THE COLONIAL

W. W. WOODBRIDGE, JR.
The 1938 Colonial Echo is dedicated to the President, Charles J. Duke, Jr., Assistant to the President, and Bursar of the College of William and Mary. To him we offer recognition for the competent management of our school life; for the discovery and gratification of his effort to the students; for his good fellowship; for his so rare and so admirable responsibilities are great.
FOREWORD

The fortieth edition of the Colonial Echo represents the earnest attempt of the students to portray another year, another chapter in the history of William and Mary College. The tradition of the College has been known for centuries and will be known for years to come, but the events of 1938 are particularly interesting to the students who have participated in them. In order that these events may not be forgotten, this Colonial Echo has been published.

A MESSAGE FROM OUR PRESIDENT

Four years ago the Freshman class of 1937 and I started our career together. Graduation then lay far off in a distant and cloudy future; the same dark uncertainties that surround the paths of all travellers through an unknown land beset ours, too, when we began, and yet once more a class has come to graduation, once again the doors of the Wren building open outward on the untried world, for whose mastery, or at least for whose endurance, the class has prepared itself. There before each succeeding body of graduates stretches the broad way of adventure, which none may avoid, for that adventure is life, from which there is no escape so long as life endures.

The end and aim of college training is not escape, but triumph; not avoidance of conflict, but victory in battle. For that testing every class makes ready, to the outcome of that trial every student looks with courage born of difficulties already surmounted, and with confidence sprung from an inner certitude of increasing strength.

It is not the province of William and Mary, or any other college, to command success, but even so a higher privilege remains, the development of a spirit in its sons and daughters that outlives success and failure; that calm and steady radiance which does not flare and flame in transient prosperity, or flicker out in troublous times, but shineth more and more unto the perfect day.

We students of William and Mary—for I am, and of necessity must be, a student, too—though we look back with pride to our great predecessors, we draw from them nothing for the future that does not lie in ourselves. Their examples of fortitude under suffering, of patriotism amidst greed, of resourcefulness in untried conditions, may well call out of the depths of our being courage and generosity and imagination of which we were unaware, but the final answer for individual triumph or despair lies with each student today, and not with the recorded splendor of the men of other days.

For the class of 1938, as for every other class since I have been President of William and Mary, I have observed a steady growth in the essential co-operation that marks real citizens; in the deepening grasp of learning that characterizes the scholar, and above all, in the fineness of feeling that is the highest attribute of the gentleman.

These are acquirents, or shall we not rather say developments, that are not recorded on diplomas and cannot be taken away by time or fate.

To those who have attained, and to those who yet seek the higher way, I offer my greetings and my praise.

JOHN STEWART BRYAN
JOHN STEWART BRYAN

ORIENTATION BANQUET
BOOK THREE
James Branch Bocock was graduated from Georgetown University and began his varied and interesting career in the legal department of the Southern Railway Company. Since 1907, he has served as head coach and athletic director of six well-known colleges and universities, besides spending five years with the Restoration and four years as Special Agent in the Department of Justice. Coach Bocock came to the College of William and Mary as head of football in 1928. He left in 1931 to engage in work with the Restoration, returned to William and Mary in 1936 as coach of football, and in 1937 was appointed Director of Athletics at the College.
WAMPO

The William and Mary cheering sections at the football games this year were urged on to greater efforts by the antics of the newly acquired mascot, Wampo, an Indian pony. Adorned with a red headdress surmounted with war feathers, he would gallop around the track to celebrate each score with Tim Hanson and Jimmy Keillor riding tandem bareback in full Indian regalia. The high spot in Wampo's 1937 season came in the Richmond game when, elated by dragging a Richmond-Spider-on-Wheels behind him, he violated all rules of a well broken horse and, without the consent of the rider, went into a private war dance and then ran away.
"HONEST" JOHN KELLISON.

football scout extraordinary, and
head coach of basketball and base-
ball, was graduated from West Vir-
ginia Wesleyan in 1916 as a four-
l etter man. Served in the World
War for nine months. In 1921 he
went to the Rose Bowl as line coach
with the Washington and Jefferson
team. Honest John spent six years
at Virginia as line coach and scout
before coming to William and Mary
in 1929. He has held positions
such as scout, assistant and head
football coach, and basketball and
baseball coach.

At the end of the baseball season
Honest John goes back to his farm
at Hillsboro, West Virginia, where
he pursues his hobby of raising
Hereford cattle.

[ 103 ]
The William and Mary Indians were led in their 1937 football campaign by two able veterans, John Scott Coiner and Hugh McGowan, co-captains.

McGowan has, during his four years of college football, played every line position with the exception of end, and has turned in consistently fine performances. Coiner is one of the finest team leaders the Indians have ever known. A remarkable tenacity kept Coiner in the game for full time on many occasions.

Herbert A. Krueger, veteran linesman and clever ball player, has been elected to captain the William and Mary team for 1938-1939.

The William and Mary football team completed the 1938 grid season with a record of four victories and five defeats. In this, the second year within the Southern Conference and under the much discussed Graham plan, the Indian eleven displayed a spirited brand of football which throughout the years has earned William and Mary gridders the title of "Fighting Virginians." Under the tutelage of
head coach Branch Bocock, great improvement was shown over last year in spirit and morale, and the team out-played and out-gamed, if not out-scored, most of their opponents. Handicapped throughout the season by injuries and lack of reserves, the Indian eleven was virtually an "iron man" team, with most of the members playing the full sixty minutes against opponents with as many as three substitute teams. It was, perhaps, this shortage of substitutes that prevented the Tribe from chalking up an entirely successful season. The William and Mary first team showed itself to be inferior to no eleven in the state, and with a few more capable substitutes might have overcome the small margin of points by which the lost games were dropped. Although the Indians were at times outplayed and outscored, they were never outgamed, and the spirit which they showed even in defeat left a feeling of pride and satisfaction in the hearts of their supporters. If the Bocockmen continue to show this same spirit and snap, the 1938 edition of the team may be expected to give a good account of themselves when the backs go tearing by next year.
William and Mary ... 0; Navy ... 45

