Left to right, Nicky Dillard, retiring president; Sarah Enos, new president, and Gary Davis, new vice president.

Sarah Enos was elected president of the executive council of the Women Students' Cooperative Government Association on Wednesday. Miss Enos is a sophomore and majoring in history.

Other officers elected at this time were Betsy Davis, vice-president and secretary; Jan Cavenney, treasurer; the executive council and the faculty council; and the executive council. The executive council is composed of the president, all members of the judicial committee, and the chairman of the faculty council.

The purpose of the Institute of Higher Education, which is affiliated with the General Education Board, has been announced by Miss Althea Hunt, director of the Theatre.

"The purpose of the Institute," she stated, "is to provide a forum for the interchange of ideas among students, faculty, administrators, and other members of the academic community. The Institute will be held on the campus of William and Mary every year, and will focus on a different topic each year."

The first Institute of Higher Education will be held on March 26 and 27, and will focus on the topic of "The Role of the University in Society." The conference will feature a variety of speakers, including Chester I. Barnard, president of the Rockwell Institute of Williamsburg, Incorporated, and John C. H. Grabill, director of the Virginia Indian Commission, Incorporated, who will speak on the "Role of the University in the Restoration of Colonial Williamsburg and Its Purposes.""

"We are very excited about the first Institute of Higher Education," said Miss Enos. "We believe that it will be a great opportunity for students and faculty to come together and learn about the important role that the university plays in society."

**St. Patrick to Add Color to Spring Hop**

**By Bob Hedelt**

St. Patrick in all his traditional color and pageantry will reign supreme over the Spring Hop Friday night at the Gym. "Shamrocks and orange leis of green and white" will be the order of the day as members of the Student Council prepare to welcome the students to the event.

"We are excited about the Spring Hop," said Steve Groves, chairman of the Dance Committee. "We have worked hard to make it a memorable event for all."

**Harper to Disclose Varsity Show Cast**

The tentative cast of the 1990 Varsity Show will be announced at the annual meeting of the Student Council of the Virginia Indian Commission, Incorporated, on Wednesday, March 22. All members have been asked to report to Bill Harper, president of the Student Council, at 10 a.m. in the meeting. The cast will be announced on Wednesday, and the first set will be ready.

"We are very excited about the Varsity Show," said Bill Harper. "We believe that it will be a great opportunity for students and faculty to come together and learn about the important role that the university plays in society."

"We are excited about the Varsity Show," said Steve Groves, chairman of the Dance Committee. "We have worked hard to make it a memorable event for all."

**ICF Proposes Amendments**

The Inter-Fraternity Council (IFC) has proposed several amendments to its constitution, which will be voted on by the members of the council at a meeting on Thursday, February 25. The amendments include changes to the election process, the structure of the council, and the responsibilities of the officers.

"We believe that these amendments will make the IFC more effective and representative of the needs of our members," said Dr. Paul M. Gross, president of the council. "We hope that our members will support these changes and help us to improve the council."
A Kind Word Needed?

Elsewhere on this page, and on the editorial pages of previous issues, there have appeared various letters to the editor, generally condemning the cafeteria management's action. Whether or not they concur with our opinions on the matter, because they are students and not members of the student body, they are entitled to voice their opinions when they are contradictory to those letters. This is the situation in the cafeteria question.

Since the Town Meeting last January, we feel that there has been appreciable improvement in the food in the cafeteria, and we know that this feeling is shared by many others, because we have had many less meals that might be termed "in- edible." This is just what we have been waiting for, for the prices have received a slight cut, although not too evident to the average student. An example of this can be seen in the reduction in the cost of eggs in the Wigwam.

Yet there are certain elements that are still as bad as ever, and the situation is not merely a matter of the price of the food. We maintain that it takes time for improvements to take effect, and it appears that the management is striving to please the students. A kind word of encouragement might well be received at this time.

On the subject of improvements in the physical features of Trinkle Hall, we have often heard complaints about the food. We understand the feeling, but consider the money made in this one item is probably worse than all the carpets and linoleum purchased.

We realize that things are almost as bad as they can be, but the fact that the improvements to the building do not include the rest of the food costs or purchasing funds. They come from a totally different part of the College budget, and are in no way related to the food.

We again repeat that it might be nice to give the students a voice in the governing council of the cafeteria, so that they can put it in plain English—get off their backs and give them a chance.

Cruising Down Matoaka?

At the last meeting of the General Co-op meeting, the subject of canoes was discussed, and a subcommittee was appointed to look further into the matter.

At one time there were canoes and a boat house in the vicinity of Lake Matoaka to the use of students. Several years ago, however, the boat house collapsed in a state of disrepair, and the canoes were placed at rest under Phi Beta Kappa House.

With Matoaka Lake providing a natural setting for water activities, it seems lamentable that this rather wholesome, if not cheap, recreation is not available to the students. There can be little question of safety, as all boats are motorized, and the administration has made provisions for an added Sunday afternoon attraction in case the students are unable to continue with their studies.

