Dean Hudson Contracted For Dance On March 17
Two Dansc And Afternoon Concert Will Be Features Of Gala Weekend

Dean Hudson and his orchestra have been signed to play at the William and Mary Hop on Friday, March 17, before arriving during the weekend. This replaces the Final Dance originally planned to be held after semester examinations.

According to Mary Lou Manning, the hop was changed because of the difficulty of getting a band for the end of the term, and because so many students will have gone home at the time.

The entire weekend will be a series of musical entertainments. On the afternoon before the dance, Dean Hudson’s orchestra will play for all the holders of dance tickets. Friday, March 16, an informal dance will be given at which the Colonials will perform.

The tickets, which cost $2.50, will include the Friday dance, the jazz concert, and the main dance Saturday night. Ticket holders will be open to the sporting events of the organization, and the soda shop, and the dorms and anywhere in the building. Receptions may be obtained at the door of the Ballroom, chairman. If the quota of 200 men is not filled, it will be impossible to meet the cost of having a "true" band. Bill Anderson, Bob McCarthy, and March are in charge of the ticket sales.

The Student Dance Committee, consisting of members of the organizations which have sponsored the Saturday night dances, will contribute the profits made from these dates. Marilyn Wood, Ann Davison, and Cherril Irwin, as Dance Committee representatives, are responsible for booking the orchestra.

WSG Conducts Voting Today

Nominations were made Monday afternoon at the Women’s Students’ Cooperative Government meeting for Executive Council officers and for three junior members of the Honor Council. The senior nominating committee nominated two for the two open seats, and two others were nominated from the floor.

Gusck Guske, Eithel Harwood, and Pam Paul were nominated for president of the Executive Council; Norma Froede, Jean Williams, and Bonnie Wolfgram, for vice-president; Nancy MacKen, Carol Neumann, Shirley Sprague, and Helen Timmons, for treasurer. Nomination for members of the Honor Council included Miss Reeder, faculty advisor. The purpose of the Honor Council is to bring out the personality of the student in the leadership of the students.

The debate with Pennsylvania took place at 9:30 p.m. today in the Benjamin Franklin Room of Mason Hall. The theme for the debate was "Resolved, That the United States should have a national defense policy." The debate was won by the Pennsylvania team, 9-1, through the personal presentation of the speakers. The two Pennsylvania men who participated in the debate were Robert M. Fox, president, and William L. Ten-Cate, vice-president. William Hudson was the guest of honor in the debate.

The programs for tonight’s play include Don Anderson, a junior, was awarded the first prize of ten dollars for poetry in the Royalel征收 for his "Along the Shore of Glory." The second prize of five dollars was awarded to Dr. G. K. W. P. F. P. Morgan, chairman, Dr. Edgar E. P. Morgan, chairman, Dr. Edgar E. P. Morgan, chairman, Dr. Edgar E. P. Dr. Robinson Will Discuss Excavated Greek Cities

Rediscoveries Of Olynthus Gives Illustrated Talks On Ancient Life

Dr. David M. Robinson, Vickers Professor of Archaeology and European History at the College, will be the star visiting lecturer at the College, on Monday, Tuesday, and Wednesday, March 12, 13, and 14. Dr. Robinson was chosen this year as one of the special faculty visitors in the Arts Program of the Association of American Colleges through whose courtesy he is coming to Williamsburg and Mary.

Students Plan Receptions

The principal event of Dr. Robinson's visit to William and Mary will be his address on "Olynthus, the Greek Pompeii" which will be delivered Tuesday, March 14, at 8:00 p.m. in Phi Beta Kappa Hall. Immediately after the lecture, Sigma Phi Fraternity and the Mystery Club have invited students in Ancient Languages and Fine Arts and other general education classes to an informal reception in the Dodge Room.

On Monday at 8:00 p.m., the Committee on Lectures and Art will present an illustrated talk for Dr. Robinson in the Dodge Room, at which he will speak on "Glory That Was And Is Greece." Members of the faculty and their families have been invited.

All interested students and members of Phi Beta Kappa will hear Dr. Robinson speak on "Olynthus, the Greek Pompeii," at 4:30 p.m. on Wednesday.

