Richmond, WM Promote Relationship of Students

$300 Williamsburg Damages Brings Letter Of Apology From University

A drive for better relationships between the University of Richmond and the University of William and Mary, was launched last week by the administration of the two institutions.

As a result of the conviction, a letter of apology from the Rich­ mond students was sent to Presi­ dent John E. Pomfret.

Thursday, November 21.

The representatives of William and Mary will pay the $300 dam­ ages brought by the University of Richmond on November 20, for the purpose of discussing the acts of defacement committed against the property of William and Mary, and the proper settlement to be made.

Editor Outlines Literary Shop

Dr. Burgess Johns, author and critic, will lead at 4:00 p.m. tonight in Phi Beta Kappa Hall. His topic will be "Literary Shop," and the authors whose works will be discussed include Mark Twain and O. Henry. According to Dr. Johns, "The head of the English Dep­ artment," his talk will be an "ex­ perience of learning and lasting importance in teaching."

In the past, Dr. Johns has written for the National Academic As­ sociation and for the National English Teachers' Association.

The meeting was held in the of­ fice of the dean of men; only stu­ dents were present. Henry Keyes and committes from the two col­ leges met in William and Mary on Wednesday, November 21.

The representatives of William and Mary met with the repre­ sentatives of Richmond to discuss the incident. The com­ mittees from the two col­ leges met in William and Mary on Wednesday, November 21.

State Department Position Sought by Marge Kellogg

Potential Diplomats Plans Law Work In New York After Graduation

"When I graduate I'd like to work in the State Department," said tall, blonde Marge Kellogg. ever since she was a junior or senior in high school they wanted to study law. "So far nothing has changed her mind, for next June, Marge will graduate with the degree of Bachelor of Civil Law. Then she plans to go on to Columbia Law School for two years—" but that is, if they have her," Marge adds.

After she finishes at Columbia, Marge hopes to work for an international law firm for a while, in order to get practical experience. At Columbia she intends to study Russian, just in case she might get sent to Russia by the government. Either Russia or China would be her choice because she thinks they are the countries that need the most understanding. If Marge did get sent to some other country she would probably be able to learn the language in a short time because she already has a solid foundation in three languages.

Possibly her greatest ambition is to see the United Nations Charter put into effect and to work on the legal end of it through the State Department.

The main reason for Marge's interest in this type of work is that it can be done just as easily by a woman as by a man. "men as a whole," Dr. Wolfgang Kohler, noted German psychologist and author of "The Mentality of Apes," and "The Place of Value in the World of Facts," told her that women have trouble getting ahead in any man's field but that it can be done just as easily by a woman as by a man. "men as a whole," Dr. Wolfgang Kohler, noted German psychologist and author of "The Mentality of Apes," and "The Place of Value in the World of Facts," told her that women have trouble getting ahead in any man's field but that it can be done just as easily by a woman as by a man.

Y.W.C.A. Representatives Collect Membership Dues

Y.W.C.A. representatives, whose names were announced last week, will collect dues at 25 cents per member for the organization this week. Anyone who is interested in joining the Y.W.C.A., but has not attended previous meetings, may become a member by paying the 25 cents to her dormitory representative, stated Pam Foulad, president.

Practically ‘Everybody’ Comes To Williamsburg

Famous Visitors To Town Include Admiral Nimitz, Katharine Hepburn

Soooo or later just about everybody who is anybody gets around to visiting Williamsburg and William and Mary. Over a period of years famous people have come here for a few days and every president since Harding has been here except President Truman.

During the war many high ranking army and navy officers as well as diplomatic officials have journeyed to Williamsburg. More than a few future better known visitors have been Admiral Leahy, and Sir Alexander Becquey from England. At the time Dumont corralled the joint staffs of Britain and the United States this far a few days a month from one of their conferences to see the town. A great many of the well known personalities who come to Williamsburg stay here incognito to escape curiosity seekers. When Katharine Hepburn was here she came under an assumed name and wandered around the streets without being recognized.

This summer some of these visitors stayed at the President’s house, most of them stayed at the Lodge or the Inn. Miss Mrs. Winston Churchill and her daughter Mary were here they stayed at the Lodge and pictures of them are in the lobby there. Last spring Walt Disney came here and in the past year Lord and Lady Hertford and the Archbishop of York have been in Williamsburg.

