Dr. Katherine R. Jeffers has joined the college faculty as dean of women, replacing Dr. Grace W. Landrum, who resigned last spring.

Twenty-five faculty appointments have been made, according to Dr. John H. Fehr, president. The college, which has an enrollment of 1,000 students, will open on Wednesday, Sept. 23, at 7:30 p.m., when women students will take their WSCGA examinations in Phi Beta Kappa hall.

Dr. Fehr stated that special appointments will be made at his request:

- George M. Fehr, assistant professor of fine arts.
- Olga D. Stull, librarian.
- W. Edward Worthington, instructor in English.

The colonel, who is here on leave of absence this year, is Dr. John H. Fehr, president of the college.

The newly-appointed faculty members are:

- Charles L. McPherson, instructor in English.
- William A. Bofia, assistant professor of philosophy.
- Robert F. Willard, assistant professor of psychology.
- Dorothy S. Fehr, instructor in music.
- Beatrice K. Rome, instructor in English.
- Charles W. Schmitt, instructor in government.
- David E. Thomas, instructor in history.

The faculty members who have been reappointed are:

- William A. Bofia, instructor in English.
- Robert F. Willard, assistant professor of philosophy.
- Dorothy S. Fehr, instructor in music.
- Beatrice K. Rome, instructor in English.
- Charles W. Schmitt, instructor in government.
- David E. Thomas, instructor in history.

The total number of students is 1,000 men and 180 women, according to Dr. Fehr.

Welcome, Freshmen

We extend a hearty and sincere welcome to the incoming freshmen and transfer students. As time goes on you shall discover that The College of William and Mary “grows on you.” You soon will find that the older members have indeed and scrupulously at Lord Botetourt, and as you go to class and participate in activities a feeling of your thoroughly curiosity, the more the mind is satisfied, the more the interest of belonging will come over you. When you decide to do and not do, you will not be successful in your field of interest regardless of your previous success or failure. You can achieve success just by the very fact of being in college.

The wearing of freshman caps and the attending embarrassing of this symbol of the manhood of the freshman is a very important and sometimes useless function. These activities will bind the freshman class together in a close and endeavor to make him a part of the group among you. If you, the members of the class of ’51, show some interest in your class, you have accomplished more than a great many of Lord Botetourt’s contemporaries. You have no idea of the many of your mutual problems will aid you in forming a tightly-knit group. You have a tradition and a city is in a tradition that has been maintained throughout the years. A “hello” is sufficient introduction here. The responsibility of the freshmen rests entirely upon the individual. They require that you be ladies and gentlemen—up holding it an extremely simple matter.

On your second visit to this college. You will get out of The College of William and Mary just what you put into it—no more and no less.

EDITOR’S NOTES:

This issue of THE FLAT HAT, published especially for the freshmen, was made possible by the early return of the following members of the staff: Edward Griffin, Joan Felix, Beverly Owen, William Corben, Corey Billard and Business Manager, Louis Bailey.

Words From The Managing Ed.

By ED GRIFFIN

Greetings, freshmen. This is the first issue intended primarily for you, it seems that we should duplicate, except in a few places, the characteristics of our state college of our friends. They will probably do you no good whatsoever, but the space had to be used. Williams and Mary, as the place is known to many of the tourists who visit Williamsburg, is beginning its 255th year with the largest enrollment in its history. Five hundred students and some classes will have twice as many students as it had in the pre-war year. The situation should improve, however, before fall or certainly by 1946; though previous years have failed to be the ideal of ratio of 600 to 1000 women to men, this will be the ideal of 1 to 1 ratio of 1945-46 enjoyed.

The orientation program will begin August 17th, and W&M and you will absorb more information with each succeeding day. You find that the cafeteria food is fairly good and on numerous occasions have deviated from our clothes and lots of you will probably wear them long after the last of the blue armbands for a fraternity initiation which will be followed after graduation. They fade when compared to the pleasure, which may be found here.

If you become bored it will be because of a lack of participation in school affairs. Extra-curricular activities abound and a couple of them, plus a full schedule of classes, will keep you busy all day. For those interested in journalism there are three publications: THE FLAT HAT, the Colonial Echo and the Royalist. Anyone with the ability to write is urged to try out that you can be a leader.