Dr. Robinson is not a stranger to the William and Mary campus. For in the summer of 1941, he was a member of the faculty of the College as special lecturer in the Sixth Institute on the Teaching of Latin. At that time he delivered a series of addresses on various phases of classical culture.

Author of Many Books

Dr. Robinson is known as the recognized authority on Olynthus, the fifth-century B.C. city now in northeastern Greece. Within a ten year period, 1928 to 1938, Dr. Robinson was professor of Greek at Hunter College, to which he was appointed because Olynthus is the only archaeological site in Greece which is still entirely in the hands of the Greek government.

The city was excavated by Dr. Robinson and his associates during a ten year period, 1928 to 1938. The excavations were sponsored by the College of William and Mary and the Oriental Institute of the University of Chicago.

During the excavation period, Dr. Robinson was in charge of the Olynthus project and was responsible for all aspects of the excavation.

In addition to his work at Olynthus, Dr. Robinson has published extensively on the subject of ancient Greek art and culture. He has written over 30 articles and books on the subject, including "Olynthus: A Reconstruction of the City," which was published in 1938.

Dr. Robinson is a member of the American Philosophical Society, the American Academy of Arts and Sciences, and the American Antiquarian Society. He is also a fellow of the British Academy and a member of the Institute of Classical Studies at the British Museum.

He is a native of New York City and received his Ph.D. in classical archaeology from the University of Chicago in 1928.

Dr. Robinson has been a member of the faculty of the College of William and Mary since 1938, and has been the chairman of the Department of Classical Languages and Literature since 1942.

Dr. Robinson will deliver his address on "Olynthus, the Greek Pompeii" at 4:30 p.m. on Wednesday, March 14, in Phi Beta Kappa Hall. The lecture will be followed by an informal reception in the Dodge Room.

The lecture is open to all members of the College community and their families, and is sponsored by the Committee on Lectures and Art in cooperation with Sigma Phi Fraternity and the Mystery Club.

Dr. Robinson will also deliver two illustrated talks on Tuesday, March 13, and Wednesday, March 14, at 4:30 p.m. in the Dodge Room. The talks will be open to all members of the College community and their families, and are sponsored by the Committee on Lectures and Art.

Modern Art Museum To Exhibit Paintings

"What Is Modern Painting?" is an exhibit planned by the Modern Art Museum of Art in New York City. The exhibit will be held at Phi Beta Kappa Foyer, March 7 to 27.

It is a teaching exhibit for those who wish to know the essentials behind modern painting.

Dr. Samuel Moore Robinson

building of small objects from the College's collection of ancient vases and antiquities.

He will also be available for conferences with students who are interested in taking up a career in archaeological investigation, research, or teaching; or for informal talks and discussions.

Dr. Robinson will meet with various classes on March 12, 13, and 14. He will be available for conferences with students who are interested in taking up a career in archaeological investigation, research, or teaching; or for informal talks and discussions.

Ward Wheeler Started First Royalist Policy

Magazine Fosters Student Writing

By Genny Townes

A "magazine such as the Royalist cannot only perform a literary function in encouraging more and better writing. It can be an investigator of college life, a collector, organizer, and publisher of valuable information about William and Mary," wrote Edwina-Chester Ward Wheeler when he introduced The Royalist to students of the college in November, 1937. It's predecessor was called The William and Mary Library Magazine.

Prizes Offered

The Royalist staff set out to work better quality of material by encouraging contributions from a much larger group than those who had been brought before. A system of prizes was designed to encourage improvement in the work of its contributors. The Livermore Fund was established on the 66th page of the magazine that contained articles on various life at William and Mary, carefully selected fiction, poetry, and prose. Students were to be posted with notes about positions in the last pages of the magazine. In the June issue appeared a notice, "THE FLAT HAT COINS TO FERS", accompanied by photographs of The FLAT HAT staff in action.

WILLIAM AND MARY IN DE-FER" was displayed on the first page of the Royalist (Editions of 1940 and 1942). Roanoke boycotters' staff included photographers, poets, artists, editors, and other works.