‘Hardly a week goes by when famous names don’t come to town,” says Dr. Prumiter. Visitors to the college usually want to see all parts of the college. This increase has ‘continued to the college usually want to see the city and its outlying areas. They are in the lobby there. Last spring Walt Disney came here and in the past year Lord and Lady Hertford and the Archbishop of York have been in Williamsburg. They are invited to join the fellow students at the college. This increase has ‘continued to the college usually want to see the city and its outlying areas. They are in the lobby there. Last spring Walt Disney came here and in the past year Lord and Lady Hertford and the Archbishop of York have been in Williamsburg.

College Band May Play For Basketball Games

Present List of Musicians Includes Campus And School Students

"The first appearance of the college band in the coming football season will be of a different sort because it was a start," ventured Alan C. Stewart, director, who also voiced the possibility that the band can play for basketball games. It will be on will 1945 so that it will be firmly established by next year.

There are many students we would like to see in this band," stated Mr. Stewart. "Among those who can play but have not yet joined, are Ross Mundell, Mary Isaac, Donald Anderson, Ruth Chase, and Emer Ren, clarinet; John Hastie, Andy Williams, and Jeanne Owens, trumpet; Marilyn Graves, piccolo; Eleanor Westbrook, Pat Indence, Al Puth, saxophone; and Barbara Horowitz, Janet Ginsburg, Nancy Ruhl, Winifred Jones, and Carol Shipman play the oboe.

Alto horns are played by Betty Smith, Adline, and Alfons Horace; trombones by Wesley Hill, Forrest Smith, William Hus, Robert Evans, Charles Jones, and Robert McCrosky, Robert Cotton, and Robert Putney, Robert Carter, Robert Jones; Shuz Sprague and Dick Halsey at a table of the dance having a serious talk; Betty Hodrick and Woody Kinnaman laughing together; with Dave Margicott; Betty Smith, and Mary Lou Breed and Edith Isele, cornet; and Bob Deuffer and Malcolm Gardner are members of the percussion section.

Spiedel Speaks At Union Supper

Gerry Spiedel, director of the Methodist Student Movement, addressed the representatives of the various groups and organizations of the Student Council, which was organized by the Student Council, on November 26, in Washington Hall.

The speaker was Australian and the subject was "Methods of Religious Education." The next speaker will be held on December 13, at the Baptist Church.

Sophomore Social Board Outlines Party Programs

Plans for organized get-together s of the sophomore class were discussed at the first meeting of the newly established sophomore social committee Monday afternoon, November 26, in Washington Hall.

Betty Buaman, chairman, outlined the purposes of the committee to plan events and programs which will bring the sophomore class together in informal entertainment.

Other members of the committee are dunne, Joan McGuire, and Judy McCollum, Joan Morgan, L. J. C. Lar, and Tom增收, Pat McNear, and Becky Kyle.

As the moon wandit, as Christmas grew closer and closer, last week's activities for young men and women on William and Mary campus advanced to a new high. Maybe the girls are working for Christmas Advanced to a new high. Maybe the girls are working for Christmas, but the boys are certainly getting competitive spirit. Both of them have been rapped on the knuckles, being excused from a class to study for exams. Few with all of the boys in the music appreciation group by a casual look from Zed.

Here, but not for long: B. H. Zed, Pat Indence, Frank Studer, Bob Ren, Winifred Jones, and Cecil Tindley as new members of the Purple Shirts Club. Yours truly, Betty.

Pomfret, Tipton Visit Alumni Club

President John P. Pomfret and E. W. Tipton, former students of the William and Mary Alumni Club, had the annual post-Holiday meeting of the club on December 7, 1945, at 8:30 p.m. in the Union Club.

Armstrong Praises Dr. Adair's Paper

In reference to Dr. Douglas L. Adair's two articles entitled "The Authorship of the Disputed Federal Papers," published recently in the William and Mary Quarterly, Charles J. Armstrong, the writer of the following paper which has experienced many dissection and discussion since its publication in the William and Mary Quarterly, has written that he cannot join the committee on this country in a decade.

While meeting the William and Mary Alumni Club, Dr. Armstrong, who has been attending Union College, visited William and Mary recently and was impressed with the new administration and excellent facilities. He declared, however, that he cannot join the committee on this country in a decade.

The Alumni Club plans to hold a special meeting of the group during the next few months, at which time Dr. Armstrong will be in attendance to present his views on the controversy over the authorship of the Federal Papers.

Charles Pratt Leaves Presbyterian Church

The Rev. Charles Pratt, who has been serving as the pastor of the Presbyterian Church in the country, has announced his resignation effective December 7, 1945.

**Indian Top Richmond in Thanksgiving Clash**

**William and Mary Opens Attack Late In First Period; Wins 33-0**

Playing before a crowd of 7,500, the Tri-color football team trounced the Richmond Spiders, 33-0, in the annual Turkey-day clash at City Richmond, Richmond.