If your ambition is musical you should investigate Mr. Reh’s chamber music, one of the most collegiate organizations in the country, the glee club of the orchestra. You might be interested to join in religious rituals or the theater. By all means find a place to play, a camera or spectator. Those interested in joining a fraternity or sorority should have ample opportunity.

Having been serious for three paragraphs, we now come to the last paragraph of this issue. It should be known to your friends that THE FLAT HAT is a unique and student publication. As such it is a community of interests which will be followed after graduation. They fade when compared to the pleasure, which may be found here.

Braves Face Strong Schedule
Three New Men Named As Coaches

Several important changes in the athletic staff of William and Mary have come about during the summer, necessitating full-time coaching staffs for both football and basketball. Dick Gallagher, very well-liked assistant football coach and basketball coach at the University of Michigan for three years, was added to the staff to bring it to full size.

Barney Wilson, who played under Head Coach McCray at Tennessee for three years and has coached at Union College in Kentucky, and at the Cleveland Browns of the All-America professional football conference, where he will be an assistant coach.

Vandy White is the man who has been head basketball coach at the U. of Maryland Junior College for the last three years. He has been made a member of the athletic staff to fill this vacuum created by the departures of Coach McCray and Barney Wilson.

The thunder of the approaching football season started earlier.

As Coaches

Open the 1947 William and Mary athletic program will be a game with the V.M.I. Keydets, in football; and with the Norfolk State College men, in basketball. Freshman Sewell Apple, of Newport News, was named as head football coach, and Busch Miller, of the faculty of Maryland Junior Varsity at Hampton and a graduate with the Richmond Jaycees, as assistant professor in the physical education department; and E. A. (Dick) Simonson, trainer.

Tribe Wins National Tennis Crown

As Larned Takes Singles Laurels

William and Mary's great tennis team captured the N.C.A.A. intercollegiate tennis championships played at the University of Kansas last May 29-31.

After beating an old rival, Herbert Flam, in the fourth round, Gerald Kowles got a crack at Evert in the semifinals, but dropped a 9-7, 6-8, 6-3 decision.

In the finals, Kowles' opponent was John Evert of Notre Dame in the quarter-finals; Straight Clark of Southern Cal., in the semi-finals, but dropped a 9-7, 6-3, 6-4 decision.

Howe Atwater, the fourth William and Mary man to finish in the top ten. Laidlaw, one of the strongest men in the conference, lost in the third round, apparently in a battle of equals, but the question of how many equally evenly matched.

Junior Varsity Meets Apprentice In First Contest

Opening the 1947 William and Mary athletic program will be a game with the Newport News Shipyard Apprentice Team. The game will be played under the lights Saturday at 8 p.m.

The Junior Varsity football team, under the direction of Coach R. N. (Bucky) Green, was somewhat stronger as seven of the returning stars from last year's squad - include Head Coach R. N. (Bucky) Green, Line Coach Marvin Bass, Center and Blockback Frank Parks, and Backfield Coach Eric Tipton.

As Larned Takes Nationals

Smokey Signals

The thunder of the approaching football season started earlier, and beat out a loud, more ominous rumble this year than it has been before -- even greater than in 1946 when the road of returning champions beat the golden path to all the football stadiums.

There is reason to believe that the William and Mary team will continue to march toward making this one of the greatest years in football history.

All over the nation there are reports of ex-sportsmen with a year of post-war experience and random talent lining up the gridiron. The major power seems to be centered in the Midwest and South.

Here at William and Mary, Coach Bobs McCray has reason to be happy because of the returning veterans from last year who will enable him to send out last year's scoring lineup virtually intact.

Among those returning are all seven of the regular 1946 - line plus a few of the spots'. Regulars from last year who are back include John Pellack and Moe Kish at tackles; Mike Mikula, Steve Chipok, "Jug" Davis and George Hughes at center; Sam Match and Bobby Curtis of Rice won the doubles championship after Larned and Bartzen, first and third, lost in the fourth round. Kowles and Atwater, who finishedAdvanced as far as the semi-finals before losing to Match and Bartzen, third.

In doubles, Kowles and Atwater won just ahead of Bartzen in the three set fifth round.

The Indians did quite well in the semi-finals after Larned and Bartzen, first lost to Match and Bartzen, third, lost in the fourth round. Kowles and Atwater, who finished Advanced to the round won just ahead of Bartzen in the three set fifth round.