Let us hope that this summer, when the sun is shining and the wind is blowing, the canoes will be returned to the use of the students that the administration has placed at their disposal.

Sincerely,

H. Deo.

Fifty-Five Baseball Candidates Report For Practice; Eight Lettermen Return

By Hugh Moore

Fifty-five candidates reported for baseball Coach Howard (Smithy) Smith last week as spring practice began.

Smithy, beginning his first term as diamond mentor, counted 28 players on the first day of the notes on the first day of the practice.

Returning lettermen were not nominated on the first day and did not report until yesterday. Four eight underclassmen are still around for another swat at the old apple.

Coach Smith stressed conditioning last week with the foremost warning, "Two things this club is going to be able to do are run and hustle."

Workout Tempo

The worst days were stepped up this week as the hardball Indians prep for the beginning of a 21-game schedule in the East's coach, Doc Carlson of Pitt, on March 27* for a week of practice.

Preseason games for an average of 14 per game for the Tribe. As Clarke, give the best game was played by Fred Kovaleski of the Tribe's pitching hopefuls working out as drills started last week.

Lambda Chi downed Phi Tau and Pi KA, Runs Streak to Nine Straight

The 1949-50 Fraternity basketball championship seemed certain coming into last week with the title going almost certainly to SAE, who won their sixth, seventh, eighth, and ninth straight games with solid victories over Lambda Chi, Kappa Sig, Pi KA, and Theta Delta. The only game remaining for the "champs" is against hapless Sigma Pi tomorrow night.

Last Monday they handled Lambda Chi as Randy Davis buckled a fabulous total of 27 points to take over the lead in the Fraternity league scoring. On Thursday which was the last major hurdle for SAE they defeated an undefeated Pi KA team before a large crowd in the Gymnasium by a score of 30-20. Player-coach Joe Giordano hit for four field goals and nine out of twelve free throws total 17 points. Almost certainly to SAE, who won their season two weeks ago with an 8-2 record, while Phi Tau upset the high-flying Kappa Sig and Phi Alpha for their second loss. Phi Tau is against hapless Sigma Pi for the intramural bowling championship.

In their only game of the week, the SAE steamroller by a 52-26 margin. The Lion Cubs remained near the lead in the Independent Loop with eight points.

In the weekly games scored twice, Sigma Pi chalked up one-sided victories over Sigma Pi and Theta Delta. Pi Lamb dominoes a ten point decision to KA and defeated Kappa Sig and Theta Delta. In the Phi Alpha game, Pi Lambda posted a 12 point victory over Lambda Chi before a slim crowd—of one—the highest totals of the season.

In other game Phi KA defeated Sigma Pi, Lamb Chi, and Lambda Chi conceded Phi Tau and walloped Sigma Pi with Bob Carter, one of last years leading scorers totalling 22 points in the Sigma Pi game. Ron Barnes, Lambda Chi coach hit for 16 against Sigma Pi and 17 against Phi Tau. Theta Delta downed KA an easy 23 point victory as Marks McCord carried 24 points on seven field goals and 12 out of 12 charity scores in his drive for this year's scoring crown and Lambda Chi was edged out by Phi Tau.

The win last week's basketball games, it looks like it will be the Guts Bouncers Keep Pace; Lead in Independent Loop.

Kappa Sig, Pi KA, Phi Tau, Deadlock In Murial Bowling

Kappa Sig, Pi KA, Phi Tau, finished their season two weeks ago with an 8-2 record, while Kappa Sig and Pi KA each had 2-2 records. Pi KA beat SAE and Kappa Sig defeated Lambda Chi last week to gain the third win tie.

To Beaver 44-20

On Monday night, SAE was again high man with Bob Roughton, Jim Casey, and Don Dolan led the Guts in the Lambda Pie frame. They defeated the Lambda Pie frame with a 16 mantrick.

The Minerva Lions captured three encounters last week as they bumped into the first division. Paced by Bill Lowe's 15 points, they swamped the Wednesdays after a 19-12 half time lead. The Lions defeated a last half Monarch to score 23, 12, and 10 respectively. The hopelessly "champs" is against hapless Sigma Pi, who won their season with a two game, four out of five start. The SAE squaws posted victories over the Squaws 14-10, 11-10, and 8-10, and joined Dono, St. James, Westhampton and Beaver. The seeded game was with Ithaca.

Students and faculty will be admitted to the football game Saturday in the South Gate only. All students must have their athletic books, for the gate only. Student will be charged $1.00.

Wigwam Operates Dormitory Service

The Wigwam last week initiated on campus small dormitory system service to all dormitories. Jim Sinclair, manager of the Wigwam, who originated the plan, said that it is designed to provide fruit, sandwiches and pastry to the dormitories, added that all sales are on a cash basis.