With Left and Denver Mills scoring two touchdowns on pass, and setting up a third, the Big Green began scoring late in the first quarter. The Spiders were supposed to roll over the Indians, which was helped by a fumbled punt. There was no man yelling in the stands.

When the final gun sounded, the Big Green had scored 33 points, and the Indians only 0. The game went along on an even basis during the first period. Not in the second period, however, that someone neglected to kick the ball to Mills, who roused the sidelines until he was knocked out of bounds on the four. Two plays later Branski fumbled, left end, and went over standing up.

It took the Big Green three plays to advance the ball from the Spider 33 into the end zone. A 31-yard punt by Stan Magdziak, whom T. C. Stein returned to the time clock.

The final standings were:

O. D. — 6 Wins, 1 Loss

**William and Mary Squad**

**SPORTS SPIEL**

**By ED GRIFFIN**

With the 1945 football season entering its final stages, the time draws near for the sports experts to choose their mythical all-State eleven and the Indians seem to have an excellent chance of capturing at least three positions.

It is hardly possible to overlook Avg. Denver Mills when considering Virginia's outstanding ends. During the season he has been a constant offensive threat, tallying five of the Tribe's touchdowns, besides seven wins against eleven defeats. Numerous candidates for the team have not been as effective as Mills.

Basketball season is just around the corner, regular practice having begun Monday. The Spiders will be striving to improve upon last season's rather poor record of only one victory and eleven defeats.

**6 Wins, 3 Losses**

**Squaws Play 1-1 Deadlock**

**Late Score By Smith Ties Richmond Squad**

**By BETTY BORNSIED**

A timely goal by right wing "Tommy" Smith in the opening moments of the second half saved the William and Mary hockey team from defeat at the hands of the Richmond Hockey Club last Saturday afternoon at the girls' athletic field. The game ended in a 1-1 deadlock as, for the second time this year, the squad could do no more than tie the Hockey Club.

The Richmonders, led by the dynamic eleven and superior defense of Mollie Scott, Harriet Walton, and Helen Driscoll, completely outplayed the Squaws until the final moments of the game. Aside from the scattered moments when the team looked good, there were few times when it measured up to its past standards. Some of the differences may have been due to the fact that the Hockey Club numbers among its players one former AU-American, two South-East members, and several Virginia state players. Despite this, however, the Squaws were definitely not up to par when they did improve as the game went on.

Buddy Blunt, left inner on the Club team, started the scoring midway in the first half by running the goal after a pass from center half, Driscoll. After that, the Tribe defense tightened up, and the Club was kept scoreless for the remainder of the game.

Outstanding on the Squaws' defense and providing the best bright spots in the Tribe's playing were fullback Betty Lawdog andушки, virtually the only members of the team who played up to their usual standard.

The band will be flown to Williamsburg, patronized by the University of Delaware, for touring and performing, including the opening of the National Hockey Tournament in Philadelphia on December 5, the band will stop over in Baltimore for one day to engage the Notre Dame College band; then they will travel to Williamsburg for a match with Temple University and two or three games in the national series.

In previous years, William and Mary have played Notre Dame of Maryland, for many years these matches have been discuss- ing. The Marylanders do not have as extensive a hockey team, but the located in the Palace, who have generally shown up well in their game appearance. The student-faculty committee, under the leadership of Dr. Umbeck, Miss Wynn-Roberts, Dr. Harold K. Flaherty, Trina Moore, and Charles Ruggles is sponsoring this dance.

Tickets are $4 per couple and Marti has set a quota of 500 to be sold. They may be purchased at the door, or from one of the members of the committee who are selling them.

U. of R.-W. M. Promote Relationship of Students

(Continued from Page 1)

Another meeting is to be held on December 15 in order to discuss future relationships between the two colleges. One of the William and Mary representatives stated, "It is understood that, although the rivalry will continue to exist, it will be friendly rather than destructive."

The letter sent to Dr. Peabody is as follows: "Dear Sir: It has been brought to our attention by the administration of Richmond College that some members of the student body have felt it to be their right to commit various acts of vandalism against the property of the College of William and Mary on the nights of November 18th and 22th."

"We as members of the Richmond College Student Government, wish to take this opportunity to express to you the student body our deep regret for these acts. We realize thoroughly the seriousness of this situation and we will endeavor as far as it is within our power to make the proper adjustments regarding this matter."