The 1937 edition of the Indian football squad, with Coach Boock at the helm, opened its season against the Navy at Annapolis with high hopes of a successful season. Led by co-captains McGowan and Coiner, the untried Indian team, which included only six letter men, were shot down by the heavy guns of the middies. The score was a great disappointment, but the defeat gave valuable experience to such sophomore players as Phillips, Twiddy, Dillard, Davidson. An injury to Sam Walker, letterman and first string tackle, was a serious blow to the William and Mary line, but Mike Hook, a junior, turned in a fine job as a replacement, breaking through to nail the clever Navy backs. In the second quarter the Indian defense took its firmest stand and turned the middies back for no score, but their lack of reserves told on them. The last two stanzas saw the final collapse of the tri-color defenses, and the Navy machine began to roll up the score. The offensive power of the Navy coupled with the Indian lack of reserves enabled them to pile up the highest score any opponent had tallied against an Indian eleven in the last ten years.

William and Mary ... 9; V. M. I. ... 20

The hard-fighting William and Mary Indians lost a well-played game at Foreman Stadium, Norfolk, October 2nd. Before a crowd numbering three thousand people, the Braves played heads up football to go into the third period leading by three points, but the same lack of reserve strength that showed at Navy cropped up, and they were unable to withstand the power of the Keydet eleven. In the first period, the Tribe's line was penetrated but once. The point after was blocked by Johnny Dillard, tackle. A Keydet fumble and recovery in the V. M. I. end zone netted two points for the Indians. At the start of the second period, Bunch passed

These Men Played Sixty-Minute Football, required few substitutions.
to Coiner on the 30-yard line. Then on a wide lateral from Phillips, Bunch placed the ball on the 13-yard marker, and Phillips bucked over for the tally. Twiddy converted the point after. In the second half the Keysters wore the Tribe down and were able to score twice. Co-captain Johnny Coiner and Sam Walker stood out in the Indian line and both played the full sixty minutes. In the backfield, Bunch, Twiddy, Phillips, Yeager, Hall and Della Torre turned in capable performances.

William and Mary . 12; V. P. I . . . . . . . 0

The William and Mary Indians downed the V. P. I. Gobblers in a game of good football and smart quarter-backing October 9th at Richmond, and broke the long-standing V. P. I. jinx. All the members of the team played inspired ball, with Bunch, Twiddy, and Kamen in the spotlight. In the first period Bunch passed to Kamen, which was followed by a pass from Twiddy to Kamen, who caught the ball on the 12-yard line and side-stopped two tacklers to go over the line standing up for the first William and Mary score. The next two periods were marked by the long-distance kicking of Bunch, who constantly kicked the Tribe out of danger. In the last period the Indians led by Gus Twiddy moved downfield to the 13-yard stripe in a series of off-tackle plays and end sweeps. Bunch hit the line for a first down on the 13, and Twiddy again drove through the line in two plays to the one-foot line for another first down. Bunch drove through the line for the second score.

William and Mary . 37; Guilford . . . . . . . 0

In their first home game, October 10th, the Indians beat through a breather with the Guilford Quakers. The game was a small edition of the William and Mary-Navy game, with William and Mary doing the dirty work. The only interesting part of the afternoon was the introduction of the new Indian's mascot, "Wampe." The Indians started right after the opening kickoff. Bunch and Hall ran the ball down to the Quaker's 23-yard line. A pass to Kamen brought the ball to the 53-yard stripe, from where Hall cracked the line for the initial score. Two minutes after the second kickoff, the Braves took advantage of an intercepted pass and went downfield again. An end sweep, a pass, and a buck, took Bunch over for the six points. Tirelis made the score 13 with a placement. In the second quarter, the Indians only went over once when a series of passes brought them down to the 6-yard marker, from where Della Torre went over the last stripe. Hall and Tirelis both crossed the last marker in the third quarter. In the last quarter a razzle-dazzle play was uncoworked. Della Torre passed to Cusco and he lateralled to Tucher who lateralled to Dillard for a total of 55 yards down to the 5-yard line, from where Bunch rounded end for six points. The whole Indian team blocked with precision, and showed that the great playing in the V. P. I. game was not accidental.

Their fortitude admirably represented the spirit of William and Mary.

The courage, stamina, perseverance of these men brought scores for the Indians.

William and Mary 38; American U. . . . . 0

The Indians had no trouble piling up a duplicate of the Guilford score against American University October 23rd at Williamsburg. The visitors offered little opposition to the Beeseckmen, who averaged nine points a quarter with ease. The blocking in their line was almost perfect, and the line must be credited with neatly opening up large holes almost at will. The backs ran and passed with precision, and the quarterbacking was smart, quick to take advantage of the breaks. In the first period a pass from Della Torre carrying over 25 yards to Twiddy in the end zone accounted for the first score. Hall also scored on a pass, but this time it was intercepted. The passing attack continued in the second period with Bunch throwing to Hanna for another six points. A little later in the period, Bunch again unleashed a passing attack ending in another score when Yeager caught the ball in the end zone. In the second half the Indians opened up their running attack. Bunch carried one over and then paved the way for Twiddy to go over the last stripe.

William and Mary 0; Virginia . . . . . . . 6

The Indian tribe dropped a close one to the Virginia Cavaliers, October 31 at Charlottesville. The game was marked by desperate fighting on both sides. Pete Bunch consistently kicked the Indians out of danger. After an intercepted pass by Hall, the Tribe started a drive up the field which was ended by the referee's whistle concluding the half. In the third period the Indians put on one of the best drives of the afternoon when they swept right down to the Cavalier's 10-yard line, but lost the ball. In the fourth stanza, after Virginia had scored by means of a pass, the trio-color opened up an aerial attack which was concluded by an interception. Phillips' 45-yard run late in the period was also offset by a Cavalier interception and a penalty. Phillips, fast sophomore tribe back, was the chief scoring threat for the Indians as receiver of Twiddy-thrown passes.

