Students Elect 14 To Class Offices; 534 Cast Votes

Bateman, Hyle, Sherry, Steckroth Gain Posts

Five hundred thirty-four votes were cast earlier this week when the student body elected 14 of the 59 candidates running for offices in the junior and senior class and in the student body.

In the junior class, Bob Steckroth, member of the freshman class and a member of the freshman class judiciary committee, was elected to the position of junior class president. He was opposed by Gaye Haman, a sophomore, by a vote of 207 to 20.

In the senior class, John Hyldeon was elected to the position of vice-president of the senior class with 260 votes. He was opposed by Jim Calvin, another junior, by a vote of 210 to 20.

Mike Sherry, a sophomore, was elected to the position of class secretary. He was opposed by John Coakley, a junior, by a vote of 209 to 20.

Joe Bateman, a junior, was elected to the position of class treasurer. He was opposed by Bob Massaro, a junior, by a vote of 287 to 50.

Pat Jones, the office of historian, was taken off the ballot and the student body was called to order.

Activities Committee Allocates Money To Musical Organizations

Musical organizations were voted an allocation of nearly $1000 from the Student Activities Fees at the second meeting of the Student Assembly on Friday, Nov. 13.

The appropriation was voted when a budget submitted by the fine arts department set the cost of the choir, glee club, and orchestra at $999.95.

Other Budgets Approved

Budgets of The Flat Hat, Colonial Echo, Royalist, Debate council, Student Government and WSCGA were also approved by the Student Assembly at this meeting.

The lion's share of the money will go to the band and orchestra under the direction of Alan C. Stewart, who received $600.00 to prepare the choral arrangements.

Music for the semifinal event will be furnished by the college bands, and the decorations willاستمر على النمط السابق.

Motor Boat To Hold Coed Autumn Night

"Autumn Nocturne," the annual fall dance sponsored by the student assembly, will be held on Saturday, Nov. 21, from 9 to 11:45 p.m. in the gym with hay, cornstalks, pumpkins, and seasonal flowers.

Prepare For Tomorrow

To the Editor:

The regrettable situation of the Secretarial Science department has been a regular focal point of discussion in Curricula, placed much light on the possibility of starting a new and different day curriculum at William and Mary. Changes that would enable men to receive secretarial education—now in its dilemma.

Student Aims At Basic Skill

To the Editor:

Basic courses do not seem to be essential for those who want more than a well rounded education. He wants to know how to do things. His time to get started has been shortened tremendously. Democratic Nomination Possibilities

To the Editor:

In the weeks of the U. S. Gen. Election, a number of people have been discussing the possibility of a Democratic nomination. A foremost Southern Senator, for instance, has said that Truman should resign after the machinery resigns. A Republican president. Just a step out of the way of the Vice-President, who is the choice of a top flight band. The more concerned Party people have felt that the Fair-haired boy of Indiana had the best chance to make it a success—ROOSEVELT.

The first move to rid the College and to make the best of this thing is to get rid of all those things, which are not aimed at the party leaders now facing the Democratic Nomination possibilities. Stettinius, the background is good and his record shone like a beacon in the dark days of the United Nations. If this means were used, he would be the logical successor to a man who has already promised the country a new vision, a new program, a new future.

We would like to see it in black and white in the next political campaign. No one should be left behind in the struggle. This would necessitate the working out of every Democratic need. If the people are united, the party leaders now facing the Democratic Nomination possibilities will be able to carry through the work of the new leader and maintain the momentum of the party campaign.

We must admit that the present situation in the United States is different from the great majority of the countries with whom we have relations. Surely there must be an explanation. Those in authority cannot discriminate against this one country unless they themselves are well founded. It would be indeed enlightening to hear these reasons. We would like to see it in black and white in the next political campaign. No one should be left behind in the struggle. This would necessitate the working out of every Democratic need. If the people are united, the party leaders now facing the Democratic Nomination possibilities will be able to carry through the work of the new leader and maintain the momentum of the party campaign.

