Invitations To All State High Schools

To Visit Wm.-Mary On Homecoming Day, Nov. 16

The College has announced plans for an extensive and interesting Homecoming Day celebration. This will be the first occasion on which Homecoming Day will be celebrated at the College and is expected to be a fine opportunity to impress the alumni and friends of Williamsburg.

An attractive group of school bands from various parts of the state will be present on the grounds. They will be accompanied by bands of the College of William and Mary.

All day the College will be open to public inspection. A special feature will be the opening of the new Thomas Nelson House, to be dedicated in a formal ceremony.

A program of orchestral music and choral and solo singing will be given at 4:00 o'clock, with the College band and a substitute band.

At 5:30 o'clock there will be a parade of school bands and other groups, with the College band leading. The parade will proceed to a point adjacent to the stadium, where it will be reviewed by the President of the College, Mr. Herbert Young.

Following the parade, special arrangements have been made for the entertainment of the students. The program will include a series of radio programs, "This Is Wm.-Mary," and an address by the President of the College.

In conclusion, it is expected that the Homecoming Day will be an interesting and enjoyable occasion for all those who attend.

College Radio Program Over WIRL Features "Traveling Mike" In Wren

Another of the series of radio programs, "This Is Wm.-Mary," was presented this afternoon at 3:30 over WIRL. For this program the campus announcers were visited in the Wren Building. Mary and William have been partners in business for over 27 years. The program was received with enthusiasm by the listeners.

The College has issued invitations to several prominent members of the faculty and administration to visit William and Mary and to participate in the Homecoming Day celebration. The invitations have been extended to various members of the faculty and administration, including the President of the College, Mr. Herbert Young, and the Dean of Men, Mr. Charles J. Worthen.

In view of the events in Europe and the possibility of war, it is expected that the Homecoming Day will be a time of special significance for the students and faculty of the College. The College has always been received with enthusiasm by the students of the College.

The activities of the initiates of the Flat Hat Club will be under the direction of the President of the Club, Mr. Herbert Young. The activities will include the selection of new members, the planning of social events, and the promotion of the interests of the Club.

The College has always been proud of its traditions and its contributions to the community. The Homecoming Day celebration will provide an opportunity for the students and faculty to participate in these traditions and to show their spirit of cooperation and enthusiasm for the College.

Furthermore, all five chose the same topics for their presentations.

Better Light for Better Sight

Nature gave us our eyes as they are; our work is usually set out for us by someone else or by circumstances; but students particularly require good light for their work. Try ours and be light!
