Dear Friend Esther,

Received your letter also the snapshot of May and Dick which was fine, and I was certainly pleased to hear from you.

And glad Dick likes England, but as I'm in France I have not much chance of meeting him at present but you would be surprised to know how small this world really is and one meets the last person he expects to see have not as yet
All I lack as one of yourself now along with Gay and Dick, if you'll ask one please. I'd like very much to have one. Am feeling fine is about all I am allowed to write owing to the strict censorship but will write as often as possible and would like to hear from you. With best wishes to your mother and May I remain as ever.

Mac.

I seem my older brother but received a letter from him last evening and he is fine while my younger brother is either at Newport, R.I. or Norfolk, Va and is getting along fine. I must have seemed rather strange to see soldiers sleeping in the hallway at Montauk but I hope we all can be able to dance there once again and before long. I was hoping to be able to send a photograph of myself but have been unable to get one owing to not having seen a photographer, but will send one when I do.
