Dear Sister,

I think that the times will be better now after the first lieutenant and the Capt. is under arrest and Lieutenant George Bell is the only constant friend. That Company has and I is the best of them all.

Camp, Carroll Sept 22, 69

Please I take this pen in hand to let you know that I am well and hope that that you may find you in the same health I write to you from a few days ago and I have received your answer. I don't know if you know. I've got it or not. Please and write soon and let me know if you are well and what Sally is and if she is going and tell her to write and let me know what she is doing and if he is well.
it is reported here that Daniel was married. I don’t know if he is or not. But if he is, I wish him all the luck and a happy life. It has been very well but when well was in the other camp, I did not like it very much. Let me know how Cathern Bower is. Tell her that I am well and send my respect to her. Tell her to write and let me know what she is doing. The directions we have about fifty days to stay and then we will come home if we are sent in list.

They had about half of the Company enlisted. I have not yet and I think that I will not. I am well and ready for nothing at present.

Good by, dear sister,

From your brother Adam Porter