One of the finest home schedules in the history of the William and Mary football team will be on the ten game slate which has been compiled by Coach R. N. McCray for this fall.

Playing eight conference foes, the Tribe will open against Penn State at Easton, Sept. 27, before going to Boston to face Boston University, Oct. 4.

This is also the only one-time-looker encounter for William and Mary.

The second non-conference opponent on the schedule is Bowling Green University of Bowling Green, Ohio, who comes to Williams­

The Tribe has won 20 of the 48 meetings with the Eagles, winning the last two by a combined score of 83-10. The Tribe is favored by 3 points.

Big Contests To Feature UNC, Deacs

A very well taught and adequate course of study was offered to 30-old coaches from eight states at the annual coaching school sponsored by the College of William and Mary during July. Under the direction of Athletic Director R. N. (Rube) McCray, the four main sports were discussed.

Guest speakers added color and different viewpoints to the instruction, besides doing a fine job of teaching. McCray, aided by assistants Marvin Bass, Tom Power and Al Vandeweghe, lectured extensively on the various aspects of football. They used film strips to help put across their points, while in the audience some of the athletes who attended summer school helped them demonstrate the lectures.

Parker Visits

One morning's grid instruction was aided by a surprise visit and lecture by Clarence (Ace) Parker, who spoke very authoritatively on the forward pass. A former Duke mentor an opportunity to increase their knowledge of their sport, also gave them broader views of coaching. Those who attended were liberal with their praise but regretted that more coaches could not attend.

Jessup Talks Baseball

Baseball, under likeable J. C. (Bill) Jessup, Detroit Tiger scout for this section of the South, outlined the principles of the game and the players' roles. He stressed in the time devoted to the "national pastime." The technique and strategy of the game were covered in detail, and the players were given an idea of how the game is played professionally.

One morning's grid instruction was aided by a surprise visit and lecture by Clarence (Ace) Parker, who spoke very authoritatively on the forward pass. A former Duke mentor an opportunity to increase their knowledge of their sport, also gave them broader views of coaching. Those who attended were liberal with their praise but regretted that more coaches could not attend.

The National Pastime

The "national pastime" has been a favorite sport of the American people for many years. It has been enjoyed by people of all ages, from children to adults. The game is played on a diamond-shaped field with four bases, and the objective is to hit a ball pitched by the pitcher and run around the bases to score runs. The team with the most runs at the end of the game wins.

The game is divided into nine innings, with each team taking turns to bat and field. The team that bat last in the ninth inning wins if it scores more runs than the opposing team. If the game is tied after nine innings, extra innings are played until one team scores more runs.

The game is governed by a set of rules that are designed to ensure fair play and to maintain the integrity of the game. These rules are enforced by aumpire, who makes decisions on a variety of plays.

Ex-Indian Greats Make News In Sports During Past Summer

Several men connected with athletics or attending William and Mary made news during the summer for their exploits as participants, or for other contributions to athletics during the summer.

One of the biggest reasons why the New York Yankees extended their winning streak as far as they did, thus giving themselves a large lead in the American league pennant race was the recall of Vic Raschi, who was brought up from the Pacific Coast League at the same time Buck Newsome was acquired.

Vic’s fine hurling added several notches to the Yankee victory gun at the time when they were important because they gave the Bronx Bombers an almost insurmountable lead. He ran his victory string to six before he lost a game.

With the season drawing to a close, and with the excellent record he has racked up, the possibility of Raschi’s seeing considerable World Series action appears bright.

Tipton Plays

Eric Tipton, who moved right into high class baseball as soon as he was graduated from Duke University in 1938, is still doing a fine job. In former seasons he has played for the Philadelphia Athletics and Cincinnati Reds of the major leagues, and in the international loop.

This year, he played for St. Paul of the American Association where he was valuable for his rate bat and his base stealing and the post-introuge home run clouting. A story by one of the major news correspondents speculated on the possibility of "Drop" moving up to the big leagues again.

Jack遗址, who played very good baseball for William and Mary in 1946, played class B ball during the summer, as the property of the Washington Senators. This being his first year of professional baseball, he acquired some needed seasoning, and may be ready to move into higher competition next year.

Korczowski Named

On the football picture, Johnny Korczowski, uncle of Tommy, who is a junior here, was appointed head coach at Washington high school this summer, replacing Tom Napier, who took over the helm at Hopewell high school.

