**OVERHEARD BY HIS LORDSHIP**

The outstanding event of the week was death, which
baffled the Back Bay Detective. One girl—let's call her
Mary B. —was found to be a double. A second girl—let's call
her Betty J. —was found to be a triple. A third girl—let's call
her Jane K. —was found to be a quadruple.

We hereby give notice that any girl found to be a five-
dimensional or higher-dimensional being will be
immediately transferred to the care of the President of
the University. Any such girl will be examined by a
panel of experts, including a mathematician, a
physicist, and a philosopher. The results of these
examinations will be made public within three days.

From the first down, the Freshman team took the ball and in
less than a minute player number one, Larry Johnson, was
alone about fifty yards from the goal line. He made a
poised and accurate pass to player number two, who
in turn passed the ball to player number three. Player
number three kicked the ball and the ball flew into the
net. The score was one to zero. The Freshman team won
by a score of 26 to 0. A big game for the Freshman team.

can be said in this game, except
for Tech's star quarter back, Bob Templeton, who
kicked the extra point and the
score was 116 to 10. W. & M. then kicked

himself. He then took a punt from the one
yard line, three
yards before he
had to stop, and
kicked the ball for the touchdown.