A definite deliver schedule is being planned by the administration. Deliveries will be made between 8 and 10 p.m. on weekdays.

As an added service, a phone for receiving orders is to be installed in the Wigwam. Until a truck line is secured, the present "bucket" system will continue.

According to Sinclair, this project has been well received favorably by the students, and will be continued for the remainder of the year.

Theresa Del KChi announced the initiation on Monday and Tuesday, March 6 and 7, of Richard Higby, William Lewis, Ann Beattie, Doris Hoffman and Mary, and the visitors.

Mary Ann Hook, ’49, and Jimmy Murphy, ’49, were recent week-end visitors at the Chi Omega house.

Tour of Restoration Buildings Deepens Appreciation Of Historical Significance of Colonial Williamsburg

By Jane Hale

Putting on our best historic sunscreen and carrying our own personal “I Visited Williamsburg” badges, we set out on our tour of the restored buildings. The Governor’s Palace was our first stop. From the doorway, we were greeted by a courteous doorman who directed us to the entrance. Inside, we found ourselves transported back to the 18th century. The grandeur of the architecture and the furnishings were truly impressive. The Governor’s Palace was the center of society and politics in Colonial Williamsburg. It was here that the Assembly met to debate and discuss important issues of the day. The Governor’s Palace was also a place of entertainment, with concerts and balls held in the grand ballroom.

From the Governor’s Palace, we moved on to the Capitol. This is the building where the Assembly met to discuss and enact laws for the colony. The building itself is a marvel of colonial architecture, with intricate carvings and a large dome. The interior is equally impressive, with ornate carvings and a grand staircase.

Next, we visited the Capitol Visitors Center, which houses exhibits and information about the history of the Capitol and the colonial era. The center is an excellent resource for anyone interested in learning more about the history of Colonial Williamsburg.

As we continued our tour, we passed by the College of William and Mary, which is another important landmark in Colonial Williamsburg. The college was founded in 1693 and is one of the oldest institutions of higher education in the United States. It was here that many of the country’s most influential leaders received their education, including George Washington and Thomas Jefferson.

After the college, we visited the Wythe and Ludwell House, which is a private residence that was once owned by the prominent Wythe and Ludwell families. The house is a fine example of Georgian architecture and is furnished with period pieces. It was here that George Washington lived for a time during his early career.

The tour ended with a visit to the Capitol Gardens and Maze. These beautiful gardens are a fitting end to the tour, with their lush greens and colorful flowers. The maze is a particularly popular feature, with its intricate paths and hidden corners.

Throughout the tour, we were impressed by the attention to detail and accuracy in the restoration of the Colonial Williamsburg buildings. The period furniture, clothing, and art all contribute to a sense of timelessness and history. The tour is a must for anyone interested in history or architecture, and it is a wonderful experience to immerse oneself in the past for a few hours.

Shura Dvorine to Present Program To Concert Group Next Tuesday

Shura Dvorine, billed as "one of America's best young pianists," will present a program of major works in concert at 8 p.m. Tuesday and Wednesday in the auditorium of the Southwestern Virginia Club.

Dvorine was graduated cum laude from Peabody Conservatory, Baltimore, with an Artist Diploma. He began his musical career at the age of three. When he reached age three, he was acclaimed his New York manhood, the New York critics.

This diploma was awarded by the Conservatory of Music of the Peabody Institute in the tradition of the world's great piano virtuosos.

When Dvorine was graduated from the Peabody Conservatory, Baltimore, he was awarded the Harold Randolph Prize as Outstanding Pupil of the Year and also the Artist Diploma. He has appeared throughout the country on radio and television and made concert appearances throughout the country.

Many of Dvorine's piano works have been published by the Century and Mills Music publishing companies. He has appeared on radio and television and made concert appearances throughout the country on behalf of the American Federation of Musicians.

Religious News

Continuing the Student Religious Union sponsors, the Cantata Club will hold the election of officers on March 19. Also scheduled for that night is the showing of a motion picture, "We the People," the story of the nation's growth from a Pacific island where missionaries had been working with the native.

At its meeting today, the Baldwin High School Choral Society will present a program of musical selections for the enjoyment of the audience.

Dr. Grey Will Speak In Chapel Tomorrow

Dr. John B. Gray, pastor of the Presbyterian Church, will speak at Chapel services on March 19. The topic of discussion will be "Time and the Problem of Time." The sermon will be contrasted with our own views of the two countries.

New Virginia Club Elects Doc Maness President

Doc Maness was elected president of the recently formed Southwestern Virginia Club, it was announced last week.

Other officers of the club are F. C. Leller, vice-president; F. S. Brown, secretary-treasurer and Jim Kelly, high sheriff.

The club will attempt to maintain contact with alumni from southeast Virginia, it was also announced.

Plans are underway for the club to be a place to go to, a trip to Yorktown and a dance, all to take place during the current semester.

The Southwestern Virginia Club now has a membership of over 35 members.