Korczowski attendedsummer school and was at the various lectures offered by the coaching school in July. He was accompanied by a number of other former William and Mary athletes at the coaching clinic.

Another ex-William and Mary Tipton, of a somewhat earlier period was named football coach at Newport News high school earlier in the year. He is Lou Fittennan, a track man of the middle distance, and at one time New York Pawtucket, Newport News’ area for a number of years.

Garder (Buster) Ramzy, an All-American guard here in 1942, and Harvey (Stud) Johnson, line smashing back of the same team, as well as Paul of the American Association this year with Chicago and New York teams, respectively.

A number of former Wakefield gridiron leaders led by Coach Glenn Knox are playing with the Richmond Rebels of the Dixie pro loop. Among them are Johnny Clowes, Al Henshaw, and Buddy Hubbard.

And one of the greatest of the former Indians to participate in athletics is expected back at his alma mater this fall, 1945.

This year, he played for the Philadelphia Athletics and Cincinnati Reds of the major leagues, and in the international loop.

It is open to guests of the Lodge and Inn. Williamsburg residents and college students Roy J. (Dusty) Ash, assistant to the pro, stated that students should get their golf equipment at Blackwall at the Inn to get an identification card, for which there is no cost.

Lecture Drills

The pro plans to give lectures at reduced rates to groups of college students, it was stated. A limited number of sets of clubs is available for rental.

Golf courses have been offered by the physical education department in the past. A likely interest has been shown in this sport during recent months.

The new course at the Inn will make it possible for the school to return golf to its former program much more easily, and will therefore help in providing a well-rounded athletic program.

Tribe Scrimmages Maryland In Informal Preseason Game

William and Mary’s entire football squad got a break from the monotony of regular practice drills, and individuals had an opportunity to show their worth Friday when the Brigham met the University of Maryland in an informal scrimmage at Cary Field.

No score was kept of the afternoon’s session, and if any yard it would have been meaningless because the coaches, rather than trying to win a game, sent out evenly matched teams to check on team plus, conditioning and manpower, as well as to get an idea of how much power they can expect.

Both teams looked good, and both had rough patches that need to be smoothed out. Of the William and Mary first team, however, left little doubt that it has power similar to that shown by the 1948 team.

The Indian line looked good on defense, especially, and showed that they could work on the offense as well. From the first backfield, Tommy Koosman looked extremely good, getting off several very nice runs for long gains, and did some good passing as well. Stan Nagyi looked good running, too.

Behind the first string line, the reserves look a little less potent on defense, and apparently the team could use more depth. Outstanding among the reserves was the line play of Big Lou Credence, returned tackle, and freshman back Gene Links, a speed specialist from Bakersfield, Calif. J. M.

Both coaches welcomed the opportunity to get a line on their men, to see who can use their man practice under game conditions.

The Mary team has a large number of big men, and they shortened and played together well. Coach Tatum of the Terrapins said he “discovered” a couple of players, and had some kind of works of praise for the Indian team.

While the Maryland first group was in Williamsburg scrimmaging the Indians, the reserves were in Washington holding a similar drill with Georgetown.

New Inn Court Open
To W. & M. Linksters

Golf enthusiasts at William and Mary will have a much better opportunity to keep up with the game since the course at the William and Mary has been opened. The nine hole course was opened during the summer, as one of the best courses in its class in the area.

It is open to guests of the Lodge and Inn. Williamsburg residents and college students Roy J. (Dusty) Ash, assistant to the pro, stated that students should get their golf equipment at Blackwall at the Inn to get an identification card, for which there is no cost.

College To Adopt Telephone System

Installation of a new college communication system will be completed on Thursday, Sept. 20. House phones have been installed in all dormitories for the convenience of students in communicating among the college buildings. These phones will operate through a central switchboard which will remain open from 8 a.m. to 8 p.m. The phones will accept incoming calls from the outside but will not accept outgoing calls made beyond the confines of the campus.

The switchboard was especially designed for the college and is the only one of its kind in operation at the present time. The company expects the system to be adopted by many other universities. Originally, it was planned to install a dial system, but necessary equipment, will not be available for three years.

"We believe that the new system has several advantages over the one originally planned although it is more expensive to operate," said Charles J. Duke, Jr., bursar. Estimated cost to the college is $13,000 a year.