William and Mary 21; Hampden-Sidney . . . 12

The Indians tamed the Tigers November 6th at the Wigwam, although the Tigers threatened several times to repeat last year's upset. With the score 14 to 12 in favor of the Indians in the last period, it looked as if Charlie Hall's two placements were going to be the margin of victory. But in the closing minutes of play Gus Twiddy sliced off-tackle and outraced the secondaries to go over for the final score. The old story of reserves boomed up when the visitors started to push a very tired forward wall around in the second half; but the same spirit that had marked all the previous games was present and the Tigers only got started. Twiddy started throwing passes to Hall and Hanna for scores and then scoring the final six points himself on a beautiful off-tackle run.
The squad members of 1937 — our hopes for 1938 are founded on their merits.

On homecoming day, November 13th, the alumni witnessed one of the best games of the season. After a valiant struggle until the last minute of the fourth period, the Indians finally succumbed to the Washington and Lee Generals by a slight margin. The Generals scored first, but a pass from Della Torre to Bunch and another from Bunch to Kamen left the score 12-7 in favor of the Indians at the end of the half. In the second half the Generals again scored and converted, while the Indians with Bunch carrying the ball marched down to the 1-yard line, where because of two incomplete passes they relinquished the ball. Sam Walker played a heads-up game of ball in the line, as did Co-captain McGowan, who called signals from his line position.

The William and Mary Indians dropped the last game of their schedule to the Richmond Spiders on Thanksgiving Day at Richmond, when a blocked kick paved the way to a score. The Indians were unable to overcome the lead, despite several scoring threats. The teams were evenly matched, with Pete Bunch having a slight edge in the punting. Near the close of the first quarter the Indians ran the ball down into the Spider territory, but then relinquished it on an end zone pass. In the second quarter some beautiful running and a Richmond penalty brought the ball again into the shadows of the goal post, but once more the touchdown punt was missing. In the second half, the Indians opened up with their aerial attack, which landed them again near the goal line, but without avail, as the game ended.
The William and Mary line showed remarkable strength throughout the 1937-1938 season in holding off opposing backs, particularly as the reserve squad was weak and the first string men were obliged to play the major part of each game without substitutions.

The picture on the left shows co-captain Coiner stopping an opponent at the line of scrimmage for no gain.

The 1937 football season was marked by a definite improvement in school spirit at the games. There are several factors that contributed to this. The advent of mascot, “Wampo,” the band in their snappy uniforms, the four bad freshmen dressed in Indian costumes, the fine work of the cheering squad under the able leadership of Charlie Beal, and the enthusiasm of the freshmen cheering section—put them all together and William and Mary showed more pep this year than they have since the Civil War. May this spirit continue and next year hit a new high.

The placements after touchdowns that are so vital to winning football were cause for considerable consternation on the part of Coach Bocock this year. Pictured at the left is one of those rare occasions when the ball gets away clean and sails between the goal-posts for a winning point.
The first touchdown of the 1937-1938 season to be made on the home stadium was only the beginning of a track-meet-football afternoon that ended with William and Mary on the long end of a 35-0 score. Here in the picture Charlie Hall drives over from the three-yard stripe after a pass to Kamen had brought the ball to that point.

The varsity grid squad loses only four men this year by graduation, but these will be sorely missed in the 1938 lineup. Throughout their four years of college football these men have set an enviable record of able performance, sportsmanship and dependability.

TED Mcgowan, from Richfield Park, N. J., has shown his ability and versatility by playing in his four years at William and Mary, every position in the line but end and playing them all well. In his Freshman year, as center, he was a bulwark of strength in the Papoose line and easily secured the same position in his first year on the varsity squad. In his last two years he has alternated as tackle and guard, always turning in the same fine performance for which he was selected Co-captain of the 1937 squad.

JOHN CONER, end, from Washington, D. C., has completed a four-year record remarkable for ability, conscientious dependability and sportsmanship. Easily gaining a berth on the varsity line in his Sophomore year, Johnny has turned in a consistently fine performance by which he well merited the selection as Co-captain of the 1937 team.

Otis Bunch, backfield star from Cherrydale, Va., has, throughout his college football career, been a triple-threat halfback. A fast and elusive runner, an accurate passer, and a skillful kicker, Bunch, elected as All-State back his senior year, has been responsible for much of the Tribe’s success in the last three years.

Bob Goellnicht, end, from New York City, has turned in a record of perseverance and conscientious work that has earned him the respect of his teammates. Although hampered by injuries, Bob is the kind that never quits, and he may well furnish an inspiration to aspiring gridders in the future.

Otis Douglas little need be said. His fine record at William and Mary speaks for itself. "Doug" hails from Reedville, Va. When he entered William and Mary in 1928, he was a stranger to football, but, in four years, became one of the best tackles ever to wear the tri-color. It was in Doug's senior year that the tribe tied Harvard, and his fine work at tackle was a potent factor in the Indian's success. In the fall of 1932, Doug joined the William and Mary coaching staff. As trainer, assistant coach, and emergency doctor, his able service has won him the respect and admiration of all who have been associated with him. Doug's activities are not confined to football. In addition to his position as head Freshman coach, he has this year assumed the coachship of the swimming team, and is active in the promotion of intramural athletics. Doug is a gentleman and a sportsman.