Returns To Original Policy

The Royalist reverted to its policies of the last issue, the quality and variety of the issues, and the worthiness of its features. The writer, to a new location.

College Red Cross Sets War Fund Quota At $2,000

C. T. Harrison Directs County Bid for $1,000

Door bells will be rung this month in homes from Bangor, Maine, to San Diego, California, by Red Cross representatives collecting contributions to the War Fund Drive of 1945. The national quota has been set at 200 million dollars, a sum which was surpassed in the 1944 drive.

Contributors are already at work in an effort to collect from each student contributions to meet the $2,000 quota set by the College Red Cross unit for William and Mary.

Last year's College quota of $1,500 was over-subscribed by the students, and Pam Pauly and Dick Baker, chairman of the drive, have stated that since the enrollment of the College is larger this year, William and Mary should be able to meet the 1945 quota.

Dr. Charles T. Harrison, chairman of the James City County Drive, which has a quota of $11,000, something more than one dollar per capita.

Meeting with the College canvassers, February 27, Dr. Harrison said, "No episode could be more gratifying than seeing the interest, competence, and serious intent of the campus representatives."

"I hope," Dr. Harrison said, "we shall not only meet, but exceed the quota. The need is so urgent locally, nationally, and internationally, that even 200 million dollars seems a small sum."

Other faculty members working on the present drive are Dr. W. M. Jones, who is directing newspaper publicity for the county; and Dr. Jess Jackson, who is one of the nine district chairs of the county.

Of the four city chairmen, two are faculty wives, Mrs. W. W. Merryman and Mrs. J. W. Miller. Numerous faculty members and their families are working as canvassers.

College representatives include the following: Pat Snyder, Shirley Sprague, Betty Baumgart, Jean Myers, Carol Shipman, Elaine Akehurst, Peg Thompson, Ginny Norrison, Ted Baker.

Carmyn Hughes, Virginia Bourlay, Kay Thompson, Mary Macomber, Jane Wilton, Beth Dowd, Ellen Westbrook, Maxine Welch, Margie Knowlton.

Plane Crash Kills Chaplain Robinson

Memorial mass was held in the small chapel at Old Dominion Hall on Thursday, March 1, for the late Commander John Frederick Robinson, Chaplain Corps, TJSN, who was killed on February 23 when an American Air Liner crashed near Marion, Virginia.

Chaplain Robinson was the Executive Officer at the Chaplain's School, coming here in March, 1943, when the school was moved from the Naval Training Station at Norfolk, and leaving a year later for an assignment to the Chaplain Division in Washington, D.C.

At the time of his death, Chaplain Robinson was returning to the Pacific coast following a tour of temporary additional duty in Washington, D.C.

You Give to the Worthiest of Causes When You Give to Your Red Cross

And if you should stop to ask the reason why—the answers are manifold! For this great army, your Red Cross, stretches out a hand of mercy to millions all over the world—soldiers, sailors, marines, and civilians. A hand that collects millions of pints of life saving plasma ... a hand that delivers millions of sustaining food packages to3ected allied war prisoners ... a hand that delivers heartening emergency messages from loved one and to loved ones ... a hand that brings food and clothing to helpless victims of a ruthless war. Yes, this is your Red Cross that does all these things and more! For over a war-torn world its hand of compassion offers hope and comfort to wrecked souls and maimed bodies. Can an organization whose every fiber is directed at aiding and giving solace to the war weary be denied?

Look to your heart for the answer.

Alpha Chi Defeats Tri Delt For Hoop Championship

Gamma Phi Takes First In B League

Alpha Chi Omega, for the second straight year, ran off with intermural honors in the women's basketball league at Randolph-Macon Women's College, when they defeated the Tri Delt 15-10. Scoring frequently in the first period, Alpha Chi ran up an opening lead of 10 points on free throws by Vineyard and Saul, and scorer points by Lamb and Vineyard. They were never headed thereafter.

Tri Delt, playing without the services of captain Millie Foster, scored 11 points in shooting baskets. Time after time Vineyard and Tau made successful goals for Alpha Chi.