Our Teeth - The theatre production, "The Skin of Our Teeth" by Thornton Wilder, will be given for new students on Monday and Tuesday, Sept. 22 and 23, from 3 to 5 p.m. and 7 to 9 p.m. in Wren Kitchen. New students interested in crew work are to meet in the stagecraft laboratory, first floor in Wren Kitchen.

Members interested in crew work are to meet in the stagecraft laboratory, first floor in Wren Kitchen. Members Of Theatre To Hold Open House

Members of the William and Mary Theatre will hold an open house for new students on Friday, Sept. 19, from 3 to 5 p.m. in the theatre.

Lisle Announces YWCA To Hold First Party Tonight

Members of the YWCA will inaugurate their series of activities with an "Open House Mixer" to be held tonight in Blows Gymnasium from 8 to 11 p.m.

All new students, with or without dates, will be welcome at the affair, according to Don Lisle, YWCA president. A variety of activities, including swimming, dancing, ping pong and bridge, will be offered.

The traditional Big-Little Sister party will be held on Saturday, Sept. 20, from 5 to 8 p.m. Little sisters are required to braided their hair and wear ribbons at the event.

The party will begin when big sisters call for their little sisters at their dormitories and take them to the movies. Following the picture, there will be a get-together at Barrett porch. Dees asked all freshmen women who have not heard from their big sisters to call her at the Kappa Delta house or Barbara Kinnel at the Gamma Phi Beta house.

The YWCA plans to initiate a letter-writing program for new students to enlarge their freshman year. New members will register at a desk in Marshall-Wythe hall during registration for classes on Thursday through Saturday.

Echo Staff Appoints Editors, Photographers, Pending Approval

Junior editors of the Colonial Echo, subject to the approval of the Publications committee, are: Audre Barthold, associate editor; Jean Foose, editor; Warren Smith, art editor; and Lorna Hynson, Frank Stevens, photographers.

Layout plans for the 1945 yearbook are to be made by the Benson Printing Co., Nashville, Tenn., by Lois Willis, editor-in-chief.

Lisle has announced that tryouts for the fall will be held about a week after registration. "The Studio Council," he said, "is trying to find a location and time. "We want people who can type who have had yearbook experience, or who would like to come for experience, or who would like to get yearbook experience." Lisle directs the program."
Organist And College Choir Present
Joint Concert At Matoaka Theatre

An estimated audience of 1000 attended a joint concert given by the College Choir, the William and Mary choir and the Matoaka Lute Theatre on Monday evening, Sept. 8.

Admission to the six-part program was free. O'Steen is the organist with "The Common Glory." The chorus is composed of 33 members of the William and Mary choir.

O'Steen opens the program with Prelude and Fugue in E Minore by Bach, followed by the choir which sang "Waldes Oden No. 29" by Brahms. Adagio No. 3 by Mozart, Ena Williams by Palestrina, and Salvation by Palestrina, and an estimated audience of 1600 attended a joint concert given by O'Steen.

The concert continued with O'Steen's playing of Pavana Hispanica by J. P. Sweedland and Artos by Lascell. The chorus then sang "Madonna Jeanette" by Meyers, The Lane Prelude arranged by Wilson,"To the glory of God and the honor and glory of Messiah" arranged by Johnson. For the fifth section of the program, O'Steen played Scherberol and Fantasia No. 1 by Vierce and Lisem by Jehan Alain.

The concert ended with a number selected by the chorus, Christ, Pastor As I Amor, love that the Flat Hat club led at the founding of Phi Beta Kappa in 1776.

Interdict Curtails
Jockeys' Vocal Pastimes
By NICKY DILLARD

The library is overflowing with boys half-heartedly studying, the Wiggin presents a picture of desolation. A few boys stand aimlessly against the glass door, reading a magazine and a stream of boys amble through the corridors and back to the dormitory, many of them looking at the front wall of the college. A great deal of light has settled on the college, is brought about by a series of events concerning Jockey corner. Recently, the trouble-making news circulated through campus that the college requested that the men of the College of William and Mary not use Jockey corner as a means of transportation to simultaneously exercise the right to vote and throw traffic into utter confusion. In light of certain activities this hallowed spot was called a traffic hazardous, a menace.

