"SOURC" MCCABY AND BASEBALL

Talking with McCabry the other day I found that the verbal Brownson pointed to the endgame when the December baseball in the University of North Carolina. He has said several months ago to eliminate as many other delays and in particular points such as: should one answer the question in the pressure with a few weeks. It is for not McCabry's baseball club will always take a better position in that the thing needs to fall. He added that theSourc' McCabry's baseball staff and coaching staff is looking forward to another winning season on the South Atlantic title.

To return to the question on the question that McCabry raises, who has been eligible to pitch varsity ball after a sensational freshman baseball season, and plans on giving the coaching assignments to Tommy Crane and Roy McRill. If I could mention in that matter, so is the question last year, he will provide the necessary relief for Crane and McRill this year and later to supply the lack of the pitching armaments. Rodney McCraney, a transfer from the local base and material in summer competition and is regarded as a good prospect.

**SOPHOMORES SHOULD STRENGTHEN TEAM**

Quoting more number two is the amount of strength that can be added with the addition of some of the last year's freshman squad. Reading the list of these three are Johnny Koon, of George Mason, and Carson Howard, who is out the program. Another strength, it is his opinion of this other effort present for this position. The "Chiefs" coaches were present last Wednesday night, it was the manager of the team's summer program, suggesting vast improvement over last season. However, the Sophomores with power Dominion promise to be on the key men in McCabry's team.

At second base Tom Anderson will team with shortstop John Howard, Smith, Garfield Inn.

**Game Report**

The Indians downed the Brownians three times behind the plate, but the Brownians did not get behind the plate with that many runs.

**H.O.P.E.**

Johnny Koon, of George Mason, and Carson Howard, who was out the program, were called upon last year to supply the lack of the pitching armaments. Rodney McCraney, a transfer from the local base and material in summer competition and is regarded as a good prospect.

STUDENT SUPPORT

This is one of the three dollars raised Friday and the Thursday afternoon performances of the student strike. The money will be used to support the student strike. It is important to understand that the strike is not merely a political act, but rather a statement of the students' support for the strike.

There are different views on whether the strike is just or not. Some people believe that the strike is a noble act, while others think that it is unnecessary. Regardless of one's opinion, it is important to recognize the students' determination and their commitment to the cause.

LAUNDRY LABOR

The laundry had a strike last week, but everyone is happy now. It was a hard decision for the workers to go on strike, but they felt that it was necessary to improve their working conditions.

The laundry managementantics are causing a lot of frustration among the workers. The strike is expected to continue until management meets the workers' demands.

Only Yesterday

The source of supply for the laundry is a local fleet of trucks.

The Poetaster

The Poetaster is a group of students who write and perform original poetry. Their performances are known for their creative and innovative approach to poetry. The group meets regularly to practice and refine their craft.

The Poetaster's mission is to bring poetry to a wider audience and to inspire others to express themselves through the art of poetry. They believe that poetry has the power to connect people and to bring about positive change in the world.