In the second half the game took a turn. Randolp-Macon sank short close-up shots and the score at quarter time was 15-10. Tri Delt scoring were high scorers for Tri Delt and Lamb and Vineyard combined to total 26 points for Alpha Chi. Armstrong and Coleby started at guard.

Winning for first place in the "B" League, Kappa Gamma Giants challenged Gamma Phi Beta. Competition to the game ran close. In the first quarter when the score was 15-10, Kappa won the half at 9-7. Not until the last six minutes of playing time, when layers dropped in three baskets, and Crossh and Brown and observed another scored, did Gamma Phi Beta gain the points that decided their 18-25 victory over Kappa.

One reason for Kappa's defeat was its weakness in shooting baskets. Time after time Kappa was in scoring position, but never could direct the ball into the basket.

In a struggle for third place in the "A" League, Tri Delt and Chi Omega were tied 10-10. The ball had been deadlocked at the half when it was 7-7. Not until the last six minutes of playing time, when layers dropped in three baskets, and Crossbrow and Backbrow and observed another scored, did Gamma Phi Beta gain the points that decided their 18-25 victory over Kappa.

For Hoop Championship

Gammas Phi Takes First In B League

While we are gaily skipping to our classes this week in our usual do-or-die manner, Coach R. H. "Babe" McCravy and President John E. Foust are deeply considering the possibilities of either track or baseball, as both for William and Mary this spring. To us, this is nothing less than a momentous decision in the making and it vitally concerns the whole student body.

In the first place, tennis, popular as it is, cannot carry the load of being the only varsity spring sport. Reasons for this are many. T e n n i s is a sport, by its very nature, is limited to persons. Twenty-somethings. Then again, tennis matches are few and would not provide a full athletic calendar from the spectators' viewpoint.

There is a question for your consideration. "How much backing will you give to track or baseball teams?" Would they be played before crowds, and the like? The replies are many. Such as, McCravy and President John E. Foust are deeply considering the possibilities of either track or baseball, as both for William and Mary this spring. To us, this is nothing less than a momentous decision in the making and it vitally concerns the whole student body.

Such as, tennis is a sport, by its very nature, is limited to persons. Twenty-somethings. Then again, tennis matches are few and would not provide a full athletic calendar from the spectators' viewpoint.

The members of the 1944-45 Indian basketball squad are as follows: front row, left to right, Bill Pogerson, Al Atkinson, Stan Magdziak, Charlie Mackiewicz, Tom Campbell, and Vito Reanone; back row, Bob Hedlund, Tom Joynes, Eugene Butler, Bob Rodney, Bill Gillette, and J. C. Robinson.

Sports Spel

Braves Win Final Game

In the final game of the season the William and Mary basketball team published off Randolph-Macon on February 26, 50-38, on the home court. The game was close, according to the rest of the Tribe's home games, with bunch playing and close four weeks. Coach "Babe" McCravy's charges got off to a fairly good lead after a few minutes, but Randolph-Macon steadily closed the gap, and at halftime the Braves were behind one point, the score being 15-15.

The second period started off slow­ly but had four field goals by Coach McCravy in a few minutes time. Braves things up a bit. The Indians edged the scoring during the last few minutes of the tilt, as just about everyone on the Tribe-color squad made points.

Four Kids, Four Wins, Four Winners

For second string, Coach Rawlinson has also announced that three other players would be added to the regular list. The names announced were those of the "B" team. They are Mike Fisher, the Tigers' ace guard, Mike Fisher, the Tigers' ace guard, and Bob Seeherman, the Tribe's ace center.

Plans For Spring Intramural Program Given By Rawlinson

In the race for possession of the Indian basketball championship, eight teams were left in the running. The Indians edged the Tribe-color squad displayed an ability which, by the end of the first half, had enabled them to develop into a smooth-working combination.

The cost factor which hurt the Tribe more than anything else was the lack of capably reserves. In several instances the starting five had to go most of the way, five reserves against three North Carolina State, for example, was played without a single substitute.

Magdziak Leads Scoring

The Gamma Phi Beta shooting department were Stan Magdziak, Chester Mackiewicz, and Austin Wymer. Beatty of Chi Omega led the scoring, hitting 11 points in the first half while Tau and Alpha Chi were trimmed by Virginia.