The reason for the removal of the jockey corner, or was, the section of wall in front of Wren located at the intersection of Richmond road, Duke of Gloucester street, Jamesburg road, and two other streets of which we cannot remember the names. It was here that seven days ago a large group of students found their corner to be the meeting place for those who wished to see 33 members of the William and Mary choir.

Paper's Name Derived From Graduation Cap

The FLAT HAT, the name of this publication, was given to the paper by its first editor on Oct. 1, 1911.

The specific name, The FLAT HAT dates back to a club in 1750. The club was purely social in character, and many believe was free. O'Steen is the organist with "The Common Glory." The chorus is composed of 33 members of the William and Mary choir.

For the benefit of the Innocent, Jockey corner is, or was, the section of wall in front of Wren located at the intersection of Richmond road, Duke of Gloucester street, Jamesburg road, and two other streets of which we cannot remember the names. It was here that seven days ago a large group of students found their corner to be the meeting place for those who wished to see 33 members of the William and Mary choir.

True the boys never let a co-ed go uncharted, but a girl's reputation must be high, if possible this isn't the reason for the recent calamity. Could it have been that the boys ignored the Jamesburg topography, did not always agree as to the location of the college, which corner was to yell "Red light" to the administration carefully worded. One would think that people would appreciate having the road narrowed down.

One of the great sports of said girls was to yell "Red light" to the oncoming cars. After six cars stopped dead still aloud was the question light, the boys would follow through with "It's green now." Not being capitalists, the William and Mary boys lack equality seriously and used their preferred tactics. Maybe they were just bitter, but anyone who gave the great cry when any large, new, car came along you can't hide money. People seeking directions for the intersection of Richmond road, Duke of Gloucester street, Jamesburg road, and two other streets of which we cannot remember the names. Religious Groups To Hold Supper, Vesper Services

Church suppers will be held by all the campus religious groups tomorrow at 5 p.m. Barbara Rommel, president of the Student Religious Union, has announced.

Barbara declared that all students whose church denominations are not represented in Williamsburg are cordially invited to attend the suppers in any of the town churches. The Balfour-Hillel club will hold its supper at the Methodist church.

Vesper Services

Following the suppers, vespers services will be held in 1946 Della Kappa hall at 7 p.m. Dr. Edgar M. Foltin, chair of the psychology department, will speak on the topic "Love on Earth." Dr. Foltin, on leave of absence last year serving as advisor to the War Department in Vienna, joined the college faculty in 1939, after fleeing from the German invasion of Czechoslovakia.

Warren Sprouse, chairman of the vespers program, will sing "How Lovely Are Thy Dwellings" by Liddle. Barbara will be the student leader of vespers.

Purpose Of Union

In announcing the program, Barbara explained the purpose of the Student Religious Union. "It represents the Baptist, Jewish, Methodist, Episcopal, and Presbyterian student church groups on campus. All these groups have weekly meetings to which any students is cordially invited. The Student Religious Union tries to coordinate these different groups and to sponsor guest speakers for chapel, Religious Emphasis Day, and the orientation program. Our programs are open to all students, old and new, who are interested."

Five guest speakers will be presented during the year. In observance of Religious Emphasis Day on Sunday, Oct. 19, morning and vesper services will be held in the Matoka Park Amphitheatre.

Mortar Board Will Hold Coed Dance

Mary Keeney, president of Mortar Board, has announced that the group will sponsor a coed dance on Saturday night, Oct. 4.

The theme of the formal event will be autumn. Mary urged freshman women to ask their dates as soon as possible.

Mortar Board plans for the year include the donation of magazine subscriptions to the women's dormitories, the sponsorship of a tutoring bureau, and the presentation of a plaque to the sophomore woman having the highest scholastic average.

The honorary organization for women holds a joint tapping service with Omicron Delta Kappa, a similar organization for men, in the spring. Members are chosen from the junior class on the basis of scholarship, leadership, and service.

Women tapped for membership last spring are Mary Keeney, Weezie McNabb, Helen Thomson, Shirley Sprague, Pat Fleming, Barbara Simon and Lois Willis.

John T. Cox Directs Publicity Department

New director of public relations for the college is Army veteran John T. Cox.

Cox, who before the war served as sports editor of the Newport News Times-Herald and the Newport News Daily Press, saw 3 years service with the Army Air Forces. After his discharge, Cox became assistant city editor of the Times-Herald. A native of Newport News, he is a graduate of Newport News High, enlisted and attended the University of Illinois.