FRESHMAN BOX SCORES

Frosh.............. 7; Fork Union.............. 7
Frosh.............. 0; U. North Carolina Frosh 8
Frosh.............. 7; Navy "Boot".............. 13
Frosh.............. 24; U. Richmond Frosh.............. 19

By winning their last two games, the William and Mary Freshman team turned what looked like a disastrous season into a success. Well conditioned by the new Freshman coaching regime, headed by Otis Douglas, they started fast in their opening encounter with Fork Union at the Stadium. Bill Byrne's well directed punts pushing the visitors back to their 1-yard line, the little Indians drove 34 yards after taking the return punt, and Lenzi kicked the extra point to give them a 7-0 lead. The frosh could not get moving again after that, and the Fork Union boys tied up the score in the opening minutes of play in the second half. The rest of the game was a punting duel.

The second tilt, also played at the Stadium, featured the heroic goal line stands of the Papooses in the 8-0 defeat at the hands of the North Carolina freshmen. The margin of victory was a second period safety and a fourth period touchdown. Twice William and Mary got the ball within scoring range, but lost the ball on field goal attempts. The line work of Chestnut and Stone was prominent.

The frosh went down to defeat at the hands of the Navy "Boots" of the Norfolk Training School at Norfolk 13-7. Coach Douglas gave practically everyone on the squad a chance to see action. The coaches used the game more or less as a tune-up for the traditional battle with the Richmond freshmen. Against their experienced foes the Papooses played good, hard ball, and deserve a better fate. Twice they scored what looked like touchdowns on beautiful plays, only to have them called back on penalties.

Behind 0-19 at the end of the first quarter in their important tilt with the University of Richmond frosh at Richmond, the little Indians put on a story book rally in the last three periods to net four touchdowns and a glorious 24-19 victory. Fullback Byrne did all the scoring, but Steve Lenzi did a lot of expert passing to set the stage for the scores. Holbrook played bang-up ball at guard for the little Indians. The last game of the season was with the Norfolk Division and played as a night game at the Norfolk Stadium. Heads-up football, extra-point conversion by the educated toe of Brodka, and an airtight defense was the winning combination for the Papooses. Five times the Division boys forced our frosh to defend their goal line within the 20-yard stripe. They got over once but missed the conversion. The Freshmen, on the other hand, capitalized on their scoring opportunity, and walked off with the game.

COACH KELLISON
The Indian basketball team, coached by Honest John Kellison, opened the 1938 season in a style that was all too characteristic of the 1937 disastrous season. On a three-day invasion of western Virginia, the Indians dropped games to V. P. I., 29-25; V. M. I., 20-26; and Washington and Lee, 42-20. Then in their first home game of the year the Indians lost to V. P. I., this time by a 41-31 count.

Opening their 1938 season against V. P. I., the Tribemen out-missed a veteran Tech five, 20-25, with foul shots playing a major part in the V. P. I. victory. Larry Oliver gathered ten points for William and Mary.

Washington and Lee, played at Lexington on the following night, crushed the Kellison-coached Indians, 42-20, with the elongated Spessard hitting the hoops for 19 points. Vince Lusardi was tops for the losers.

V. M. I., next road opponents for the touring Indians, almost broke the Tribe's losing streak, but, with the score tied at 26-all in the final minute of play, Paul Shu, Keydet forward, got away for a lay-up basket and was fouled on the play. V. M. I. won 29-26.

In their first home appearance of the new campaign, William and Mary again out-tumbled and out-missed an unimpressive V. P. I. team and, after almost tying the score midway in the final half, the Indians folded up and Tech drew away to a fine 41-31 triumph.

After having dropped these first four games, the Indians broke a 23-game losing streak started at the end of the 1936 season, by defeating the University of Virginia's basketball team at Charlottesville by the score of 31-27. There was no individual star for the Indians in their streak-snapping win over the Cavaliers. The scoring
was led by Vince Lusardi with nine points, but he was ably assisted by Frank Yeager with six, Captain Bunch with six, Larry Oliver with five, and Bud Metheny with three. The team was hard pressed throughout, but held the upper hand and deserved to win.

Against the Navy, the Indians were far off form, and after the first ten minutes they were never in the ball game. The final score was 61-20 and was by much the Indians’ worst drubbing of the season. Vince Lusardi was again the only shining light on a badly defeated team. Vince caged four field goals and three fouls for eleven points.

The following evening, the Indians showed an amazing reversal of form, and it took a furious second half rally to bring the Maryland team a 43-38 victory. At half-time the Tribe was leading 26-20. The Terps didn’t catch up until seven minutes from the end, and they were able to keep up the hot pace to walk off with the game. Frank Yeager had a great scoring night and was high man for the game with 18 points.

The University of Richmond, met at Richmond, showed too much height and speed for the Tribemen and the Spiders coasted easily along to a 45-28 triumph.

Opening their home try against the Cavaliers from the University of Virginia, the Indians pulled a nip and tuck battle out of the fire by a 41-40 score, to make the second win of the season, and both over the Cavaliers.

The Indians, instilled with confidence because of the victory over Virginia, faced the V. M. I. Keydets with aspects of another victory, but once more the Indians took the short end of a 35-30 score. At the half, after some close guarding, good passing and accurate shooting, the score was 15-15. The Tribe was again poor in the foul tossing department and rolled several off the rim which might have made a great difference in the final score. In the second half the Indians bogged down at the start and the Keydets ran up a six-point lead which the home boys could not overtake. Wayne Harper was high man for the Indians with eight points.

The next defeat was at the hands of the Washington and Lee Generals to the tune of 61-40, in which Bob Spessard added thirty points to his total for high scoring honors. A mixture of Spessard and too many personal fouls defeated the Indians, what with Harper, Lusardi, and Bunch being ruled off for personals.