Inflimary Record Shows Case Increase

Inflimary records have shown a marked increase in the number of treatments given in the past ten days, especially in cold and influenza cases.

A peak was reached on Monday, November 20, when 33 treatments were given, compared to 41 the previous Monday. About half of these were for colds or sore throats. During the three days preceding the Thanksgiving game at Richmond, the ratio of the number of men treated to the number of women was increased radically.

The rise in cold cases was attributed to the cold weather by Dr. B. I. Bell, who said that a similar condition was increased radically.

"It is our hope that a conference between representatives of both colleges may be held in the very near future in order to establish certain policies which will bring about a cessation of such acts in the future."

"We feel that we cannot adequately express the sentiments of disappointment and regret and sincerely hope that you and the entire student body will accept our humble apologies. Respectfully yours, Gordon Conklin, president of the Student Government; Mosley Powell, treasurer of the Student Government; Shattile Against, chairman of the Honor Council."

Dramatists Offer Writing Contest

The Dramatists' Alliance of Stanford University announced recently that its 11th annual competion of dramatic criticism. Original poetic writing is open to any college student in the United States.

The Dowlson Award of $100 is offered for verse drama, the late Miles McKinnon Anderson of the University of California, author of "The Triumph of the Good Woman," is the judge. The winner's material will be published in the "Printer's Ink Shuffle" of The FLAT HAT. The late Davis Gray Award of $50 is offered for dramatic criticism "in lucid, vigorous style" by a student member of the Stanford Dramatics.

No second prizes are given, but honorable mentions are made to various works and publishers. All students who are interested have been asked to send in their material to the Drama office, Stanford University, California.

Spirited Students See Indians Win
William and Mary students, eager to see this year's football team win over the University of Richmond, and also play their first game of the season, attended the Thanksgiving game at Richmond's City Stadium on November 24th.

Two special buses were filled with gay students in the holiday spirit who sang and chanted all the way to Richmond. From Wright Field thoroughly decorated the bus, roose in paper, in the form of bowls. Cow bells jangled, card games got under way and everywhere there was the "spirit" of the game.

At the game, many girls were dressed in yellow and white chrysanthemums with green and yellow streamers. Trindu Robinson mounted the cheer section in singing our new fight song, "The Green, The Gold, and Grey." The newly adopted cheer, "Are we in, representatives of both teams were scattered and there was no band, the cheering was sufficient because the teams had full support.

Fromer William and Mary students cheered as loudly as everyone else. The officers were in the front line. They were James Crow, Bobby Dent, John Everson, Mary Ramsey, Wesley Albertson and W. B. Ramsey.

Bobby Vaughan kept the party going and "Here's to Virginia" and the victory was won. He took the microphone and led the singing of Christmas carols.

Group Plays Give December 12, 13
William and Mary Theatre will give a benefit performance of "The Will-Pontoon" in the Auditorium on December 12 and 13. The play is a dramatization of the story of Thomas A. Reed's death and the reuniting of the Family. The story is played out by the people of the Province, France, by the French people of the time.

The cast includes the following: Biner, the French actor, and the French people of the time. Biner is offered the opportunity to return to his former pleasure and to return to his former one. The play is a dramatization of the story of "The Will-Pontoon."}

Do You . . .
WANT MORE BIG DANCES?

Who wanted a big dance at William and Mary? Who was going to support it? Who was going to buy tickets and help with decorations? The students? ??

This is what they have been claiming for the past year. To answer to this the dance committee arranged for a big band to come here this Saturday night.

The forms of the dance committee have been advanced on the premise of the students. What is the result? At two o'clock yesterday exactly 18 tickets had been sold! Is this student support?

Jimmy Lourcead a well publicized band, worth the time and experience of the best of us. All efforts are being made to have this dance reach a pre-war level. If this dance fails, not only future "big" dances are lost, but Saturday night dances will have to be curtailed. We cannot operate on a deficit.

There has been some comment on campus to the effect that the band serves as reward till the '46 crowd. Then the war ended and students nothing was done. Finally the Administration heard our plea, and slowly but surely, the ball began to roll.

Something has been done. Now, if juniors and seniors don't want the new date, they have no business walking around campus in the cold, rain, or fog. Dormitories are open for dating till twelve. In stead of letting us freeze on cold days and suffer on warm days, the College has tried to set up a set of rules that we would much rather go to the Wigwam among other students. But they don't go to the Wigwam, except for the fun of seeing a few "old days", isn't it?

