/AIDS ward: correspondence on establishment of ward, meetings, research, and meeting minutes. 43 items.

Box XII.

Folder 1. 1989. NCI Budget Estimate. 1 item.

Folder 2. 1989. NCI Budget Estimate. 1 item - second copy of report.

Also including DeVita's biography and bibliography, January 1988. 1 item.

Folder 5. 4 March 1985-5 December 1987. Meeting notes. 4 items.
Also including awards, 12 August 1987-27 October 1987, and correspondence on award nominations. 16 items.

Also The Cancer Letter, 18 March 1988. 1 item.

Folder 8. 8 April 1988-17 May 1988. Reauthorization of the National Cancer Act: correspondence on reauthorization. 45 items.

Folder 9. April 1988. Report to the President's Cancer Panel on the Reauthorization of the National Cancer Act, two copies each of report and appendices. 4 items.

Also including two copies of Cancer Economics, January 1987. 2 items.

Folder 17. 30 January 1987-5 June 1987. AIDS Update - monthly, two copies
of each issue. 12 items.

Folder 24. 10 September 1988. First annual Pezcoller Award, DeVita's presentation. 2 items.
   Also including paper, 25 August 1988, by DeVita for Japanese Cancer Association. 1 item.
   Also including DeVita's resignation, September 1988, notice on Congressional Record; letter from President Reagan; National Cancer Advisory Board Resolution. 3 items.

Folder 26. 8 January 1982-21 April 1982. Harold Rusch's photos, papers, and correspondence on AACR meeting talk. 43 items.

Folder 27. 28 May 1982-18 December 1985. Harold Rusch's speeches and presentations. 4 items.
Box XIII.

Folder 1. 29 September 1987. Videotape of conference - "National Coalition for Cancer Research - Dinner Tributes" - opens with NCI history. VT #2. 1 item.

Folder 2. 16 October 1986. Videotape of conference - "NIH Centennial Observance." VT #3. 1 item.

Folder 4. n.d. Videotape of news - "Dr. Vincent DeVita-Memorial Sloan-Kettering Cancer Center" - local New York coverage, treatment of breast cancer. VT #5. 1 item.

Folder 5. 17 February 1984. Videotape of news - "NBC's Bill Monroe interviewing Dr. Vincent T. DeVita and Dr. Frank J. Rauscher" - 5th National Cancer Communications Conference. VT #6. 1 item.

Folder 6. 4 November 1987. Videotape of news - "Good Morning America with Dr. Timothy Johnson, Fauci and DeVita." VT #7. 1 item.

Box XIV. Protocol Data Query Information Service (PDQ).

Folder 1. 25 October 1982-7 June 1983. PDQ address list: follow-up centers, PD-1's, and follow up letters. 104 items.

Folder 3. 2 November 1982-3 November 1983. PDQ Editorial Review Board: meeting notes, correspondence on meetings, and references to AIDS. 81 items, 11 items undated.

Folder 4. 8 July 1985-18 December 1985. PDQ Editorial Board: meeting notes and agendas and list of members of Board. 15 items, one item undated.

Folder 5. 13 January 1986-24 September 1986. PDQ Editorial Board: meeting reports and agendas and references to AIDS. 48 items.

Folder 6. 2 October 1986-30 December 1986. PDQ Editorial Board: meeting notes, correspondence on membership and references to AIDS. 43 items.

Folder 7. 27 January 1987-23 December 1987. PDQ Editorial Board: meeting notes and membership. 44 items.

Folder 10. 1 July 1986-7 November 1986. PDQ Evaluation/Update: brochure and user information. 11 items.

Folder 15. 4 May 1987-23 March 1988. Journal of the National Cancer Institute: correspondence on merger of JNCL and CTR and editorial board. 44 items, seven items undated.

Folder 17. 5 October 1981-28 November 1983. National Cancer Advisory Board: meeting summaries and report on information programs. 10 items, first item undated.

Folder 19. 15 January 1985-7 October 1985. National Cancer Advisory Board: meeting minutes, reports on PDQ status and editorial boards and references to AIDS. 15 items.

Folder 20. 28 January 1986-29 October 1986. National Cancer Advisory Board: meeting minutes, correspondence on PDQ, and references to AIDS. 29 items.

Folder 24. PDQ Protocols/Establishing the Matrix: correspondence and reports. 19 items, 1 undated item.

Folder 29. 9 December 1983-20 December 1984. PDQ/Richard Bloch correspondence. 20 items.

Folder 32. 6 March 1984-April 1987. NLM PDQ/RS Implementation. 17 items.

Folder 36. 13 March 1984-19 July 1984. PDQ vendors: correspondence to seek access to PDQ. 96 items.

Folder 37. 27 August 1984-15 May 1985. PDQ vendors: correspondence on gaining access to PDQ. 75 items.

Folder 38. 30 March 1983-15 September 1983. PDQ work lists and charts/RJE. 23 items.
Box XV.

Folder 3. April 1982. PDQ: meetings, agendas and correspondence. 1 item.

Folder 6. August 1982. PDQ: meetings, agendas and correspondence. 5 items.

Folder 7. September 1982. PDQ: meetings, agendas and correspondence. 9 items.

Folder 20. October 1983. PDQ: meetings, agendas and correspondence. 71 items.

Folder 22. December 1983. PDQ: meetings, agendas and correspondence. 71 items.

Folder 24. February 1984. PDQ: meetings, agendas and correspondence. 60 items.

Folder 27. May 1984. PDQ: meetings, agendas and correspondence. 55 items.

Folder 31. September 1984. PDQ: meetings, agendas and correspondence. 80 items.
Box XVI.

Folder 1. October 1984. PDQ: meetings, agenda and correspondence. 59 items.

Folder 3. December 1984. PDQ: meetings, agenda and correspondence. 35 items.

Folder 5. February 1985. PDQ: meetings, agenda and correspondence. 19 items.

Folder 7. April 1985. PDQ: meetings, agenda and correspondence. 28 items.

Folder 8. May 1985. PDQ: meetings, agenda and correspondence. 8 items.

Folder 11. August 1985. PDQ: meetings, agenda and correspondence. 22 items.

Folder 15. December 1985. PDQ: meetings, agenda and correspondence. 66 items.

Folder 17. February 1986. PDQ: meetings, agenda and correspondence. 15 items.

Folder 19. April 1986. PDQ: meetings, agenda and correspondence. 6 items.

Folder 20. May 1986. PDQ: meetings, agenda and correspondence. 1 item.

Folder 23. August 1986. PDQ: meetings, agenda and correspondence. 2 items.

Folder 25. October 1986. PDQ: meetings, agenda and correspondence. 1 item.

Folder 27. January 1987. PDQ: meetings, agenda and correspondence. 4 items.

Folder 29. September 1987. PDQ: meetings, agenda and correspondence. 3 items.

Folder 32. March 1988. PDQ: meetings, agenda and correspondence. 2 items.

Folder 33. April 1988. PDQ: meetings, agenda and correspondence. 4 items.

Folder 34. May 1988. PDQ: meetings, agenda and correspondence. 2 items.

Folder 35. June 1988. PDQ: meetings, agenda and correspondence. 1 item.

Folder 36. September 1988. PDQ: meetings, agenda and correspondence. 3 items.

Folder 37. October 1988. PDQ: meetings, agenda and correspondence. 5 items.
Folder 38. December 1988. PDO: meetings, agenda and correspondence. 5 items.