The Indian quintet dropped the last game of the season to the Richmond Spiders by a 46-42 count in a closely contested battle. The Indians led up to midway in the second half when they let down in the pace they had been carrying and allowed the Spiders to close up the gap and forge ahead to win in the last few minutes of play. Thus ended another depressing basketball season during which there were amassed two victories and ten losses.
The 1938 freshman basketball season introduced itself with a new coach, in the person of Joe Flickinger, and a selected squad of fifteen men eager to get in the game for the class of '39. From this group Flickinger whipped into form a team that had coaches, varsity men and spectators dazzled. During the season it proved to be one of the best squads to hit William and Mary in recent years. Although their schedule of 13 games was a tough one, the boys got off to a good start by topping Hopewell High in their opening encounter. This was followed by four more successful games, with Suffolk High, Wilson High, Fork Union Military Academy, and Thomas Jefferson finding themselves on the short end of the scores. For the next game the squad traveled to Norfolk and met their first stumbling block at the hands of the Division lads. Off to their customary lead, the fresh held the upper hand during the first half but the rivals' attack during the final periods proved too strong and they dropped their first game 42-39.

With their first defeat to rankle them, the freshmen went to Richmond the same week and bowed to their old rivals, the young Spiders of Richmond University. The William and Mary lads entered this game a favorite and a defeat was quite a surprise. Following the Spider set-back the Papooses got back into the win column by handing defeats to Benedictine High and Farmville High on the Blow Gym court. South Norfolk High was made to take a back seat and in the same week the little Indians sent the Division boys and Maury High back to Norfolk after defeating them handily. In the next game the fresh came back at the baby Spiders to gain ample revenge for the early defeat with the one-sided score of 53-26. This game saw the boys at their peak performance. Flickinger's band of little Indians cut loose next with one of the most sensational games ever played in Blow Gym. They took the Duke University freshmen for a sleigh ride that ended 47-41, after trailing the Duke lads throughout the game. This game rang down the curtain of the season and left the capacity crowd of rout- ers limp from excitement. All the boys on the squad handed in fine records but the quintet that worked most clock-like consisted of Andrews, Taffe, Macky, Gondak and Broocks. Watch these boys next year. They are going to put William and Mary on the map.

The 1937 varsity nine ended the season with a record of nine wins and eleven losses. Of these nine victories about seven may be attributed to Adams and Waugh, who bore the pitching burden throughout the year, although aided by Daley, Oliver, and Zable. This pair, however, may also be credited with more than half of the defeats suffered by the team.

In the hitting department there were only three .300 hitters; namely, Yeager, Metheny, and Captain Edmonson. Especially effective was Captain Dan Edmonson in the pinches. Dan’s hits were timely as well as plentiful.

Coach Scott’s infield consisted of Captain Edmonson at first, Frank Koss at second, Elmo Benedetto at third, Frank Yeager at short, and Red Hern as utility man. The outer garden was well patrolled by the hard-hitting Bud Metheny and Charlie Baltimore. In left field the two catchers,
WAYNE Harper and Al Tirelis, split the assignments, alternating in the outfield and behind the bat.

The team played inconsistent baseball throughout the year. Many of the losses were of the one-run type in which errors and wildness of pitchers played the deciding part. The only real shellacking came at the hands of V. P. I. Two of the defeats, the Michigan and the first Richmond game, came as the result of home runs in the last inning. In the Dartmouth game the wildness of Oliver and errors in the

ninth paved the way for victory to the Northern Indians. The best pitched game was turned in by Rosy Waugh against V. M. I. in their home field. He let the Keydets down with three hits and no runs while the Indians, aided by a homer by Metheny, scored three times.

The prospects for very successful baseball in the 1938 season are apparent. The state championship is easily within the grasp of this team of veterans. Honest John Kellison, back in the baseball coaching reins, after a three-year's absence, can start lettermen in every position although it is doubtful that he will do so. At least
one sophomore and possibly two will be in the opening lineup. Only two lettermen were lost from last year's team, but one of them was Dan Edmonson, big first baseman, whose position is going to be hard to fill. At the present writing, three men, Oliver, Geddes, and Yeager, have been tried at the initial sack, but none have matched the play of the able Edmonson. The remainder of the infield will probably be Frank Koss at second, Red Hern at short, and either Charlie Beale or Frank Yeager at third.

In the outfield will be Rudy Tucker, a converted sophomore catcher; Captain Bud Metheny, veteran center fielder; and Charlie Baltimore, a holdover from last year's team, in right field.

The pitching and catching situation is apparently set, what with three returning hurlers in Bob Adams, Rosy Waugh, and Larry Oliver. And two capable receivers are also on hand in Wayne Harper and Ed Motley.
The diamond season for the William and Mary frosh of 1937 proved to be mediocre. Out of the eight games played, the squad came across the plate with four wins and four losses. Among the teams played were Fork Union, John Marshall High, Crew High, Hopewell High, Norfolk Division, South Norfolk High, and Maury High of Norfolk. The upset over the Maury team was the highspot of the season. The Norfolk team encamped on the local field with a strong ball club and entered the game a favorite. During the game, however, the frosh maintained a lead and came out on top. This win served to promote the spirit of the squad and for the remainder of the year they played a much better brand of ball. In spite of the fact that last year's season was not as successful as previous years, several of the freshmen have been invaluable to this year's varsity squad of Coach Kellison. Among the men selected for the '38 varsity team are Beale, Fowler, Geddes, Purtill, Tucker, Haley, and Martin.

Under the tutelage of Coach "Scrap" Chandler and captained by the versatile Al DeGutis, the 1937 varsity track team of William and Mary compiled a record of two wins and five defeats. The outstanding performers of the previous year, Captain Bullard, Flickenger, Mingee, Smeltzer, and Crutchfield, were sadly missed by the team.

The Tribe opened the season against the Indians of Dartmouth. The team from Hanover proved too strong and overwhelmed the Chandler-men by a score of 101-24. The visitors annexed first places in all events but one—the javelin, which was won by Lesner of William and Mary. Smarting under this defeat, the Indians came back a week later to conquer V. M. I. in a thrill-packed meet by the slim margin of a single point. The individual honors of the day went to Captain DeGutis, who scored a total of sixteen points. In the next meet the cinder men easily swamped a weak Hampden-Sydney team, taking first places in all events but the pole vault and the discus.