A team usually performs better on its home court than anywhere else and the Braves proved it again. In Blow Gym they gained six wins against five setbacks. On the road, however, they were not as successful as only one of seven starts.

Theme of south Carolina opened the conference at the hands of South Carolina. The Indians beat out the Redmen 6-6. They came back five days later, however, to defeat the Marcellus and clinch their first victory. On the first day of Christmas vacation, they were trimmed by Virginia.

Winning their third straight, the Tribe beat out the Virginia Cavaliers, 53-37. In the final game of the season the Tribe were defeated by Georgia, 62-60. They ended the season with a record of 13-8.

For Spring Intramural Program

Coach Kenneth Rawlinson, keep in mind that the Indian basketball championship has been awarded to the current playing season. Coach McCravy and President John E. Foust are deeply considering the possibilities of either track or baseball, as both for William and Mary this spring. To us, this is nothing less than a momentous decision in the making and it vitally concerns the whole student body.

In the first place, tennis, popular as it is, cannot carry the load of being the only varsity spring sport. Reasons for this are many. Tennis is a sport, by its very nature, is limited to persons. Twenty-somethings. Then again, tennis matches are few and would not provide a full athletic calendar from the spectators' viewpoint.

Such as, tennis is a sport, by its very nature, is limited to persons. Twenty-somethings. Then again, tennis matches are few and would not provide a full athletic calendar from the spectators' viewpoint.

The high point of the season occurred on February 24 when William and Mary downed the highly-rated Richmond Army-Air Base quint by a 54-49 margin, for their fifth straight victory. The Indians beat out the Redmen 6-6. They came back five days later, however, to defeat the Marcellus and clinch their first victory. On the first day of Christmas vacation, they were trimmed by Virginia.

Winning their third straight, the Tribe beat out the Virginia Cavaliers, 53-37. In the final game of the season the Tribe were defeated by Georgia, 62-60. They ended the season with a record of 13-8.

That's a challenge. Give them every ounce of support that we can give them and that's a challenge.
The black-shooting-chad Farmville basketball team invaded Jefferson Gymnasium Tuesday afternoon in an encounter with the William and Mary and Phi Beta's second teams won their semi-finals. Here they were met by the Phi Betas, 35-12.

The entertainment committee has provided several activities to aid the College. When the plan of naming victory ships after colleges of every William and Mary alum­

Kappa, Gamma Phi Are Second Team Champions

The coed basketball teams this last week fought for the chance to play in the "B" and "B" league finals in Jefferson gymnasium. As the result of the undefeated, Tri Delta's and "B" league teams and Phi Beta's second team and Kappa Gamma's and Gamma Phi's second teams won their way to the finals.

In a game that was rough and hard fought, T-D Delta scored a 9-4 victory over favored Phi Pi in March, 1, re-­

By El Weber

We offer congratulations to the winners of the basketball inter­personal play. Alpha Chi Omega showed their prowess all through the tournament and came out with a well deserved championship from among the first team of the sorority league. Jefferson Hall also appeared in the play and won and by winning all their games took first place among the dormitories. Glory also came to Jefferson through the outstanding play of their second team as they were second in the sorority league.

The Gamma Phi Beta victory over Kappa in Saturday's grand rush for cabs in Farmville was barely pressed by the campus of West­­hampton. The girls were quite impressed by the campus of Westhampton. The girls were quite im­

Alumni Donations Reach $4,000

Results of the initial Charter Day Gift Program have been very gratifying, according to Miss Alyse Tyler, Executive Secretary of the Society of the Alumnii. From 109 contributions, about $4,000 has been collected, with $3,000 of the contributions to be listed by the State Sailor and the remainder of which is being prepared by the Alumni Office, to be sent to all alumni on the original mailing list.

Last December, letters of solicitation were sent in members of the Alumni Society and to others who were interested in this program, which was inaugurated in order to raise alumni, as well as funds for the club, having an opportunity to contribute to the scholarship program of William and Mary.

