J.H. Clark.
Dear Mr. Smith,

I am writing to inquire about the progress of the project outlined in our recent meeting. Specifically, I am interested in understanding the status of the design phase and when we can expect to see a preliminary design ready for review.

Please provide an update on the following:
- [Project Milestone 1]
- [Project Milestone 2]
- [Project Milestone 3]

I understand that these are critical milestones for the project, and I appreciate your attention to these details.

Looking forward to hearing from you soon.

Sincerely,

[Your Name]