Hampden-Sydney proved to be the last victim for the Indians, and, although several of the remaining meets were rather close, the team was
unable to secure another victory. The Richmond Spiders, due to the excellent performance of their ace distance man, Bill Lumpkin, turned back the Chandlermen by a close score of 65-61. At the University of Virginia, the William and Mary trackmen fared slightly worse and came out on the short end of a 67-59 score. The University of North Carolina, next to Dartmouth, handed the Tribe its worst defeat of the season and the worst within the Southern Conference, when they repelled the invading Indians to the tune of 89-37. The Indian trackmen finally wound up an unsuccessful season with a 69-57 defeat at the hands of the Maryland cindermen.

With a coach of "Scrap" Chandler's ability directing track, it is unwise to forecast a weak team for the 1938 season, for Coach Chandler develops track ability where apparently none exists. Yet, due to the loss of outstanding performers, and the limited contributions of the 1937 freshmen team, the prospects for a successful season are none too bright. There are,
however, some bright spots on a rather gloomy general outlook. Captain-elect Roller of the 1938 team has in his years of college track turned in an enviable record in dependability and performance in the mile, half-mile, and in cross-country running. Bill Marsh has set an equally admirable record in the two-mile run and in cross-country track, and in the coming season it is possible that he may also compete in the mile.

Outstanding performers of the 1937 season were Captain Al DeGutis, Bill Murray, and Walt Zable. Captain DeGutis was a tower of strength to the team throughout the season and his excellent and versatile performance in the field events was a constant inspiration to his team mates. Bill Murray’s services in the high and broad jumps will be missed this year, and there is no prospect of an equally capable substitute. Walt Zable’s athletic career at William and Mary speaks for itself. He was outstanding in track as he was in all athletics in which he participated. One of the best low hurdlers and sprinters in the Southern Conference, Walt was a consistent point winner for the Indians, and he also left a vacancy that will be difficult to fill.

The freshman team of 1937 contributed several able men to the 1938 varsity squad. Heading this list is versatile Lloyd Phillips, outstanding in the dashes and weight events. Lloyd was a mainstay of the freshman team, often accounting for as many as a third of the team’s total points scored. Alfred Alley, a capable miler and cross-country man, is expected to show up well in the two-mile run. Leon Hayden, freshman standout in the 440, promises to supplement the excellent performance of Ranny Duke in the varsity quarter mile. Clay Herbst, seldom defeated in the freshman high and low hurdles, will join the dependable Bob Rowland in the fence-jumping department, and is expected to become one of the best hurdlers that the team has had in several years. Bill Walden and Jack Hudson will graduate to the varsity squad in the half-mile and will likely give creditable performances in that event.

W. and M. . . 50; John Marshall H. 67
W. and M. . . 47; Norfolk Division . 70

Scrap Chandler’s ’37 troop of freshmen Indians were unable to better their season over that of 1936. The end of the season found them with the score of one victory and four defeats. V. M. I. was the only team that the frosh were able to keep in hand and they did that to the score of 63-53. The other meets were close and the Papooses deserve a big hand in their fine teamwork and sportsmanship shown in these meets. One of the most exciting meets of the year was the attempt of the little Indians to scalp Richmond freshmen. The score was nip and tuck until the last event when Richmond took a first and beat the frosh for the first time in nine years by the score of 60-57.

High scorers for this group of cindermen were Phillips, who took part in the shot put, discus, 100-yard dash, and 220, and Lusardi, who competed in javelin, high jump, shot put, and discus. The experience gained from their work with the frosh squad helped many of these yearlings in obtaining a place on the 1938 varsity squad. Among these are Alley, Hayden, Herbst, Hudson, Phillips, Douglas, Lusardi, and Walton.
The 1937 William and Mary tennis season, while not impressive, ended with a record of five wins and seven losses, which is the best of the past ten seasons. With six new practice courts and four sophomores, Walker, Ryder, Jaffe, and Teal, the team showed vast improvement over the 1936 record of one win and eight losses.

Under the able coaching of John Lewis and the leadership of Captain Mitson, who led the way in the singles, the team showed a balance throughout the season and in the games lost the scores were by a close margin. Only in a single effort, against University of Virginia, were the racquetees completely swamped. The 1937 team was a stepping stone to the development of the 1938 team, which, with the addition of the sophomores who will have gained experience, should prove even more successful.

The matches which filled out the 1937 schedule were with Richmond University, Maryland, V. P. L., Duke, Wake Forest, Norfolk Division of William and Mary, and Lynchburg College.

The mainstays of the team last year were Captain Mitson in the singles matches, and in the doubles Walker and Jaffe, and Ryder and B. Reynolds. Teal, Mason, and E. Reynolds completed the squad.

Coach Lewis is optimistic over the coming 1938 season, for all the now veterans are returning with the exception of Captain Mitson, and with Sophomores Letson, Allen, Stublin, and Lansburg moving up into the varsity bracket, the team should be especially strong in the lower positions. The probable team for 1938 will include Captain Ryder, Walker, Jaffe, Reynolds, Letson, and Stublin.

The 1938 schedule includes Furman University, Johns Hopkins, University of Maryland, St. Johns, University of Virginia, University of Richmond, Lynchburg, and Norfolk Division of William and Mary.
The William and Mary fencers repeated their usual excellent performance this year, bringing home a clean sweep of eight victories and no losses in individual meets. Despite the loss of Jimmy Stangarone, the Indians’ ace foilsman, the team, composed of Captain George Anner, Paul Mackler, Ed Ware, Nick Woodbridge, and Henry Kibel, completely shut out two of their opponents and won all other contests by wide margins.