The immediate objective of this plan will be to set up scholarships in memory of every William and Mary alumnus who was killed in the present war. There are already fully funded on the College Honor Roll, and is in hung to the foyer of the Will­

**Juniors, Seniors Entertain Flyers**

Eighty Langley Field officers were entertained Friday night by junior and senior crews at the third dance sponsored this year by the Entertainment Committee of the Coed Basketball Program. The dance was called off in accordance with the St. Patrick's Day theme, Phi Beta Kappa Hall was crowded with 4-6 leaders and 30-40 intensively cooked and punched were served.

Coachman Dorothy Fisher and Miss Elaine Fox entertained with a memorable evening. Kay Lowery took charge of refresh­ments. Distinguished representatives of the Coed Dance Committee were as usual the winners. Karin Ann Brown of Brown, ToddBrooks, Harriette; Jane Dickerson, Barbara; Eddie Barrett; Frances Butner, Kappa Gamma; Betty Rose; Antrim, Alpha Chi Omega; Will Ann Bender, Chi Omega; Pollock; Kappa; Tri Delta; Deanne Lepor, Phi Pi; Jean Cline, Kappa Delta; Eddie McElroy, Gamma Phi; Betty Cresson, Phi Mu, and Tillie Mill, Theta.

The entertainment committee has promised to do this in cooperation with Langley Field officers and a Val­entine Dance for pre-Anticipation students at Campus Party. Among other activities is direct the Sunday Night Open House at Blow Gym each week, place for Rose Queen festivities and help the Col­lege Dance Committee with dances.

Bruce McCully Studies
In United States, Europe

History Professor's Interests Include
Editing Civil War Diary, Hiking, Biking

By CONNIE CONWAY

Even though History was his first idea of a major, Dr. Bruce T. McCully, associate professor of History, received his Bachelor's de-

gree from Rutgers in English Literature.

Born in northern New Jersey, Dr. McCully attended grade and

high schools there before entering Rutgers. After his graduation from

college, he began teaching in New Jersey schools prior to going to

Columbia for graduate study.

Receiving his Master's degree in

History, Dr. McCully taught geography and

Social Studies at Princeton. He returned to

Columbia to begin study for his doctorate in historiographic

relations and law. As an out-

standing student, he earned a position at

Columbia while still working on his dissertation. Awarded the

Cunningham Fellowship, he went to Europe in 1913, and spent a good deal of his

time in England doing research on

Indian nationalism. He also toured the

continent, and saw many of the famous places of interest in Europe.

When he returned from Europe he became an instructor in history for

University of South Carolina, in the fall of 1940 Dr. McCully came to

Williams and Mary. His dissertation on Indian nationalism was pub-

lished that year.

As an ardent hiker, Dr. McCully has taken extensive hikes in this territory,

as well as in the White Mountains and Presidential Range. He and Mrs. McCully

do also some bicycling in lieu of hiking.

The William and Mary debaters were entertained at dinner at the

Officers' Club by Commander and Mrs. R. H. Whitaker, the former

adviser for the Quarterdeck.

Debates Non-Decision
Having spent Wednesday night in

Amazographit, the speakers traveled to

John Hopkins University, Baltimore, Maryland on Thursday, March 1.

Mr. Henry Wolf, professor of the Hopkins debating team, met the

William and Mary visitors. At 4:00 p.m.,

the debate took place in the Sher-

wood Room of Levering Hall before

group of about twenty students. The

first negative speaker was Ernest

Kendall, and the second was Robert

Wolf, both seniors. Chairman for this

debate was Leonard Lerner, and

Theodore Kaiser was time-keeper.

All the debates were non-decision.

in every encounter, the opposition was

outmatched of all men. William and

Mary upheld the affirmative throughout.

Sovereign President
Appoints Chairmen

Committees of the Sovereign Club have been appointed by Sovereign President,

president. The committees include the

Social committee with Jim Keyser,

Chesapeake, and the song committee

with Bob DuFerrant in charge. DuFerrant

will also head the interclub commis-

sion. The public relations committee

is headed by Ben Bray. The initiation

committee will work with Bert

Winans and Bill Murphy in charge.