Here are a few reasons why such a condition has come to exist:

1. As bad as the help situation is, the soda fountain can only employ that many employees than the Wigwam. One early employee is enough to give any business a bad reputation. If you want to think that you could ever better than patronize the place? At the same time, the drug stores in town are heavily patronized by students. They would much rather go to the Wigwam among other students. But they don't go to the Wigwam, except for the fun of seeing a few "old days", isn't it?

They would much rather go to the Wigwam among other students. But they don't go to the Wigwam, except for the fun of seeing a few "old days", isn't it?

We'll buy our tickets and be there . . . and if enough of us ask for them, we'll have the music we want. After all, we're going to pay for it. 

J. L. R.

Thank You

We complained about the rules, we griped about recreational facilities, we made jokes about the cafeteria food. The only answer given was "wait till the '46 crowd comes. Then the war ended and something nothing was done. Finally the Administration heard our plea, and slowly but surely, the ball began to roll.

Keep The Ball Rolling

The Wigwam has about a thousand potential customers, this is not to say that they are all students. How much do you think you ever patronize the place? At the same time, the drug stores in town are heavily patronized by students. They would much rather go to the Wigwam among other students. But they don't go to the Wigwam, except for the fun of seeing a few "old days", isn't it?

Keep The Ball Rolling

Editor's Note

Students are requested not to take copies of THE FLAT HAT out of the office on Wednesday morning, and not to take more than one copy from the dormitories; since only enough copies are printed for each dormitory.

Post Script

When I wrote the above, I had no idea that starting Tuesday, November 27, (yesterday) The Flat Hat would be under new management, but I have heard otherwise. What is true was the Wigwam under its former management. Any change that the new manager makes will be for the better, since any change would be better.

The students bear no malice against anyone who tries to improve things, so I'm sure that they will use the new manager to the advantage of the homesite, and that they will be able to make the Wigwam truly a place for the students.

Letter To The Editor

To Fred Frechette,

In response to your article of last week, we would like to bring up the female side of the picture. Yes, the men were on the division, but the division was extremely one-sided.

It has ever occurred to you that the students on campus never seem to be loaded with projects? Our own class has more work and better projects. After all, do these boys think that marriage is the ultimate? No, and our superior projects are progressing and give blow by blow descriptions!!!

We'll bring up a few side ideas, Fred, which we think is much more important. Let us investigate the hidden meaning of all these superfluous mammalians.

Girls need the companionship of boys, as boys need the companionship of girls. This is a natural situation. You admit it, we admit it, and even your old friend Fred admits it. Most of the girls here are afraid of boys. They come with the fear of really entering into college life, learning from books, and enjoying contacts with all types of people, boys and girls. In this way, boys and girls are not made for each other and type of person they are most compatible. A definite asset, certainly, in choosing a future environment.

All these gestures you have, interpreted as meaningful. We are specially trained to gesture to put across the picture at your home. The W&M College. Sure, we like to date the campus boys, but if you go around campus any more, the campus boys with each new date, the girls have a right to use their imaginations, it means tackling a new project.

With best wishes for hanging on your pin, we remain,

Yours truly

Thank You

We complained about the rules, we griped about recreational facilities, we made jokes about the cafeteria food. The only answer given was "wait till the '46 crowd comes. Then the war ended and something nothing was done. Finally the Administration heard our plea, and slowly but surely, the ball began to roll.

Keep The Ball Rolling

The Wigwam has about a thousand potential customers, this is not to say that they are all students. How much do you think you ever patronize the place? At the same time, the drug stores in town are heavily patronized by students. They would much rather go to the Wigwam among other students. But they don't go to the Wigwam, except for the fun of seeing a few "old days", isn't it?

Here are a few reasons why such a condition has come to exist:

1. As bad as the help situation is, the soda fountain can only employ that many employees than the Wigwam. One early employee is enough to give any business a bad reputation. If you want to think that you could ever better than patronize the place? At the same time, the drug stores in town are heavily patronized by students. They would much rather go to the Wigwam among other students. But they don't go to the Wigwam, except for the fun of seeing a few "old days", isn't it?

Editor's Note

Students are requested not to take copies of THE FLAT HAT out of the office on Wednesday morning, and not to take more than one copy from the dormitories; since only enough copies are printed for each dormitory.

Post Script

When I wrote the above, I had no idea that starting Tuesday, November 27, (yesterday) The Flat Hat would be under new management, but I have heard otherwise. What is true was the Wigwam under its former management. Any change that the new manager makes will be for the better, since any change would be better.

The students bear no malice against anyone who tries to improve things, so I'm sure that they will use the new manager to the advantage of the homesite, and that they will be able to make the Wigwam truly a place for the students.