Journeying north for the Eastern Intercollegiate Fencing Tournament, the team met the best competition in the east and brought home second place. Next year’s team will miss the fine leadership of two year Captain Anner, but Coach Tucker Jones looks forward to an even stronger team than he has had for 1938.

Results of the 1938 season:

- William and Mary 16; Newport News 0
- William and Mary 13; Richmond 0
- William and Mary 12; V. M. I. 5
- William and Mary 14; Hampden-Sydney 2
- William and Mary 10; Maryland 7
- William and Mary 13; Newport News 3
- William and Mary 10; North Carolina 7
The William and Mary varsity swimming team, in this the first year under the direction of Coach Otis Douglas, turned in a creditable record of five victories and two defeats.

With the exception of Co-Captains Daniels and Hadke, and Joe Flickenger, the outstanding performers of last year's team returned to form the nucleus of this season's squad. In addition to this, the team was strengthened by several able men from last year's freshman team. John Tinsley, who won second place in the Southern Conference diving, was a consistent winner of points in that event. Jack Purtill developed rapidly throughout the season and captured second place in the Southern Conference 440-yard swim.

The Indians opened the season by swamping a weak Randolph-Macon team by a one-sided score of 56-19. The William and Mary tankmen showed up well in all events and displayed a balanced performance indicative of the able coaching of Otis Douglas and excellent cooperation of the team.

Invading the North Carolina State pool, the Indians took another scalp to the tune of 41-34.
Adam and Tinsley in the diving, and Shuler, Goldberg, and Purtill in the swimming events led the William and Mary men to their second victory.

At Duke the Indians didn’t fare so well, coming out on the short end of a 34-41 score. Smarting under last year’s 44-40 defeat, the Blue Devils had come primed for revenge. And they got it.

V. M. I. fell easy prey to the splashing mermen of W. & M. and were easily outclassed by a 46-28 score. Virginia also fell victims to the well-rounded Indian team by a count of 46-39, but were a much improved team over last season.

Washington and Lee in the closest and most thrilling meet of the season nipped the Indians by a three-point margin, 36-39, to register the second defeat of the season for the Indians. In spite of this set back, the W. & M. swimmers went on to drown V. P. I. by a score of 53-22 and to take third place in the Southern Conference meet.

Throughout the season certain men were instrumental in the success of the team. These were Shuler, Captain Brill, Goldberg, Brown, Helfrich, Purtill, Adam, and Tinsley.

FRESHMAN SWIMMING FOR 1938

At the close of the swimming season the freshmen mermen turned in a record of eight wins out of nine meets; so, congratulations to Coach Douglas for his fine work in training these boys. The teams beaten by the frosh were U. of Virginia frosh, Norfolk Division, Augustus Military Academy, Langley Field, and, in the first meet, Fort Monroe. In this first meet with Fort Monroe the yearlings were held in tow until the final event, the 180-yard medley. This they took in fine style to win the meet 35-27. Through continual drilling Douglas developed from these first-year men a team of power and speed. The team was captained by Tom Brennen, the team’s 100 and 220-yard man. The U. of Virginia brought their squad to Blow Pool and the frosh again submerged the visitors. From their fine show in this meet Douglas hoped for an unblemished record and he almost got his wish. Taking five out of seven firsts from Langley Field, the boys continued their winning streak. The only defeat of the season was delivered by Fort Monroe. The season closed with three more wins over Norfolk Division, Langley Field, and Augustus Military Academy. Next year’s varsity should be waiting with open arms for many of these yearlings. Here’s to a bigger and better varsity for ’39!

The Varsity Club is founded on the order of the "Green Key" Club of Dartmouth. The purpose of the organization shall be: (1) To promote general welfare of the College of William and Mary. (2) To encourage wholesome comradeship and sportsmanship among the athletes and other students of the college. (3) To encourage loyalty to the customs and traditions of the college. (4) To promote constructive athletics at the college.

A custom has been established which requires all members of the club to wear their monogram sweaters on each Tuesday during the college year. Any student that is currently matriculated and enrolled at the college and who has formally received an award in any major sport of a varsity monogram, is eligible to active membership in the Varsity Club, which was founded to take the place of the inactive Monogram Club.
The general supervision of athletics for women in the College has been delegated by the President to a Women’s Athletic Council, composed of three members of the student body and three members of the faculty. The student members are elected by the popular vote of the Women’s Athletic Association of the College, one each from the senior, the junior and the sophomore classes. The faculty members are appointed by the President of the College.

Every woman is given an opportunity to participate in any branch of athletics. The only requisite to participate is that the person be a regularly matriculated student in good standing and in satisfactory physical condition.
WOMEN'S FENCING

The William and Mary Women’s fencing team has enjoyed a very active and fairly successful season, considering that they are new to the sport and that they fence in the finest competition offered by eastern colleges.

Starting their season with a trip to New York early in March, the foilswomen engaged the New York Fencer’s Club, the Salle D’Armes Greco, and Salle D’Armes Vince—all topnotch schools of fencing. On this trip they also fenced N. Y. U., losing by a small margin. Returning south through New Jersey, they used the valuable experience gained at New York to defeat Panzer College handily, 6-3, and continued their winning streak after returning home, defeating Wagoner College, 7-2.

On April 9th, the College was host to the Tenth Annual Women’s Intercollegiate fencing tournament, entertaining Hofstra College, Cornell, Hunter, Brooklyn, and New York University.

The regular team is composed of four sophomores: Carrie Massenburg (Captain), Madge Dunn, Doris Locke, and Gardina Matejka (Manager). Tucker Jones is their coach.
William and Mary College is justly proud of its department of physical education for women, in which each coed is given an opportunity to enter into the sport for which she is best suited. Hockey is one of the sports recently added to the program, and it has been accepted with the greatest enthusiasm by the women.
The opening game of the season was played against the Richmond Division, on the William and Mary field. Both the varsity and the William and Mary Club were successful in defeating the evenly-matched Richmond varsity and Richmond Club teams. Honors in scoring went to Le Bair, Layton, and Sinclair.