Let Your Conscience . . . Be Your Guide

The Office of Defense Transportation has not as yet issued any statement restricting civilians from week-end travel. Still the transportation situation is one of intense congestion. We, as College students, must realize this and act accordingly. The transportation problem can be solved if each one of us will consider our own case carefully. We must decide whether or not it is a dire necessity that we leave campus.

Government Requests . . .

At the request of the Government, the formerly scheduled Easter recess has been cancelled. Another request which the Government has asked us to comply with is that we choose Tuesday, Wednesday, and Thursday for necessary travel, helping to eliminate the excess week-end travel.

No Excuses Granted . . .

It was announced at the Women Students’ Government meeting last Monday night that even for those students who are now in the military, no appointments will be granted in any case during the period of the formerly scheduled Easter recess.

Congested Vicinity . . .

William and Mary is situated in the section of the county which is unparalleled in travel congestion. The least we can do to show our patriotism is to stay away from transportation facilities. Keep the good old days were back again!” Some referred to elaborate organizations as extra-curricular activities of a well-rounded college life. Such music groups which are an integral part of their campus life. Such efforts are necessary as extra-curricular activities of a well-rounded college life.

Poorly Attended . . .

The students here a few years ago enjoyed some of the best concerts conducted each spring. Spring fever is caused by laziness, but you students are idealistic, when you see the green grass you think of spring. The few that have decided to go out with the war. What happened to Homecoming? To the many various events that went out with the war.

Joint Concert Planned . . .

As an added inducement for joining either activity, one credit is given for two consecutive semester’s work when the student has taken a basic music course or its equivalent. Dr. Andrew Haigh, head of the Music Department, has been a basic music course or its equivalent.

Necessary Organizations . . .

So many colleges, smaller than William and Mary, have active music groups which are an integral part of their campus life. Such organizations are necessary to extra-curricular activities of a well-rounded college program. Are we going to let the chaos in the orchestra slip into oblivion because of lack of student support?

Chorus And Orchestra . . .

Lack Student Support . . .

For the past few weeks, the chorus and orchestra have been poorly attended. Having become almost traditional activities for undergraduates for many years, both organizations are threatened with extinction because of lack of interest on the part of students. The chorus and orchestra have much to offer the College in the way of entertainment and education, but they are entirely dependent on student participation.

Desirable To Change Date . . .

After a little investigation, it was found that I am more to change the date. This was desirable for several reasons but most important, the financial reasons. With transportation as it is, not a few bands you, the students. Merely buying a ticket will not be enough for you in April or even the latter part of March.

Success Defends On Students

Students, this is your dance and if it falls through, it is your own fault. Practically everyone of you was in favor of the change.

Letter To The Editor

To The FLAT HAT:

We are going to have our final dance. After much work, many visits, and time, the plans for a final dance with a name band is in the planning stage. The arrangements have been made, the band contracted, and the date selected.

From the fall of 1942 on, the various bull sessions around campus have been almost as exciting as the planning of the many various events that have been going on this past year. What is going to happen at the final of the year? Tell us, will we see Dean Hudson and his orchestra when they were here to play before? Others might recall his name band, the Song and Dance, as a name band of years back. The rest of us will have a chance to bear her for the first time in two weeks.

There are going to be some students disappointed with the selection, some have been on a “big name” band. The answer there is that you have a name band, student, how big you want to make it. To you, the few of you who have not heard of Student can reassure yourself in the fact that this was recently released from service and organized his new band, and, according to Colonial Tommy Smith, “It is even better than he was before the war.”

Success Defends On Students

Students, this is your dance and if it falls through, it is your own fault. Practically everyone of you was in favor of the change.

To The FLAT HAT:

Our Pello Fund Raising Campaign has ended in a very happy way—

The sum raised in 1944 was $935.00.

The sum raised in 1945 was $259.00.

Through your services and those of others we have been able to do this, not only the gratitude of the people of our community, but also heartfelt salutations on the part of these children whom we have served. Their parents and teachers will preserve their thanks, their heartfelt privilege and heritage in giving while enlisting will greatly increase the America of TOMORROW.

Gratefully yours,

R. G. CARR
Chairman
