Sir W.E. Monk, Esq.

Dear Sir,

I have this moment received your letter of the 3rd inst. stating that I had directed a demurrer of the writs on 29th December. In answer I certainly made a mistake, as I intended to write November and not December, and thank you for sending the contents of my letter to you that I could not have written December, because I was only to have the аппоинт made before the first day of January next, or no
usually made their engage
ments for the coming year
before its commencement?
I hereby fix the last of
November, or rather the latter
end of it, with a view to
accommodate Mr. Gordon, in
rules to Washington. Mr. B.
Baron for the hulk which
caused the Medusa and
now must ask of you the
former to Thursday the
19th of this month, Decem
ber, at the foot of the
printer notes please to add,
over my signature.

All printing bills will
please to be presented to John
S. Jones, Esq., Burton of the College
Richmond No. 21

The time for publishing must
now be changed. Please in
Richmond on the 10th of Nov and
in New York on the 12th of 13th

Mr Respectfully
and truly your

James Lyon