At Richmond the two teams again fought a hard battle. Their efforts were rewarded by one victory and one defeat. The William and Mary Club won their match, while the varsity lost their game to the Division.

Individual practice followed, to prepare the outstanding members of the team for the state tournament. Try-outs for the all-state teams were held at Harrisonburg State Teachers College. Here the team met strong opposition in their games with Fredericksburg and Sweet Briar, tying the former and losing the latter. The idea of this meet was to choose individual players, and not teams (which fact gave us a glimmer of hope). The chosen players were to make up the all-Virginia team which was to represent the state in the Southeastern State Tournament. From William and Mary there were nine players chosen as members for the all-state teams. Those placing were: Burger and Miller, first; Sterling, Lowry, and Burgess, second; with Edgerton, Chammings, LeBair, and Sinclair, third. We were proud of Peg LeBair, a freshman, for placing.

The Southeastern States Tournament was held here at the college over the week-end of November nineteenth and twentieth. Despite the rainy weather, and the muddy hockey fields, the tournament was played off with a great deal of enthusiasm and success.
Dormitory Hockey League

An intramural hockey tournament was held this year under the auspices of the Women's athletic department, in order to provide enjoyable competition between the dormitory groups. Not meant as a step toward the varsity team, the league has for its purpose the promotion of clean enjoyment and an opportunity for participation in sports for a large group of women students.

The William and Mary Varsity Women's Basketball Team completed the 1937-1938 season with a record of five wins of the nine games played. The squad showed a great deal of improvement as the season moved on, and the foundation that has been built this year should prove invaluable to the next year’s team. At the beginning of the season, it was very evident that the team needed a great deal of practice to blend the talented individual players into a team that could work together in such a way as to gain the full benefits that these individuals offered. The way in which the team handled itself in the last two games of the season, with Panzer and Mary Washington Colleges, gave testimony to the fact that they had worked hard and that they were well coached.
The women who played throughout the season in the forward positions and distinguished themselves with the ability to sink baskets from remarkable positions with amazing accuracy were: Jane Hutchinson, Ann Layton, Rosemary Lyne, Lucy Bennett, Lucy Nelson, Mary Jane Miller, and Peggy LeBair. Those who won their laurels in the defensive positions as guards were: Jean Vosberg, Ann Mitchell, Prudence Searle, Margaret Mitchell, Grace Elliott, Nellie Winnaker, and Claudia Torrence. The team this year included many new-comers, all of whom had ability, and needed only intensive coaching in the art of working together. Their improvement in this season augers well for the record of the next year's team.

THE FRESHMAN BASKETBALL TEAM

The William and Mary Papooseettes, in their limited season showed that the future varsity teams would soon be receiving some very able material. Although the actual results of the games were not in the championship ranking, spectators at the games witnessed some fine individual playing, and, nearer the end of the season, some team work that any squad might well be proud of. Members of the team that will bear watching in the next three years are: Pat Beverly-Giddings, Peggy Gildner, Lucy Bennett, Peggy Lebair, Micky Mitchell, Shirley James, Anne Mitchell, and Charlotte Brown.

The games that were played were with the Norfolk Division, and with Saint Catherine's School, and another, a return game, with the Norfolk Frosh. It was interesting to watch the growth in ability of the squad as it progressed from an obviously inexperienced group to a smoothly operating aggregation. This bears testimony to the fact that the women's coaching staff has not been idle, and is thoroughly competent to handle the task to which it has been assigned.

THE COLONIAL ECHO
The History Club was begun in 1924 and has had for its purposes the promotion of interest in historical discussion, good fellowship, and understanding between students concentrating in history or using it for a related field who make sufficiently high grades. Meetings are held twice a month, with programs arranged, including talks by members of the faculty, and guest speakers from the surrounding community.

The Phoenix Literary Society was founded in 1886, and is one of the oldest organizations on the campus. It is actively engaged in promoting among the men students an interest in self-expression, reading, oratory, declamation, and debate, and affords its members an opportunity to become experienced in these fields. Meetings are held each Friday night in the Phoenix Hall of the Wren Building. All men students are eligible for membership.

WILLIAM AND MARY
The fall of 1937 saw the old Literary Magazine superseded by the Royalist, a magazine of pocket size designed to appeal not only to the literary group but to the rest of the students as well. Providing for the expression of a variety of talents, the new magazine includes fiction, articles on various aspects of William and Mary College life, poetry, book reviews, campus snapshots, cartoons, and other features. Such material dressed up with color and numerous illustrations has been made into a magazine that has been enthusiastically received by the student body.

COLLEGE CORNER
Lynchingburg engraved annuals are built upon years of experience as specialists in the field of school publications.

In successfully fulfilling the requirements of the modern college annual staff we have combined a comprehensive and systematic servicing program with that high standard of quality so essential in the production of fine yearbooks. Lynchburg engraved annuals are built by an organization specializing on school annuals exclusively, thereby assuring each staff of the personal and intelligent assistance so necessary in the planning and designing of a truly satisfactory book.

For Sixty-Six Years The Peninsula Shopping Center
The Editor and Business Manager of the 1938 "Colonial Echo" wish to express sincere appreciation to the following for their gracious cooperation in the production of the book:

W. A. Daniel and Hattie for their invaluable assistance with layout and design of the book.

Len Glover of the Lynchburg Engraving Company for his cheerful assistance with layouts and for cooperation on engravings.

Harry Baliban of the Merin-Baliban Studios for his patience, his philosophical offerings, and his excellent photography.

Mr. E. C. Rust and the class in clay modeling for their fine work on bas relief models for division pages.

Mr. Richard Velz and Jack Garrett for assistance with special photographs.

The respective staffs for their unceasing efforts to improve this book.