Counseling Office Makes Proposal
Courses To Be Given If Students Participate

Beginning the last week in November, Williams and Mary Counseling Service, under the direction of Dr. H. McQuirt, will inaugurate a series of group counseling courses, provided that enough student interest is shown to warrant such a course of action. The classes will be voluntary, carrying no credit, and will be open to all students interested in taking advantage of such an opportunity.

Three Groups

The counseling courses will be broken down into three separate groups. Course C. D. 101, Reading Laboratory, will offer constructive work in training the student for the improvement of comprehension and rate of reading. Course C. D. 102, Study Habits Laboratory, will be devoted to the improvement of study technique and work. Occupational Workshop, C. D. 103, will be utilized to analyze the student's abilities, and the relation that these abilities bear toward various occupations. This course "gives a tenet on which the student may formulate a wise decision governing the occupation he will choose in later life," stated Mr. Embree.

Fall Courses

Divide Courses Into Three Sections

The courses will run until the latter half of January and will be scheduled during the following periods. The first two weeks will be devoted to the taking and analyzing of special aptitude tests in order to give each student a fundamental basis upon which to work. The succeeding period will be devoted to study which the student has chosen in the following course. This course "gives an insight into the improvement of study technique," noted Mr. Embree.

New Constitution Drafted

New Constitution for Dramatic Club

At Dramatic Club Meeting on Thursday, Nov. 14, the group's new constitution was ratified by the executive committee, at a meet­ ing held on Thursday, Nov. 14. Guest speaker at the meeting was Dr. George W. Knipp, associate professor of English. Dr. Knipp spoke on Restoration actresses.

C. E. Stousland Gives Donation For Books

Charles Eugene Stousland, '41, recently made a donation to the college library for the purchase of books in the memory of his mother, who died last year. In transmitting his gift, Mr. Stousland expressed the wish that the books chosen be related to fine arts. Because his mother loved William and Mary and was happy that he attended the school, he believed a gift to the library was a most fitting memorial.

Stousland was active in theatre courses, being an officer in the Backdrop club. He took part in several stage-productions, as well as participating in the band and glee club. He was a member of Kappa Alpha and Sigma Phi fraternities.

The books to be added to the library will bear name plates dedi- cated to the memory of Mrs. Stousland. In his letter to Robert H. Land, associate librarian, Mr. Stousland expressed the hope that he would be able to add to the collection from time to time.

Director Hunt Announces Cast Of G. B. Shaw Play

The Cast of Arms and the Man by George Bernard Shaw, next production of the William and Mary Theatre, has been announced by Miss Althea Hunt, director. The players are Raina, Ruth Stoddard; Alice, Joan LeFevre; and the Captain of G. B. Shaw, played by Robert H. Land.

Tribe Blanks Colonials, 20-0, For Seventh Win

Knox Ramsey, Stellar Guard, Breaks Arm; Will Miss Thanksgiving Contest

Evidently unaware that they were supposed to be pushovers for William and Mary, George Washington's Colonials fought from the opening kickoff to the final whistle and held the injury-riddled Indians over the goal line to avoid their fourth straight defeat in 1946.

The Tribe was held to seven points in the Southern Conference contest won by Knox Ramsey, who made All-Southern last year at tackle and is an outstanding candidate for All-American honors. He is unable to play in the important Thanksgiving clash with the Richmond Spiders.

Injuries Numerous

Greatly hampered because of injuries to some important figures as Tommy Woodward, Jackie Freeman, Sias Magnritzh and Charlie Mackenzie, the Tribe turned in a fair competitive performance. But, the Colonials were definitely up for the game and gave quite a collective defensive performance. When they did score, it more introspective than the fact that 25 members of the squad are freshman.

But, the Colonials, who shifted at tackle, and Jack Cloud, the plumber back from W & M, combined to tally 18 of the day's points. The visitors were to amass in the final quarter, which was the second time this year that they could not protect the ball for the first time in a 10-0 game in the second period of the season by an Indian back when he took the opening kickoff and raced 90 yards to score the initial touchdown. Mackenzie, who broke through at the time, attempt the extra points, then made his rare field goal, the Redmen led, 6-0.

Despite this promising beginning, the Tribe were the only team that could feel good about themselves. The visitors were to amass 18 points in the first 15 minutes of the game, and stop any further threat. They were to play well against the Colonials who were to be unable to play in the important game.

Colonials Thrust

Shortly after the beginning of the game, the Indians were to be affected by the ritual. That something might happen during the rivalry between the two schools. Before the 1932 game, the William and Mary students staged a sit-down protest in the college, but never saw any action.

Early in the third quarter, the Colonials were to be down, 6-0, and the visitors were to be in the Redmen's striking circle time after time. The backfield players did their part, but the defense was not able to get the ball past the Norfolk forwards.

The following award will be presented the next day.

The Navy Jayvees displayed a sound offense and defense. The little Indian players hard and made some gain on the day.

Swim Murals Close Friday

Intramural swimming will come to a close this Friday, Nov. 23, at Blow Pool with the final, taking place between four sororities, Alpha Chi Omega, Kappa Alpha Theta, Gamma Phi Beta and Kappa Gamma. In the League A meets three weeks go, Kappa Alpha Theta captured first place over Kappa Gamma by amassing 30 points to the second-ranking Kappa Sigma’s 33 markers.

Alpha Chi Omega rolled up a score of 46 to take the laurels last Friday evening over Gamma Phi Beta in 8 team League meet. The finals this Friday will determine the recently championed play-off between the four top-ranking teams from both leagues.

In the finals, there will be seven events including the 40-yard freestyle, breaststroke and backstroke, 100-yard medley, 60-yard medley relay, the 8-yard freestyle relay and diving. Kappa Alpha Theta’s second team also came out on top last Friday by virtue of a defeat by Kappa Gamma Kappa’s junior team.

Sinclair, Managers Scout Swimmers

Dr. Caroline B. Sinclair (see page 3) announced that the swimming managers have been meeting the last three intramural swimming meets for prospective members for the 1946-47 swimming team.

She also urged all girls who are interested in becoming members to use Blow pool as much as possible for practice.

Letter to the editor:

A formal protest to the statement last week’s sport column that “the forward line showed a definite lack of initiative” in the hockey games...
English Impression Of American Life

I have been at William and Mary for two months now. May say at once that I have never known two happier months. Also, inevitably, I have found a great many things, mostly small, but all intensely interesting.

To give six quick examples, I have learned what seedy bars are, what a hamburger tastes like, how to use the telephone, how to order ice cream as though they are familiar things. I know how to make a sandwich and a plate of strawberries and orange juice, cup of real coffee, and a plate of blueberry pie, and that I can talk unselfconsciously of Phil Betsch, WSCGA, the college orchestra, or Kilowatt know what people mean when they speak of Tussilago or O. D. or of a party platform, or a rash week.

I have discovered that you are in a hurry the best touch is a sandwich and a milk shake in the Wigwam. I know the words of the national anthem and other songs. I have met men who really were on Guadalcanal and at Iwo Jima, and those who flew over England in the big bombers we used to be so glad to see.

I have become pretty much more now the name of Valley Forge and Bull Run mean, and thoroughly enjoy hearing English poems read in American voices. No longer do I stare at colored persons in the street, and I can identify at least half of the faculty.

But most important of all, I have learned that the charm, friendliness, and generosity of Americans is a wonderful thing to see; and that this visit, thought for so long and hoped for so strongly, has surpassed all I ever dared to expect it would be. I feel that America and I are firm friends; and if I have anything to do with it, the friendship is going to last forever.

Will House 158 Men

Construction of the veterans' dormitories is nearing its end with the completion, in another month, of Unit E on Richmond Road. Unit D was finished Nov. 1. After E is finished these dorms will house 158 men.

"Jamestown Road veterans dormitories which were moved from Newport News should be finished by the second semester," stated John E. Hocutt, dean of men. 100 men will live in these dorms.

Construction Finished

After the completion of the Jamestown Road dorms, all the Federal Housing construction for the College will be finished.

In September 158 men students were housed at Richmond Road plus the men at Cheatham Annex. Chestham closed Nov. 1 and all men are now living in Williamsburg.
